HB 1871 by Representatives Hankins, Murray, Haler and Simpson

Establishing fees for transportation funding.

Provides that, in addition to all other license fees, passenger cars, travel trailers, and motor homes are assessed a transportation improvement fee of one and one-half cents per vehicle pound based on the empty scale weight. In addition, vehicles licensed under RCW 46.16.070 weighing less than ten thousand pounds are assessed a transportation improvement fee of one and one-half cents per pound based on the empty scale weight.

Provides that two-thirds of the revenue will be used by the state exclusively for transportation purposes. Ninety percent of the state's share of the revenue must be deposited into the state's motor vehicle account to be used for highway purposes. Ten percent of the revenue must be deposited into the state's multimodal transportation account to be used for multimodal transportation capital purposes. The remainder will be divided equally between counties and cities for transportation needs and distributed monthly by the state treasurer.

Applies to vehicle registrations due or to become due on April 1, 2007, and thereafter.

-- 2005 REGULAR SESSION --

Feb 9 First reading, referred to Transportation.

HB 1872 by Representatives Ericks, O'Brien, Kretz, P. Sullivan, Buri, Sells and Simpson

Revising provisions relating to ignition interlock devices.

Provides that a person who is restricted to the use of a vehicle equipped with an ignition interlock device and who tampers with the device or directs, authorizes, or requests another to tamper with the device, in order to circumvent the device by modifying, detaching, disconnecting, or otherwise disabling it, is guilty of a gross misdemeanor.

-- 2005 REGULAR SESSION --

Feb 9 First reading, referred to Commerce & Labor.

HB 1876 by Representatives Green, Haler, Moeller, Darneille, Haigh, Miloscia and Uptegrove

Expanding voting rights of persons under guardianship.

Finds that the state has a compelling interest in ensuring that those who cast a ballot understand the nature and effect of voting is an individual decision, and that any restriction of voting rights imposed through guardianship proceedings should be narrowly tailored to meet this compelling interest.

-- 2005 REGULAR SESSION --

Feb 9 First reading, referred to State Government Operations & Accountability.

HB 1877 by Representatives Armstrong, Haigh, Orcutt, Condotta, O'Brien, Conway, Haler, Wood, Newhouse, Ericks, Hunt, Curtis, Sump, Morris, Clements, Linville, Hinkle, Pettigrew, Buck, Kessler, Williams, Dunn, Skinner, Campbell, Woods, Buri and Alexander

Modifying the definition of manager under the state civil service law.

Revises the definition of manager under the state civil service law to pertain to a person who has substantial responsibility in personnel administration, legislative relations, public information, or the preparation and administration of budgets.

Provides that no more than seven percent of an agency's work force may be in the Washington management service. Employee positions separately funded by nonstate funds shall be excluded from this calculation.

-- 2005 REGULAR SESSION --

Feb 9 First reading, referred to State Government Operations & Accountability.

HB 1878 by Representatives Conway, Wood, Jarrett, Kessler and Linville

Creating the registered interior designer professionals act of 2005.

Provides that, in order to safeguard human health, safety, and property, and to promote public welfare, any person in either a public or private capacity using the title of registered interior designer is required to submit evidence that he or she is qualified under the provisions of this act.

Declares that an applicant may qualify for registration as a registered interior designer if the applicant pays any applicable fee established by the department and shows to the satisfaction of the department that the applicant: (1) Has a current certificate number issued by the national council for interior design qualification; and

(2) Has six years' combined work experience and formal education in interior design from an accredited degree program.

Provides that the department shall grant a certificate of registration to an applicant who meets the requirements of this act beginning July 1, 2006. After July 1, 2007, a person may not use the title "registered interior designer" in this state or any other title, designation, sign, card, or device indicating that the person is a registered interior designer unless he or she is registered under this act.

Requires an interior designer registered under this act to complete ten hours of continuing education instruction every two years. The department shall develop by rule a form to verify continuing education.

