The facility shall also provide on-site training to biological, adoptive, or foster parents. The facility shall provide at least three months of consultation and support to parents accepting placement of children from the facility. The facility may recruit new and current foster and adoptive parents for infants served by the facility. The

1 department shall not require case management as a condition of the

3 (2) \$369,000 of the general fund--state appropriation for fiscal
4 year 2010, (~~(\$366,000)~~) \$343,000 of the general fund--state

21 department shall collaborate with providers to maintain no less than
22 forty-five beds that are geographically representative of the state.
23 The department shall examine current secure crisis residential staffing
24 requirements, flexible payment options, center specific waivers, and
25 other appropriate methods to accomplish this outcome.

26 (4) A maximum of (~~(\$73,209,000)~~) \$69,190,000 of the general fund--

14 medical condition worsens or is threatened.

15 (c) The department is encouraged to use performance-based contracts
16 with incentives directly tied to outcomes described in this section.

34 shall establish a measurable goal and report progress toward meeting
35 that goal to the legislature by January 15 of each fiscal year of the
36 2009- 11 fiscal biennium. To the extent that actual caseloads exceed
37 those assumed in this section, it is the intent of the legislature to

1 address those issues in a manner similar to all other caseload
2 programs.

18 (3) \$3,716,000 of the general fund--state appropriation for fiscal

30 offenders. The juvenile rehabilitation administration shall award
31 these moneys on a competitive basis to counties that submitted a plan
32 for the provision of services approved by the division of alcohol and
33 substance abuse. The juvenile rehabilitation administration shall
34 develop criteria for evaluation of plans submitted and a timeline for
35 awarding funding and shall assist counties in creating and submitting
36 plans for evaluation.

37 (5) \$3,066,000 of the general fund--state appropriation for fiscal
38 year 2010 and (~~(\$3,066,000)~~) \$2,873,000 of the general fund--state

5 Prison Construction, Criminal Justice Costs and Crime Rates":
6 Functional family therapy, multi-systemic therapy, aggression
7 replacement training and interagency coordination programs, or other
8 programs with a positive benefit-cost finding in the institute's
9 report. County juvenile courts shall apply to the juvenile
10 rehabilitation administration for funding for program-specific
11 participation and the administration shall provide grants to the courts
12 consistent with the per-participant treatment costs identified by the
13 institute.

14 (6) \$1,287,000 of the general fund--state appropriation for fiscal
15 year 2010 and \$1,287,000 of the general fund--state appropriation for

21 Rates": Multidimensional treatment foster care, family integrated
22 transitions, and aggression replacement training. The administration
23 may concentrate delivery of these treatments and therapies at a limited
24 number of programs to deliver the treatments in a cost-effective
25 manner.

26 (7)(a) For the fiscal year ending June 30, 2011, the juvenile
27 rehabilitation administration shall administer a block grant, rather
28 than categorical funding, of consolidated juvenile service funds,
29 community juvenile accountability act grants, the chemical dependency
30 disposition alternative funds, the mental health disposition
31 alternative, and the sentencing disposition alternative for the purpose
32 of serving youth adjudicated in the juvenile justice system. In making
33 the block grant, the juvenile rehabilitation administration shall
34 follow the following formula and will prioritize evidence-based
35 programs and disposition alternatives and take into account juvenile
36 courts program-eligible youth in conjunction with the number of youth
37 served in each approved evidence-based program or disposition
38 alternative: (i) Thirty-seven and one-half percent for the at-risk

1 population of youth ten to seventeen years old; (ii) fifteen percent
2 for moderate and high-risk youth; (iii) twenty-five percent for
3 evidence-based program participation; (iv) seventeen and one-half
4 percent for minority populations; (v) three percent for the chemical
5 dependency disposition alternative; and (vi) two percent for the mental
6 health and sentencing dispositional alternatives. Funding for the
7 special sex offender disposition alternative (SSODA) shall not be
8 included in the block grant, but allocated on the average daily
9 population in juvenile courts. Funding for the evidence-based
10 expansion grants shall be excluded from the block grant formula. Funds
11 may be used for promising practices when approved by the juvenile
12 rehabilitation administration and juvenile courts, through the
13 community juvenile accountability act committee, based on the criteria
14 established in consultation with Washington state institute for public
15 policy and the juvenile courts.

