

SB 6504-S2.E - DIGEST

(DIGEST AS ENACTED)

Reduces benefits under the crime victims' compensation program.

Creates the crime victims' compensation account and requires certain moneys from inmate accounts and criminal profiteering recovery actions to be deposited into the account.

Requires the department of labor and industries to, within current funding levels, post on its public website a report showing the total amount of: (1) Current funding available in the crime victims' compensation account;

(2) Funding disbursed to victims in the previous thirty days; and

(3) Overhead and administrative costs paid in the previous thirty days.