Provides that a person who violates a provision of this act or a rule adopted under it is guilty of a misdemeanor and may also be subject to a civil penalty in an amount not to exceed five thousand dollars for each offense.

Requires the department to issue a cease and desist order to any individual who is not registered under this act and holds himself or herself out as a "registered interior designer."

-- 2005 REGULAR SESSION --

Feb 9 First reading, referred to Commerce & Labor.

HB 1879 by Representatives Murray, Hankins, Cody, Simpson, Schual-Berke, Ericks, Chase, Hasegawa and Wood

Providing a funding source to assist students with driver's education costs.

Provides that, beginning with vehicle registrations that are due or become due July 1, 2005, and thereafter, at the time of initial vehicle registration or upon periodic replacement of license plates under RCW 46.16.233, the registered owner shall pay and the department shall collect an additional fee of three dollars for each license plate issued, to assist in funding traffic safety education.

Requires the department to transmit the fee to the state treasurer for deposit into the public safety and education account. The amount so deposited may be used only for reducing the cost of traffic safety education courses under chapter 28A.220 RCW.

Provides that, in accordance with funding received under this act, the board shall set a reduced fee for students qualified to receive school lunches on a reduced-cost or free basis.

-- 2005 REGULAR SESSION --

Feb 9 First reading, referred to Transportation.

HB 1880 by Representatives Murray, Hankins, Cody, Simpson, Schual-Berke, Ormsby, Ericks, Kenney, Chase, Hasegawa, Haigh and Wood

Funding driver's education for low-income students.

Provides that, at the time of initial vehicle registration or upon periodic replacement of license plates under RCW 46.16.233, the registered owner shall pay and the department shall collect an additional fee of one dollar to assist in funding traffic safety education for low-income students.

Requires the department to transmit the fee to the state treasurer for deposit in the public safety and education account, and the amount so deposited may be used only for reducing the cost of traffic safety education courses under chapter 28A.220 RCW for students qualified to receive school lunches on a reduced-cost or free basis.

-- 2005 REGULAR SESSION --

Feb 9 First reading, referred to Transportation.

HB 1881 by Representatives Murray, Sells, Simpson and Wood

Clarifying that sales and use tax does not apply to certain regional transit authority service agreements.

Finds that: (1) Public entities that receive tax dollars must continuously improve the way they operate and deliver

service so citizens receive maximum value for their tax dollars; and

(2) An explicit statement clarifying that no sales or use tax shall apply to the entire charge paid by regional transit authorities for bus or rail combined operations and maintenance agreements that are provided to such authorities in support of their provision of urban transportation or transportation services is necessary to improve efficient service.

-- 2005 REGULAR SESSION --

Feb 9 First reading, referred to Transportation.

HB 1882 by Representatives Hunter, Orcutt, Ahern, Conway, McIntire and Roach

Modifying the business and occupation tax of wholesale sales of motor vehicle and special fuels.

Revises the business and occupation tax of wholesale sales of motor vehicle and special fuels.

-- 2005 REGULAR SESSION --

Feb 9 First reading, referred to Finance.

HB 1883 by Representatives McCoy, Pearson, Eickmeyer, Upthegrove and Haigh

Providing for collection of oral histories about Hood Canal.

Finds that the factors contributing to Hood Canal's low dissolved oxygen problems are complex and that investigation is needed to understand both the problem and its potential solutions.

Finds that a historical perspective is important in understanding Hood Canal's problems.

Recognizes the tribal elders and other long-term residents of the Hood Canal area are a great source of knowledge regarding the history of Hood Canal.

Finds these tribal elders and others may provide critical insight into the history, impacts, and potential causes of the low dissolved oxygen concentrations occurring in Hood Canal.

Declares an intent to initiate a process for university students to interview tribal elders and others who have knowledge of the history of conditions along Hood Canal to collect information regarding the history and impacts of Hood Canal's low dissolved oxygen concentrations.

