Regulating tax refund anticipation loans.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that no person may individually, or in conjunction or cooperation with another person, solicit the execution of, process, receive, or accept an application or agreement for, a refund anticipation loan without first being licensed with the director as a facilitator.

Does not apply to a person doing business as a bank, thrift, industrial bank, savings and loan association, or credit union, under the laws of the United States or of this state.

Declares that this act shall preempt and be exclusive of all local acts, statutes, ordinances, and regulations relating to refund anticipation loans. This act shall be given retroactive and prospective effect.

Requires that, for all refund anticipation loans, a facilitator must provide a clear disclosure statement to the borrower, prior to the borrower's completion of the application. The disclosure statement required under this subsection must be printed in a minimum of ten-point type.

Further, the disclosure statement must contain the following: (1) The refund anticipation loan fee schedule; and

(2) A written statement containing the following elements: (a) That a refund anticipation loan is a loan, and is not the borrower's actual income tax refund; (b) that the taxpayer can file an income tax return electronically without applying for a refund anticipation loan; (c) the average times according to the internal revenue service within which a taxpayer who does not obtain a refund anticipation loan can expect to receive a refund if the taxpayer's return is (1) filed electronically and the refund is directly deposited to the taxpayer's bank account or mailed to the taxpayer, and (2) mailed to the internal revenue service and the refund is directly deposited to the taxpayer's bank account or mailed to the taxpayer; (d) that the internal revenue service does not guarantee that it will pay the full amount of the anticipated refund and it does not guarantee a specific date that a refund will be deposited into a taxpayer's financial institution account or mailed to a taxpayer; (e) that the borrower is responsible for repayment of the loan and related fees in the event that the tax refund is not paid or paid in full; (f) the estimated time within which the loan proceeds will be paid to the borrower if the loan is approved; and (g) the fee that will be charged, if any, if the borrower's loan is not approved.

Provides that a borrower may rescind a loan, on or before the close of business on the next day of business at the location where the loan was originated, by returning the principal in cash or the original check disbursed by the facilitator to fund the refund anticipation loan.

Provides that it is unlawful for a facilitator of a refund anticipation loan to engage in any of the following activities: (1) Misrepresent a material factor or condition of a refund anticipation loan;

(2) Fail to process the application for a refund anticipation loan promptly after the consumer applies for the loan;

(3) Engage in any dishonest, fraudulent, unfair, unconscionable, or unethical practice or conduct in connection with a refund anticipation loan;

(4) Arrange for a creditor to take a security interest in any property of the consumer other than the proceeds of the consumer's tax refund to secure payment of the loan;

(5) Impose charges, fees, or other consideration for a refund anticipation loan. This does not preclude any charge, fee, or other consideration usually imposed by the facilitator in the ordinary course of business for nonloan services, such as fees for tax return preparation and fees for electronic filing of tax returns;

(6) Offer a refund anticipation loan that exceeds the amount of the anticipated tax refund less any refund anticipation loan fees; and

(7) Act as a facilitator unless they are authorized as an electronic return originator by the internal revenue service at the time.

Declares that any person who knowingly and willfully violates this act is guilty of a misdemeanor and shall be fined up to five hundred dollars for each offense.

Prohibiting the sale of products that contain polybrominated diphenyl ethers.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that a manufacturer of products containing a polybrominated diphenyl ether that has been restricted under this act must, once the restriction takes effect, notify persons that sell the manufacturer's products about the provisions of this act.

Does not apply to: (1) The manufacture, sale, repair, or distribution of any raw material or component part used in a transportation vehicle or any new transportation vehicle with component parts, including original parts and spare parts, containing decabromodiphenylether;

(7) The manufacture, sale, or distribution of any new product or product component consisting of recycled or used materials containing decabromodiphenylether. Products containing any new polybrominated diphenyl ethers do not qualify for this exemption.

Authorizes the governor to, by executive order, allow for the manufacture, sale, and distribution of products containing the polybrominated diphenyl ether deca-bde between July 1, 2006, and July 1, 2008, if the governor finds that a technically feasible alternative to the use of decabromodiphenylether is not available at reasonable cost or that the potential harm to public health and the environment directly posed by a technically feasible and available alternative is greater than the potential harm posed by decabromodiphenylether.

Provides that, subject to available funding, the department and the department of health shall conduct two separate stakeholder processes to develop a proposal for a ban on the use of decabromodiphenylether in transportation vehicles, and to develop a proposal for the ban or management of used and recycled products containing polybrominated diphenyl ethers.

