

SB 5691-S - DIGEST

(SUBSTITUTED FOR - SEE 2ND SUB)

Declares an intent to: (1) Begin the process of improving the recreational boating programs of the state of Washington by: (a) quantifying the various individual program needs; (b) reviewing boating revenues and expenditures; (c) developing program standards and expectations; and (d) providing options for increasing administrative efficiencies;

(2) Both increase opportunities for and enjoyment of recreational boating;

(3) Reduce boating fatalities and injuries; and

(4) Increase the general safety of Washington's waterways.