Declares an intent that these interviews and the information learned be preserved as part of the state's oral history program.

-- 2005 REGULAR SESSION --

Feb 9 First reading, referred to Select Committee on Hood Canal.

HB 1884 by Representatives Simpson, Chase and Hasegawa

Disallowing high-technology excise tax incentives for certain pharmaceutical manufacturing companies.

Provides that a pharmaceutical manufacturing company shall not claim credit under RCW 82.04.4452 if: (1) The company has reduced sales to retail pharmacies in Canada within the twelve months prior to the effective date of this act or at any time after the effective date of this act, pursuant to a company policy issued in response to the direct and indirect sales of company products to residents of the United States by retail pharmacies in Canada; or

(2) The average retail price of the company's products in the United States exceeds the average retail price of the company's products in Canada by at least ten percent, for the twelve months prior to the effective date of this act or for any three-month period after the effective date of this act. A pharmaceutical manufacturing company shall submit an affidavit, as part of the annual survey under this act, stating that the company is not disqualified from the credit under this act.

-- 2005 REGULAR SESSION --

Feb 9 First reading, referred to Finance.

HB 1885 by Representatives Simpson and Hasegawa

Restricting the investment options of the Washington state investment board.

Provides that the state investment board may not invest in a pharmaceutical manufacturing company that: (1) Restricts the supply of one or more prescription drugs to Canada in response to the reimportation of a prescription drug into the United States; or

(2) Sells any of their prescription drugs in the United States at a rate that is more than ten percent higher than the price they charge in Canada.

-- 2005 REGULAR SESSION --

Feb 9 First reading, referred to Financial Institutions & Insurance.

HB 1886 by Representatives Simpson, B. Sullivan and Chase

Reducing the environmental impact of cleaning state facilities.

Finds that the adoption of practices to select, procure, and use environmentally preferred products will benefit the environment and the health and safety of workers and visitors to state facilities.

Requires state agencies to transition to cleaning products having properties that minimize potential impacts to human health and the environment within six months of the effective date of this act in a manner that avoids waste of existing inventories, accommodates establishment of supply chains for new products, enables the training of personnel in appropriate work practices, and allows the phase out of products and practices inconsistent with this act.

-- 2005 REGULAR SESSION --

Feb 9 First reading, referred to Natural Resources, Ecology & Parks.

HB 1887 by Representatives Hasegawa, Orcutt and Chase

Modifying exemptions to the litter tax.

Amends RCW 82.19.050 relating to exemptions to the litter tax.

-- 2005 REGULAR SESSION --

Feb 9 First reading, referred to Finance.

HB 1888 by Representatives Nixon, Morris, Hunter, B. Sullivan, Simpson, Ormsby, Morrell, Haler, Clibborn, Ericks, Williams, Darneille, Dunn, Dickerson, P. Sullivan, Green and Hudgins

Regulating electronic mail fraud.

Provides that no person may solicit, request, or take any action to induce another person to provide personally identifying information by means of a web page, electronic mail message, or otherwise using the internet by representing oneself, either directly or by implication, to be a business or individual without the authority or approval of such business or individual.

Provides that damages to a consumer resulting from the practices prohibited by this act are up to five hundred dollars per violation, or actual damages, whichever is greater.

Declares an intent that chapter 19.190 RCW is a matter of statewide concern. This chapter supersedes and preempts all rules, regulations, codes, ordinances, and other laws adopted by a city, county, city and county, municipality, or local agency regarding the practices covered by this chapter and notices to consumers from computer software providers regarding information collection.

-- 2005 REGULAR SESSION --

Feb 9 First reading, referred to Technology, Energy & Communications.

HB 1889 by Representatives Morrell, Campbell, Clibborn, Flannigan, Williams, Kenney, Hunt, Simpson, Darneille, Dickerson, Conway, Hasegawa and Wood

Requiring the disclosure of gifts made by pharmaceutical manufacturers to persons who prescribe prescription drugs.

