HOUSE COMMITTEE ON FINANCE

Majority Report: Do pass. Signed by 9 members: Representatives Hunter, Chair; Hasegawa, Vice Chair; Orcutt, Ranking Minority Member; Condotta, Assistant Ranking Minority Member; Conway, Ericks, McIntire, Roach and Santos.

Staff: Don Taylor (786-7388).

Background:

The leasehold excise tax applies to publicly-owned property which is leased to private entities. The purpose of the tax is to recognize that public property is not subject to property taxes; without the in lieu excise tax such lessees would enjoy a tax advantage over competitors located on real property which they own. The combined state and local government leasehold excise tax rate is 12.84 percent of the contract rental payment (or fair market value of the lease).

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

In 2005 the Legislature enacted a leasehold excise tax exemption, targeted toward an amphitheater facility located in Clark County. The facility must be located in a county with a population of at least 350,000 but no greater than 425,000.

This facility opened in the city of Ridgefield in July of 2003.

The current population of Clark County is 415,000 as of April 1, 2007. The population of the county will likely exceed the 425,000 limitation by 2008 or 2009.

Summary of Bill:

The population parameters in the statute remain unchanged. However, the law is amended to specify that the county population had to be within the indicated range at the time the facility first opened to the public.

The facility opened to the public in July of 2003, at which time the population of Clark County was 372,300.

Appropriation: None.

Fiscal Note: Available.

Effective Date: The bill takes effect 90 days after adjournment of session in which bill is passed.

Staff Summary of Public Testimony: (In support) The only speaker voiced his support for the bill. The amphitheater in Clark County is in jeopardy of losing its leasehold tax exemption, if the population references are not updated.

(Opposed) None.

Persons Testifying: Joe King.