16 (b) It is the intent of the legislature that the juvenile
17 rehabilitation administration phase the implementation of the formula
18 provided in subsection (1) of this section by including a stop-loss
19 formula of three percent in fiscal year 2011, five percent in fiscal
20 year 2012, and five percent in fiscal year 2013. It is further the
21 intent of the legislature that the evidence-based expansion grants be
22 incorporated into the block grant formula by fiscal year 2013 and SSODA
23 remain separate unless changes would result in increasing the cost
24 benefit savings to the state as identified in (c) of this subsection.

25 (c) The juvenile rehabilitation administration and the juvenile
26 courts shall establish a block grant funding formula oversight
27 committee with equal representation from the juvenile rehabilitation
28 administration and the juvenile courts. The purpose of this committee
29 is to assess the ongoing implementation of the block grant funding
30 formula, utilizing data-driven decision making and the most current
31 available information. The committee will be cochaired by the juvenile
32 rehabilitation administration and the juvenile courts, who will also
33 have the ability to change members of the committee as needed to
34 achieve its purpose. Initial members will include one juvenile court
35 representative from the finance committee, the community juvenile
36 accountability act committee, the risk assessment quality assurance
37 committee, the executive board of the Washington association of
38 juvenile court administrators, the Washington state center for court

1 research, and a representative of the superior court judges
2 association; two representatives from the juvenile rehabilitation
3 administration headquarters program oversight staff, two
4 representatives of the juvenile rehabilitation administration regional
5 office staff, one representative of the juvenile rehabilitation
6 administration fiscal staff and a juvenile rehabilitation
7 administration division director. The committee may make changes to
8 the formula categories other than the evidence-based program and
9 disposition alternative categories if it is determined the changes will
10 increase statewide service delivery or effectiveness of evidence-based
11 program or disposition alternative resulting in increased cost benefit
12 savings to the state. Long-term cost benefit must be considered.
13 Percentage changes may occur in the evidence-based program or
14 disposition alternative categories of the formula should it be
15 determined the changes will increase evidence-based program or
16 disposition alternative delivery and increase the cost benefit to the
17 state. These outcomes will also be considered in determining when
18 evidence-based expansion or special sex offender disposition
19 alternative funds should be included in the block grant or left
20 separate.

21 (d) The juvenile courts and administrative office of the courts
22 shall be responsible for collecting and distributing information and
23 providing access to the data systems to the juvenile rehabilitation
24 administration and the Washington state institute for public policy
25 related to program and outcome data. The juvenile rehabilitation
26 administration and the juvenile courts will work collaboratively to
27 develop program outcomes that reinforce the greatest cost benefit to
28 the state in the implementation of evidence-based practices and
29 disposition alternatives.

30 (e) By December 1, 2010, the Washington state institute for public
31 policy shall report to the office of financial management and
32 appropriate committees of the legislature on the administration of the
33 block grant authorized in this subsection. The report shall include
34 the criteria used for allocating the funding as a block grant and the
35 participation targets and actual participation in the programs subject
36 to the block grant.

37 (8) \$3,700,000 of the Washington auto theft prevention authority
38 account--state appropriation is provided solely for competitive grants

1 to community-based organizations to provide at-risk youth intervention
2 services, including but not limited to, case management, employment
3 services, educational services, and street outreach intervention
4 programs. Projects funded should focus on preventing, intervening, and
5 suppressing behavioral problems and violence while linking at-risk
6 youth to pro-social activities. The department may not expend more
7 than \$1,850,000 per fiscal year. The costs of administration must not
8 exceed four percent of appropriated funding for each grant recipient.
9 Each entity receiving funds must report to the juvenile rehabilitation
10 administration on the number and types of youth served, the services
11 provided, and the impact of those services upon the youth and the
12 community.