Declares that the purpose of this act is to require disclosure and reporting of gifts, grants, and gratuities made by pharmaceutical manufacturers, directly or indirectly, to any person or entity authorized to prescribe, dispense, or purchase prescription drugs in Washington.

Requires that, on or before January 1st of each year, every pharmaceutical manufacturing company must disclose to the board the value, nature, and purpose of any gift, fee, or payment made to any person or entity licensed under Title 18 RCW who is authorized to prescribe or dispense prescription drugs, hospital licensed under chapter 70.41 RCW, health benefit plan administrator, group purchasing organization or pharmacy benefit manager, or other entity authorized to purchase prescription drugs in this state.

Requires initial disclosure to be made on or before January 1, 2007, for the twelve-month period ending June 30, 2006. The board must provide to the office of the attorney general complete access to the information required to be disclosed and report annually on the disclosures made under this section to the legislature and the governor on or before March 1st.

Requires each company subject to the provisions of this act to also disclose to the board, on or before October 1, 2005, and annually thereafter, the name and address of the individual responsible for the company's compliance with the provisions of this act.

Authorizes the attorney general to bring an action in Thurston county superior court for injunctive relief, costs, and attorneys' fees, and to impose on a pharmaceutical manufacturing company that fails to disclose as required by this act a civil penalty of not more than ten thousand dollars per violation. Each unlawful failure to disclose constitutes a separate violation.

-- 2005 REGULAR SESSION --

Feb 9 First reading, referred to Health Care.

HB 1890 by Representatives McIntire, Upthegrove and Sommers

Modifying the business and occupation taxation of slaughtering, breaking, and/or processing perishable meat products.

Declares that, in 1967, the legislature amended RCW 82.04.260 in chapter 149, Laws of 1967 ex. sess. to authorize a preferential business and occupation tax rate for slaughtering, breaking, and/or processing perishable meat products and/or selling the same at wholesale.

Finds that RCW 82.04.260 was interpreted by the state supreme court on January 13, 2005, in Agrilink Foods, Inc. v. Department of Revenue, Docket No. 74478-5. The supreme court held that the preferential business and occupation tax rate on the slaughtering, breaking, and/or processing of perishable meat products applied to the processing of perishable meat products into nonperishable finished products, such as canned food.

Declares that the sole purpose of chapter 149, Laws of 1967 ex. sess. as codified in RCW 82.04.260 has always been to create a preferential business and occupation tax rate for the slaughtering, breaking, or processing of perishable meat products and/or selling the finished perishable meat products at wholesale. The intent was not to allow the preferential tax rate for the processing of perishable meat products into nonperishable finished products or selling the nonperishable finished products at wholesale.

Declares that the purpose of this act is to make retroactive, remedial, curative, and technical amendments to clarify the intent of chapter 149, Laws of 1967 ex. sess. and RCW 82.04.260 and resolve any ambiguity.

Declares an intent to establish that, prior to the effective date of this act, the preferential business and occupation tax rate for the "slaughtering, breaking, and/or processing of perishable meat products and/or selling the same at wholesale" in RCW 82.04.260 applied only to activities in which the end products continued to be perishable meat products, and this act applies retroactively to accomplish this purpose.

-- 2005 REGULAR SESSION --

HB 1892 by Representatives Simpson, Hankins, Murray, Haler, Morris, Ormsby, B. Sullivan, Dickerson, Chase and Wood

Changing provisions relating to recycling waste tires.

Declares an intent to establish an effective program for the recycling of waste tires.

Finds that it is in the best interests of all citizens for waste tires to be recycled safely and efficiently, for the hauling and recycling of waste tires to be properly regulated, and for waste tires to not become a financial burden upon taxpayers.

-- 2005 REGULAR SESSION --

Feb 9 First reading, referred to Natural Resources, Ecology & Parks.

HB 1893 by Representatives McDermott, Kenney and Dickerson

Providing for certification of teachers of the deaf and hard of hearing.

