

SB 6244-S.E - DIGEST

(AS OF SENATE 2ND READING 2/15/10)

Requires the state building code council to: (1) Adopt rules to define green home and energy efficient home for certain dwelling units;

(2) Review certain local and national green building and energy efficiency programs, standards, and codes;

(3) Evaluate the feasibility of creating a residential energy code appendix that is consistent with the state energy code for local jurisdictions to adopt by reference; and

(4) Identify and evaluate the impacts to local jurisdictions required to implement the act.