13 (9) The appropriations in this section assume savings associated
14 with the transfer of youthful offenders age eighteen or older whose
15 sentences extend beyond age twenty-one to the department of corrections
16 to complete their sentences. Prior to transferring an offender to the
17 department of corrections, the juvenile rehabilitation administration
18 shall evaluate the offender to determine the offender's physical and
19 emotional suitability for transfer.

20 (10) The department shall cease planning for closure and shall not
21 close the maple lane facility during the current biennium.

22 **Sec. 203.** 2010 2nd sp.s. c 1 s 203 (uncodified) is amended to read

35	TOTAL APPROPRIATION	((\$1,091,784,000))
36		<u>\$1,071,849,000</u>

1 The appropriations in this subsection are subject to the following
2 conditions and limitations:

3 (a) \$113,689,000 of the general fund--state appropriation for
4 fiscal year 2010 and (~~(\$113,689,000)~~) \$96,023,000 of the general fund--
5 state appropriation for fiscal year 2011 are provided solely for
6 persons and services not covered by the medicaid program. This is a
7 reduction of \$11,606,000 each fiscal year from the nonmedicaid funding
8 that was allocated for expenditure by regional support networks during
9 fiscal year 2009 prior to supplemental budget reductions. This
10 \$11,606,000 reduction shall be distributed among regional support
11 networks proportional to each network's share of the total state
12 population. To the extent possible, levels of regional support network
13 spending shall be maintained in the following priority order: (i)
14 Crisis and commitment services; (ii) community inpatient services; and
15 (iii) residential care services, including personal care and emergency
16 housing assistance.

17 (b) \$10,400,000 of the general fund--state appropriation for fiscal
18 year 2010, (~~(\$9,100,000)~~) \$8,528,000 of the general fund--state
19 appropriation for fiscal year 2011, and \$1,300,000 of the general
20 fund--federal appropriation are provided solely for the department and
21 regional support networks to contract for implementation of high-
22 intensity program for active community treatment (PACT) teams. The
23 department shall work with regional support networks and the center for
24 medicare and medicaid services to integrate eligible components of the
25 PACT service delivery model into medicaid capitation rates no later
26 than January 2011, while maintaining consistency with all essential
27 elements of the PACT evidence-based practice model.

28 (c) \$6,500,000 of the general fund--state appropriation for fiscal
29 year 2010 and (~~(\$6,500,000)~~) \$6,091,000 of the general fund--state
30 appropriation for fiscal year 2011 are provided solely for the western
31 Washington regional support networks to provide either community- or
32 hospital campus-based services for persons who require the level of
33 care provided by the program for adaptive living skills (PALS) at
34 western state hospital.

35 (d) The number of nonforensic beds allocated for use by regional
36 support networks at eastern state hospital shall be 192 per day. The
37 number of nonforensic beds allocated for use by regional support
38 networks at western state hospital shall be 617 per day during the

1 first quarter of fiscal year 2010, (~~and~~) 587 per day through the
2 second quarter of fiscal year 2011, and 557 per day thereafter. Beds
3 in the program for adaptive living skills (PALS) are not included in
4 the preceding bed allocations. The department shall separately charge
5 regional support networks for persons served in the PALS program.

6 (e) From the general fund--state appropriations in this subsection,
7 the secretary of social and health services shall assure that regional
8 support networks reimburse the aging and disability services
9 administration for the general fund--state cost of medicaid personal
10 care services that enrolled regional support network consumers use
11 because of their psychiatric disability.

12 (f) \$4,582,000 of the general fund--state appropriation for fiscal
13 year 2010 and \$4,582,000 of the general fund--state appropriation for
14 fiscal year 2011 are provided solely for mental health services for
15 mentally ill offenders while confined in a county or city jail and for
16 facilitating access to programs that offer mental health services upon
17 release from confinement.