Requires the state board of education, with advice from the professional educator standards board, to develop certification requirements for teachers of deaf and hard of hearing students. The certification shall be focused on the specific skills and knowledge necessary to serve the education and communication needs of deaf and hard of hearing students, and the certification may be limited to work with such students.

Provides that, in establishing rules for certification of teachers who will be working almost exclusively with students who are deaf or hard of hearing, the state board of education shall consider applicants to have met state endorsement requirements if they possess a baccalaureate or master's degree in deaf education from a teacher training program approved by the council on education of the deaf.

HB 1894 by Representatives Chase, Strow, Williams, Kirby, Ericks, Ormsby, Morrell and Haigh

Placing restrictions on the marketing or merchandising of credit cards to students at the state's institutions of higher education.

Requires institutions of higher education to each develop official credit card marketing policies. The process of development of these policies must include consideration of student comments. The official credit card marketing policies must, at a minimum, include consideration of and decisions regarding: (1) The registration of credit card marketers;

(2) Limitations on the times and locations of credit card marketing; and

(3) Prohibitions on material inducements to complete a credit card application, but not including introductory rate offers.

HB 1895 by Representatives Morris and Hudgins

Modifying duties of the joint committee on energy supply and energy conservation.

Declares an intent to utilize lessons learned from efforts to conserve energy usage in single state buildings or complexes and extend conservation measures across all levels of government. Implementing conservation measures across all levels of government will create actual energy conservation savings, maintenance and cost savings to state and local governments, and savings to the state economy, which depends on affordable, realizable electricity to retain jobs.

Declares an intent that conservation measures be implemented across all levels of government and that the

savings created from implementing conservation measures be retained to produce more efficient government operation.

HB 1896 by Representatives Appleton, Eickmeyer, Chase and Haigh

Limiting geoduck harvest in parts of Hood Canal.

Prohibits the department and the department of natural resources from entering or reentering into any management plan with either a state or nonstate entity that would, in the area of Hood Canal south of a line projected from the communities of South Point in Jefferson county and Lofall in Kitsap county, allow for the harvest of any naturally occurring geoduck below the mean low tide line.

Prohibits the department and the department of natural resources from entering or reentering into any management plan with either a state or nonstate entity that would, in the area of Hood Canal north of a line projected from the communities of South Point in Jefferson county and Lofall in Kitsap county and south of a line projected from Tala Point in Jefferson county to Foulweather Bluff in Kitsap county, allow for the harvest of naturally occurring geoduck below the mean low tide line in an amount greater than ninety percent of the average harvest level in that area for the years 2000 through 2004.

Provides that, if a majority of the members of the commission vote affirmatively on a rule under this act, a summary of the research considered must be presented to the appropriate standing committees of both the house of representatives and the senate. No rule may take effect until thirty days after the adjournment of the session during which the research is presented.

Prohibits the department from entering or reentering into a management plan with either a state or nonstate entity in violation of this act unless the department of fish and wildlife is authorized by the fish and wildlife commission to enter into such a management plan.

HB 1898 by Representatives Chase, Skinner and Kessler

Creating an office of entrepreneurial development.

Establishes the office of entrepreneurial development in the department of community, trade, and economic development. The purpose of the office of entrepreneurial development is to focus on developing and coordinating programs that assist in creating entrepreneurial activity. The office will: (1) Work with secondary and higher education institutions, small business development centers, small business incubators, nonprofit organizations, federally recognized Indian tribes and tribal organizations, and state and federal agencies to provide education, training, and technical assistance that increases entrepreneurial literacy, skills, and experiences;

(2) Work with state and federal agencies, commercial banks and other lending institutions, federally recognized Indian tribes and tribal organizations, community development financial institutions, and nonprofit organizations to provide training and outreach to increase entrepreneurs access to funding;

(3) Work with small business incubators, chambers of commerce, federally recognized Indian tribes and tribal organizations, local community action centers, ports, public utility districts, and economic development councils to help create an entrepreneurial culture, which may include community asset mapping, leadership training, and the use of industry cluster strategies;

(4) Convene work groups of rural community stakeholders to identify policies that are barriers to entrepreneurship;

(5) Work with the rural development councils on business and project development by conducting assessments of communities to determine what a community requires for development and to develop strategies to assist the community in developing. The department and the rural development councils shall submit an initial report to the appropriate committees of the legislature with policy recommendations by December 1, 2005; and

(6) Have the authority to convene a partnership of appropriate state agencies and stakeholders to implement the strategic regional and community plans.