Directs the department and the department of health to report the findings and recommendations of the stakeholder process regarding the ban on the use of decabromodiphenylether and the education and assistance for retailers to the appropriate committees of the legislature

by December 15, 2005.

**HB 1605-S** by House Committee on Natural Resources, Ecology & Parks (originally sponsored by Representatives Upthegrove, Dickerson, Schual-Berke, Cody, McDermott, Hunter, B. Sullivan, Simpson, Morrell, Murray, Chase, Roberts, Kenney and Santos)

Protecting children from area-wide soil contamination.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Finds that emissions from metal smelters, the use of lead arsenate pesticides, the combustion of leaded gasoline, and other sources have contributed to arsenic and lead soil contamination covering dispersed areas in the state.

Finds it in the public interest to expedite measures to protect children's health by increasing awareness of the potential for elevated levels of arsenic and lead contamination, conduct soil testing at schools and child care facilities, and provide technical and financial assistance to implement mitigation measures that reduce the risk of exposure.

Directs the department, in cooperation with the department of social and health services and the department of health, to assist schools and child care facilities within child use prioritization areas to reduce the potential for children's exposure to area-wide soil contamination.

Requires the department to: (1) Define child use prioritization areas based on available information;

(2) Conduct qualitative evaluations to determine the potential for children's exposure to area-wide soil contamination by December 31, 2006;

(3) If the qualitative evaluation determines that children may be routinely exposed to area-wide soil contamination at a property, conduct soil samples at that property by December 31, 2008; and

(4) If soil sample results confirm the presence of area-wide soil contamination, notify schools and child care facilities regarding the test results and the steps necessary for implementing a property specific public health plan.

Provides that, if a school or a child care facility with area-wide soil contamination does not implement a property specific public health plan within six months of receiving written notification from the department, the superintendent or board of directors of a school or the owner or operator of a child care facility must notify parents and guardians in writing of the results of soil tests. The written notice shall be prepared by the department.

Directs the department to assist schools and owners and operators of child care facilities in area-wide soil contamination zones.

Authorizes the department, within available funds, to provide grants to schools and child care facilities for the purpose of implementing property specific public health plans using best management practices.

Authorizes the department, within available funds, to provide financial assistance to the department of health and the department of social and health services to implement this act.

Concerning the construction of bridges and trestles over tidelands, shorelands, and harbor areas of the state. Revised for 1st Substitute: Concerning the construction of bridges and trestles.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that counties, cities, towns, and other municipalities shall have the right to construct bridges and trestles across waterways heretofore or hereafter laid out under the authority of the state of Washington, and over and across any tide or shore lands and harbor areas of the state adjacent thereto over which the projected line or lines of highway will run, if such bridges or trestles are constructed in good faith for the purpose of being made a part of the constructed line of such a highway, upon payment for any natural resource damages to those aquatic lands affected not already covered by an approved state or federal regulatory mitigation plan. Such a right shall be granted by easement and no charge may be made to the county, city, town, or other municipality, for such an easement. Provides that the department may recover only its reasonable direct administrative costs incurred in processing and approving the request or application, and reviewing plans for construction of the bridge or trestle.

Provides that, by December 1, 2008, the department must deliver a report to the legislature regarding the collection of administrative fees as described in this act.

Changing the tax exemptions for machinery and equipment used to reduce agricultural burning.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Repeals and narrows tax incentives for machinery and equipment used to reduce agricultural burning of cereal grains and grass grown for seed for air quality purposes.

Finds that rules enacted to improve air quality in

selected parts of eastern Washington created a financial hardship for some growers of cereal grains and grass grown for seed. The legislature provided tax incentives in 2000 to assist such growers transition to alternative management systems while further improving air quality. Because those incentives have been difficult to administer, the legislature finds that it is necessary to refine and narrow those incentives.

Repeals RCW 82.08.840, 82.12.840, 82.04.4459, and 84.36.580.

Concerning health insurance policy mandates.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Directs the office of the insurance commissioner to contract for an independent health care actuarial review of all existing health care coverage statutory requirements. The review shall determine the cost of including the statutory requirements in a health plan, including the premium cost per member per month; an assessment of the cost-benefit ratio of the statutory requirement and whether the statutory requirement can be correlated to savings in other services; and an assessment of whether market demand has already resulted in inclusion of current statutory requirements in a significant number of health benefit plans in states that do not have such statutory requirements.

Requires an interim report to appropriate committees of the legislature on December 1, 2005, and a final report submitted by December 1, 2006.

