-- 2005 REGULAR SESSION --

Jan 14 First reading, referred to Economic Development, Agriculture & Trade.

HB 1099 by Representatives Linville, McCoy, Quall and Pettigrew; by request of Governor Locke

Managing water resources for the mainstem of the Columbia river.

Declares an intent to establish a new state water resource management program for the mainstem of the Columbia river in order to meet the water supply needs of growing communities and the local economies on which they depend, and to do so in a manner that protects and enhances the quality of the natural environment, including streamflows necessary for the preservation of environmental values.

Establishes the Columbia river mainstem water management program. The goals of this water management program are to: (1) Meet the water supply needs of growing communities and the local economies on which they depend by providing a timely and affordable supply of water that will allow for new and reliable uses of water from the Columbia river mainstem; and

(2) Manage water to protect and enhance the quality of the natural environment, including streamflows necessary for the preservation of environmental values by securing and dedicating water to improve streamflows in the river mainstem.

Declares that the objectives of the program are to: (1) Improve the reliability of water rights issued by the department between 1980 and 2003 that are subject to minimum instream flows or other mitigation conditions to protect streamflows;

(2) Improve streamflows during the primary period of fish outmigration on the mainstem; and

(3) Mitigate for the streamflow impacts of future water right permits as provided by the program.

Requires the department to prepare a biennial report on the status of the program. The report shall be transmitted to the appropriate standing committees of the legislature and the governor by December 31st of even-numbered years.

Provides that, ten years after the effective date of this act, and every ten years thereafter, the department shall conduct a formal review of the effectiveness of the program. The review shall include independent evaluations of the economic and scientific information that provide the premises of the program.

Provides that, as part of the biennial report required by this act, the department shall notify the governor and legislature of the timing and proposed process for the formal review and shall request funding to conduct the necessary independent reviews as part of their biennial budget request to the governor. Upon completion of the review, the department shall prepare and transmit a report of the findings of the review, including any recommendations for legislative changes to the program.

HB 1100 by Representatives Kenney, Priest, Morrell, Fromhold, Jarrett and Sommers

Creating a state financial aid account.

Creates the state financial aid account in the custody of the state treasurer. The primary purpose of the account is to ensure that all appropriations designated for financial aid through statewide student financial aid programs are made available to eligible students.

Requires the higher education coordinating board to deposit in the account all money received for the state need grant program established under RCW 28B.92.010, the state work-study program established under chapter 28B.12 RCW, the Washington scholars program established under RCW 28A.600.110, the Washington award for vocational excellence program established under RCW 28C.04.525, and the educational opportunity grant program established under chapter 28B.101 RCW.

Provides that expenditures from the account shall be used for scholarships to students eligible for the programs according to program rules and policies.

Declares that disbursements from the account are exempt from appropriations and the allotment provisions of chapter 43.88 RCW.

Provides that only the executive director of the higher education coordinating board or the executive director's designee may authorize expenditures from the account.

HB 1105 by Representatives Appleton, Jarrett, Moeller, Sells, Fromhold, Conway, Grant, Hunt, Haigh, Pettigrew, Morris, Tom, Santos, Ormsby, Williams, Linville, Kilmer, Roberts, Cody, Flannigan and Wallace

Regulating petition signature gatherers.

Finds that paying workers who gather signatures for initiatives and referendum petitions on the basis of the number of signatures the worker secures increases the possibility of fraud in the signature gathering process. This practice may encourage the signature gatherer to misrepresent the ballot measure, to apply undue pressure on a person to sign a petition that the person is not qualified to sign, to encourage signing even if the person has previously signed, or to invite forgery.

Provides that a person who solicits or collects signatures on a statewide initiative or referendum petition

must be a resident of Washington and must be at least eighteen years of age.

Provides that a person who pays another for soliciting or collecting signatures on an initiative or referendum petition must pay wages at an hourly rate or salary equal to or more than the minimum wage established under RCW 49.46.020. The department of labor and industries must enforce this provision in a manner consistent with Title 49 RCW.

HB 1107 by Representatives Dickerson, Talcott, Linville, Tom, Priest, Darneille, Pettigrew, Shabro, Jarrett, McCoy, Roberts, Kagi, Clements, Dunn, Hunter, Quall, Haler, Hinkle, Cody and Walsh

Providing for early intervention services for children with disabilities.

Finds an urgent and substantial need to enhance the development of all infants and toddlers with disabilities in Washington in order to minimize developmental delays and to maximize individual potential for learning and functioning.

Requires that, by September 1, 2008, each school district shall provide or contract for early intervention services to all eligible children with disabilities from birth to three years of age. Eligibility shall be determined according to Part C of the federal individuals with disabilities education act and as specified in the Washington Administrative Code.