Provides that, until July 1, 2010, the focus of the office of entrepreneurial development will be on the rural communities of Washington. Beginning July 1, 2010, the office shall perform its obligations under this section for businesses located throughout the state.

Appropriates the sum of two hundred thousand dollars, or as much thereof as may be necessary, from the general fund to the department of community, trade, and economic development for the fiscal year ending June 30, 2006, to carry out the purposes of this act.

HB 1899 by Representatives Chase, Appleton and B. Sullivan

Establishing a community mitigation program.

Recognizes that publicly funded projects often benefit local communities, but they can also result in adverse economic impacts on local businesses and citizens.

Finds that these impacts are not generally identified, quantified, or assessed in project siting decisions.

Finds that individual businesses, citizens, and communities should not bear an inequitable burden of siting public projects and that appropriate mitigation should be provided.

Finds that during the design and development of public project proposals, the economic impacts to local businesses, citizens, and communities must be analyzed and addressed.

Creating a job development fund.

Recognizes the vital importance of economic development to the health and prosperity of Washington state as indicated in RCW 43.160.010, 43.155.070(4)(g), 43.163.005, and 43.168.010.

Finds that current economic development programs and funding, which are primarily low-interest loan programs, can be enhanced by creating a grant program to assist local governments with public infrastructure projects that directly stimulate community and economic development by facilitating the creation of new jobs or the retention of existing jobs.

Provides that, in administering the job development fund, the board shall establish a competitive process to request proposals for and prioritize projects the primary objective of which is to stimulate community and economic development through redevelopment projects as defined in RCW 35.81.015(18) and rehabilitation projects as defined in RCW 35.81.015(19).

Requires the board to conduct a statewide request for project applications from political subdivisions of the state and federally recognized Indian tribes. The board shall develop criteria on which to evaluate and rank applications, and shall develop performance and evaluation criteria to review how well successful applicants met the community and economic development objectives stated in their applications. Among the priorities for ranking projects, the board shall include consideration of: (1) The relative benefits provided to the community by the jobs the project would create, not just the total number of jobs it would create after the project is completed and according to the unemployment rate in the area in which the jobs would be located; and

(2) The rate of return of the state's investment, that includes the expected increase in state and local tax revenues associated with the project.

Promoting economic development and community revitalization.

Recognizes that the state as a whole benefits from investment in public infrastructure because it promotes community and economic development. Public investment stimulates business activity and helps create jobs; stimulates the redevelopment of brownfields and blighted areas in the inner city; lowers the cost of housing; and promotes efficient land use.

Finds that these activities generate revenue for the state and that it is in the public interest to invest in these projects through a credit against the state sales and use tax to those local governments that can demonstrate the expected returns to the state.

HB 1909 by Representatives Hinkle, Pettigrew, Armstrong, Kessler, Holmquist, Miloscia, Priest, Dunshee, Nixon, Ericks, Williams, Haigh and Anderson

Creating the office of the inspector general.

Creates the office of inspector general within the office of the governor in order to create an independent unit to: (1) Conduct and supervise investigations relating to allegations of fraud; and

(2) Inform the governor and the legislature about vulnerabilities and deficiencies relating to the detection and prevention of fraud as may be discovered as a result of

completed investigations conducted or coordinated by the office.

Designates the office as a criminal justice agency.

