

SSB 5698 - S AMD TO S AMD (S-4089.3/10) 108

By Senator Delvin

1 On page 4, line 23 of the amendment, after "soil scientist,"  
2 insert "or"

3

4 On page 4, beginning on line 23 of the amendment, after "wetland  
5 scientist" strike all material through "chapter" on line 26

6

7 On page 5, beginning on line 3 of the amendment after "**Sec.4.**"  
8 strike all material through "negligence." on line 5 and insert  
9 "Whether a person or entity retains the services of persons certified  
10 under this chapter to provide analysis or advice on soil science or  
11 wetland science is not admissible in an action for damages or  
12 negligence nor shall it be evidence of noncompliance in an action by  
13 state, local, or federal governments to enforce an order or  
14 regulation."

EFFECT: Removes the provision making it unlawful to use a title  
conveying the impression that the person is a state-certified soil  
scientist or state-certified wetland scientist unless the person  
has received the appropriate certification under this chapter.

18

19 Whether a person retains a certified soil or wetland scientist to  
20 provide analysis or advice is not admissible in an action for  
21 damages or negligence and is not evidence of noncompliance in an  
action by state, local, or federal governments to enforce an order  
or regulation.
