WHEREAS, The arts, including dance, music, theatre, and visual arts, are defined as a core content area in Washington state's definition of basic education, and considered an essential component of the complete and balanced education that should be provided for all students; and

WHEREAS, Learning in and through the arts enables students to develop critical thinking and problem-solving skills, imagination and creativity, discipline, alternative ways to communicate and express feelings and ideas, and cross-cultural understanding, which supports academic success across the curriculum as well as personal growth outside the classroom; and

WHEREAS, Imagination and creativity are increasingly understood as critical capacities needed for success in life in the 21st century and enables students to be globally competitive, and students develop these abilities through meaningful learning in the arts; and

WHEREAS, The arts can bring every academic subject to life and the integration of the arts within the broader academic curriculum, including reading, mathematics, science, and social studies, can enhance student engagement, extend student learning, and deepen student understanding of all the academic content areas; and

WHEREAS, The arts can transform our schools into havens of creativity and exploration, places where students want to learn, teachers want to teach, and all members of the learning community are more engaged and motivated; and

WHEREAS, We applaud the efforts and dedication of educators and advocates around the state, and we call for school and community leaders to continue to broaden and strengthen their arts education focus in order to ensure equity of access to arts learning for all students;

NOW, THEREFORE, BE IT RESOLVED, That the Washington State Senate acknowledge that May 2010 is recognized by the Governor as Arts Education Month in Washington State, and all communities are encouraged to celebrate the arts with meaningful activities and programs for students, teachers, and the public that demonstrate learning and understanding in the arts, and all citizens are urged to become interested in and give full support to quality school arts programs for children and youth; and