Requires the inspector general to submit a report summarizing the activities of the office to the appropriate committees of the senate and house of representatives by November 30, 2005, by November 30, 2006, and by November of every even-numbered year thereafter. The report shall contain only disclosable information, including:

- (1) A description of significant fraud, and of vulnerabilities or deficiencies relating to the prevention and detection of fraud, discovered as a result of investigations completed during the reporting period;

- (2) A description of corrective action taken by government entities regarding fraud discovered as a result of investigations conducted by the office;

- (3) Recommendations for improving the activities of the office with respect to the vulnerabilities or deficiencies identified under this act;

- (4) An identification of each significant recommendation described in the previous reports on which corrective action has or has not been completed; and

- (5) A summary of matters referred to prosecution authorities during the reporting period and the charges filed and convictions entered during the reporting period that have resulted from referrals by the office.

Requires the inspector general to forward a draft of the report to any government entity identified in the report not less than twenty days before the date that the report is to be issued.

Directs the governor to make copies of the report available to the public upon request and at a reasonable cost at the same time the report of the inspector general is provided to legislative committees.

Declares that it is an unfair practice for any employer, employment agency, labor union, government agency, government manager, or government supervisor to discharge, expel, discriminate, or otherwise retaliate against an individual assisting with an office of inspector general investigation under this act, unless the individual has made willful disregard for the truth.

SB 5278-S by Senate Committee on Natural Resources, Ocean & Recreation (originally sponsored by Senators Jacobsen, Kline and Fraser)

Establishing the ocean policy review commission.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Declares that, between 2001 and 2004, two high level commissions, the United States commission on ocean policy and the Pew oceans commission, studied and issued reports documenting the state of our nation's oceans and provided ocean policy recommendations. In response to the final report of the United States commission on ocean policy, the president issued the United States ocean action plan and created the cabinet-level committee on ocean policy in December 2004. Through these actions, the federal government has evidenced an intent to facilitate coordination between federal, state, tribal, local governments, and other interested groups and to provide funding for ocean resources programs and activities.

Declares that an evaluation of the condition of the state's coastal and ocean resources and the development of options for addressing the opportunities and challenges facing these resources will facilitate the adoption of a more efficient and effective ocean policy.

Requires the ocean policy review commission to, upon convening, examine the findings and recommendations of the United States commission on ocean policy and the Pew oceans commission. The commission shall identify ocean and coastal programs currently operating in the state. Additionally, the commission shall identify recommendations from the United States commission on ocean policy and the Pew oceans commission that could be implemented immediately or by December 31, 2006. The commission shall report these findings and

recommendations to the governor and the appropriate policy and fiscal committees of the senate and house of representatives by December 31, 2005.

Directs the governor or the governor's designee to work to secure federal grants and other sources of funding for inclusion in the coastal and ocean resources account during the existence of the ocean policy review commission.

Provides that the governor or the governor's designee, with participation by the members of the ocean policy review commission, shall represent the state in coastal and ocean resources discussions with the federal government, other states, and tribal and local governments during the existence of the ocean policy review commission.

SB 5843 by Senators McAuliffe, Pridemore, Kohl-Welles and Rockefeller

Establishing the college in the high school program.

Finds that: (1) Many high school students who wish to earn college credits are unable to participate in the running start program because they live in areas that do not have local colleges; and some students who would like to earn college credits while in high school do not participate in running start because they do not want to leave their high school campus in order to do so.

(2) Some high schools are currently working with colleges to offer dual credit courses on high school campuses to serve those students. However, there is no established statewide program or funding provided, so rules governing these programs vary and high school students pay varying amounts to cover the colleges' costs of working with high schools to offer the classes.

Declares an intent to establish the college in the high school program as a statewide option for high school students.

Requires the superintendent of public instruction, the state board for community and technical colleges, and the higher education coordinating board to jointly develop and adopt rules governing the college in the high school program. The rules shall be written to encourage the maximum use of the program and shall not narrow or limit the enrollment options.
