

SJM 8016 - DIGEST

Requests the United States Government to: (1) Divest the American people from all private-sector corporate entities that received bailout funds as soon as is practically possible;

(2) Reduce the size of government to its proper constitutional size by limiting its functions to its proper constitutional role;

(3) Reduce marginal tax rates to spur economic growth; and

(4) Reject all further attempts to redistribute wealth through the tax code or by any other means.