**HB 2156-S** by House Committee on Children & Family Services (originally sponsored by Representatives Hinkle, Kagi, Nixon, Pettigrew, McDonald, Dickerson, Pearson, Springer, Rodne and Williams)

Regarding dependency and termination of parental rights.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Recognizes the importance of maintaining the family unit and the significance of the relationship between a child and a parent. However, when a parent demonstrates an inability to care for his or her child, the state must act to protect the child.

Finds that when a child has been removed from the care of a parent who has demonstrated his or her inability to care for the child, it is not appropriate to return the child to the parent unless there is sufficient evidence that the child will be cared for and protected.

Finds that if the parent continues to demonstrate an inability or unwillingness to correct the deficiencies which led to the removal of the child, the child must not be placed in a situation in which he or she must live with uncertainty in his or her future.

Finds that there must be limitations upon the time a parent may be given to correct his or her parental deficiencies and that a parent must not be given repeated opportunities to have the child returned home when it is at the expense of the safety and stability of the child.

Requires the office of financial management to prepare a fiscal note under chapter 43.88A RCW for any bill introduced before the legislature that would result in a net

increase in periods of incarceration in state adult or juvenile correctional facilities.

Requires the office of financial management to prepare a fiscal note under chapter 43.132 RCW for any bill introduced before the legislature that would result in a net increase in periods of incarceration in local adult or juvenile correctional facilities.

Protecting homeowners who hire contractors to remodel or build their homes.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Finds that the vast majority of contractors engaged in the business of constructing or remodeling owner-occupied single-family homes are both technically proficient in their trade and able to manage their business dealings in accordance with the highest standards.

Finds, however, that in those relatively few, but all-too-frequent, instances where prime contractors on such construction or remodeling projects intentionally or unintentionally mismanage payments received from homeowners that are intended for subcontractors, suppliers, and others, existing provisions are inadequate to protect homeowners. Additionally, the toll on an individual homeowner's personal economic and emotional condition that such financial mismanagement by this small fraction of prime contractors is not adequately balanced against the responsibilities, obligations, and possible penalties that contractors bear for such mismanagement.

Finds that it is necessary to: (1) Clearly establish that prime contractors have a duty to properly manage funds received from homeowners that are intended for suppliers, subcontractors, and others, and to hold those who fail in this

duty personally responsible for such financial mismanagement;

(2) Increase awareness by homeowners to the potential for liens against their residence if contractors fail to pay suppliers and subcontractors as promised;

(3) Clarify the right of homeowners to require that prime contractors maintain deposits and other similar payments in a trust account for the homeowner, when the homeowner elects to do so; and

(4) Increase opportunities for homeowners to become better educated about ways to protect themselves from financial mismanagement by those few contractors who are unable or unwilling to meet the financial management standards set by the vast majority of residential contractors in this state.

Declares an intent that liabilities of contractors and subcontractors arising from mismanagement of funds received from or for the benefit of homeowners should be disfavored by courts addressing whether or not such liabilities should be dischargeable in bankruptcy. If the mismanagement rises to the level of criminal conduct, nothing in this act is intended to interfere with criminal prosecution.

Requiring pay equity for community and technical college part-time faculty.

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Finds that Washington's community and technical college system is among the most successful in the nation, enrolling more than sixty percent of postsecondary students and geographically dispersed across the state to offer maximum opportunity for residents to pursue basic skills, academic transfer, work force training, and personal enrichment.

Finds that part-time and adjunct faculty play a significant role in the success of the colleges, teaching nearly half of the overall instructional workload.

Recognizes that in 1996, the legislature directed the state board for community and technical colleges to conduct a best practices audit on compensation practices and working conditions for part-time faculty. The best practices task force developed a ten-year plan to improve the salaries, benefits, working conditions, and ratios of part-time to full-time faculty in the college system. Among the goals of the plan was to reach, at the end of ten years, a level of pay equity for part-time faculty. Although state investments have been made in the intervening years, the goal has not been met.

Declares that, as the ten-year anniversary of the best practices task force approaches, the legislature reaffirms its commitment to part-time faculty at community and technical colleges and to the goals of the best practices task force.

Declares it is the goal of the legislature in the 2005-07, 2007-09, and 2009-11 fiscal biennia, to provide sufficient funding within available funds to the community and technical colleges for the colleges to implement and maintain one hundred percent pro rata pay for part-time faculty. Salary schedules implemented under this act are subject to local collective bargaining.
