

2SSB 5930 - S AMD to S AMD (S2717.2) **162**
By Senator Pflug

ADOPTED 3/9/2007

1 On page 16, line 19, after "coverage." insert "(3) In coordination
2 with the health care authority, the departments shall design and
3 implement a medical home for chronically ill state employees enrolled
4 in the state's self-insured uniform medical plan. Programs must be
5 evidence based, facilitating the use of information technology to
6 improve quality of care and must improve coordination of primary,
7 acute, and long-term care for those enrollees with multiple chronic
8 conditions. The agencies shall consider expansion of existing medical
9 home and chronic care management programs. The agencies shall use best
10 practices in identifying those employees best served under a chronic
11 care management model using predictive modeling through claims or other
12 health risk information."

13 Renumber the sections consecutively and correct any internal
14 references accordingly.

--- END ---

EFFECT: Expands the requirement for DSHS and DOH to design and implement a chronic care model for the aged, blind and disabled program, and adds coordination with HCA to design and implement chronic care for the UMP.