Establishes a birth-to-three task force to make recommendations concerning policies, procedures, and regulations in order to ensure implementation of an equitable statewide comprehensive system for all eligible children with disabilities from birth to three years of age.

Requires the birth-to-three task force to submit a report to the governor and the superintendent of public instruction by December 1, 2006, outlining their recommendations.

-- 2005 REGULAR SESSION --

Jan 14 First reading, referred to Children & Family Services.

HB 1108 by Representatives Grant, Walsh, Wallace, Rodne, Wood, Morrell, Lovick, Williams and Jarrett

Providing additional limitations for vehicles passing pedestrians or bicyclists.

Requires the driver of a vehicle approaching a pedestrian or bicycle that is on the right-hand shoulder of the roadway to pass to the left at a safe distance, taking into consideration the width or condition of the shoulder or roadway, the apparent age or condition of the pedestrian or bicyclist, the weather, the time of day, and other conditions and shall not again drive to the right side of the roadway until safely clear of the overtaken pedestrian or bicyclist.

Provides that no vehicle shall be driven on the left side of the roadway when a bicycle or pedestrian is within view of the driver and is approaching from the opposite direction, or is present, in the roadway or shoulder within a distance hazardous to the bicyclist or pedestrian due to the width or condition of the shoulder or roadway, the apparent age or condition of the bicyclist or pedestrian, the weather, the time of day, or other conditions.

HB 1118 by Representatives Ericksen, DeBolt, Sump, Kristiansen, Holmquist and Roach

Concerning the removal of gravel from waterways to reduce flooding.

Provides that the legislative authority of any county may remove gravel from streams or other watercourses when the gravel removal is deemed by the county legislative authority to be beneficial in reducing the impact of potential flooding.

Provides that, prior to removing gravel, the county

legislative authority must first contact the department of fish and wildlife for a suggestion of when gravel removal would have the minimum impact on aquatic life. Except in an emergency situation, the actual removal of gravel should occur as close as possible to the dates provided by the department of fish and wildlife.

Provides that the legislative authority of a county may only exercise the authority granted under this act to remove gravel from streams or other watercourses if the area of the county from which the gravel is to be removed is not within the jurisdiction of an active diking district organized under chapter 85.05 RCW or an active flood control district organized under chapter 86.09 RCW.

Applies also to flood control districts and diking districts.

Declares that the department may not prohibit, penalize, or condition a flood control district operating under this act, a diking district operating under this act, or a county legislative authority operating under RCW 36.32.290 when removing gravel from streams or other watercourses for flood control or flood impact reduction purposes.

Provides that, however, the department shall, when requested by a flood control district, diking district, or county, provide a range of suggested dates when gravel removal will have the minimum impact to aquatic life.

Providing for early intervention services for children with disabilities.

Finds an urgent and substantial need to enhance the development of all infants and toddlers with disabilities in Washington in order to minimize developmental delays and to maximize individual potential for learning and functioning.

Requires that, by September 1, 2008, each school district shall provide or contract for early intervention services to all eligible children with disabilities from birth to three years of age. Eligibility shall be determined according to Part C of the federal individuals with disabilities education act and as specified in the Washington Administrative Code.

Establishes a birth-to-three task force to make recommendations concerning policies, procedures, and regulations in order to ensure implementation of an equitable statewide comprehensive system for all eligible children with disabilities from birth to three years of age.

Requires the birth-to-three task force to submit a report to the governor and the superintendent of public instruction by December 1, 2006, outlining their recommendations.

SB 5145 by Senators Jacobsen, Swecker, Oke, Fraser, Johnson, Spanel, Rockefeller, Kohl-Welles, Delvin, Keiser, Haugen, Kastama, Kline, Hargrove, Regala, Franklin and Thibaudeau

Creating a boater safety education program.

Declares an intent to establish a boater safety education program that contributes to the reduction of accidents and increases the enjoyment of boating by all operators of all recreational vessels on the waters of this state.

Authorizes the commission to work with agencies and organizations representing nonmotorized vessel activities and individuals operating nonmotorized vessels to decrease accidents of operators in these vessels.

Encourages boating safety programs that use volunteer and private sector efforts to enhance boating safety and education for operators of nonmotorized vessels to work closely with the state parks and recreation commission in its efforts to reduce all boating accidents in this state.

Provides that, as part of the boating safety education program, the commission shall establish a program to be phased over eleven years starting July 1, 2005, with full implementation by January 1, 2016. The period July 1, 2005, through December 31, 2007, will be program development, boater notification of the new requirements for mandatory education, and processing cards to be issued to individuals having taken an approved course prior to January 1, 2008.

Creates the boating safety education certification account within the state treasury. All receipts from fees collected for the issuance of a boater safety education card

shall be deposited in the boating safety education certification account and shall be appropriated only to the state parks and recreation commission to be used only for the administration of this act. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.