18 (g) The department is authorized to continue to contract directly,
19 rather than through contracts with regional support networks, for
20 children's long-term inpatient facility services.

21 (h) \$750,000 of the general fund--state appropriation for fiscal
22 year 2010 and (~~(\$750,000)~~) \$703,000 of the general fund--state
23 appropriation for fiscal year 2011 are provided solely to continue
24 performance-based incentive contracts to provide appropriate community
25 support services for individuals with severe mental illness who were
26 discharged from the state hospitals as part of the expanding community
27 services initiative. These funds will be used to enhance community
28 residential and support services provided by regional support networks
29 through other state and federal funding.

30 (i) \$1,500,000 of the general fund--state appropriation for fiscal
31 year 2010 and (~~(\$1,500,000)~~) \$1,125,000 of the general fund--state
32 appropriation for fiscal year 2011 are provided solely for the Spokane
33 regional support network to implement services to reduce utilization
34 and the census at eastern state hospital. Such services shall include:

35 (i) High intensity treatment team for persons who are high
36 utilizers of psychiatric inpatient services, including those with co-
37 occurring disorders and other special needs;

1 (ii) Crisis outreach and diversion services to stabilize in the
2 community individuals in crisis who are at risk of requiring inpatient
3 care or jail services;

4 (iii) Mental health services provided in nursing facilities to
5 individuals with dementia, and consultation to facility staff treating
6 those individuals; and

7 (iv) Services at the sixteen-bed evaluation and treatment facility.

8 At least annually, the Spokane regional support network shall
9 assess the effectiveness of these services in reducing utilization at
10 eastern state hospital, identify services that are not optimally
11 effective, and modify those services to improve their effectiveness.

12 (j) The department shall return to the Spokane regional support
13 network fifty percent of the amounts assessed against the network
14 during the last six months of calendar year 2009 for state hospital
15 utilization in excess of its contractual limit. The regional support
16 network shall use these funds for operation during its initial months
17 of a new sixteen-bed evaluation and treatment facility that will enable
18 the network to reduce its use of the state hospital, and for diversion
19 and community support services for persons with dementia who would
20 likely otherwise require care at the state hospital.

21 (k) The department is directed to identify and implement program
22 efficiencies and benefit changes in its delivery of medicaid managed-
23 care services that are sufficient to operate within the state and
24 federal appropriations in this section. Such actions may include but
25 are not limited to methods such as adjusting the care access standards;
26 improved utilization management of ongoing, recurring, and high-
27 intensity services; and increased uniformity in provider payment rates.
28 The department shall ensure that the capitation rate adjustments
29 necessary to accomplish these efficiencies and changes are distributed
30 uniformly and equitably across all regional support networks statewide.
31 The department is directed to report to the relevant legislative fiscal
32 and policy committees at least thirty days prior to implementing rate
33 adjustments reflecting these changes.

34 (l) In developing the new medicaid managed care rates under which
35 the public mental health managed care system will operate during the
36 five years beginning in fiscal year 2011, the department should seek to
37 estimate the reasonable and necessary cost of efficiently and
38 effectively providing a comparable set of medically necessary mental

1 health benefits to persons of different acuity levels regardless of
2 where in the state they live. Actual prior period spending in a
3 regional administrative area shall not be a key determinant of future
4 payment rates. The department shall report to the office of financial
5 management and to the relevant fiscal and policy committees of the
6 legislature on its proposed new waiver and mental health managed care
7 rate-setting approach by October 1, 2009, and again at least sixty days
8 prior to implementation of new capitation rates.

9 (m) In implementing the new public mental health managed care
10 payment rates for fiscal year 2011, the department shall to the maximum
11 extent possible within each regional support network's allowable rate
12 range establish rates so that there is no increase or decrease in the
13 total state and federal funding that the regional support network would
14 receive if it were to continue to be paid at its October 2009 through
15 June 2010 rates. The department shall additionally revise the draft
16 rates issued January 28, 2010, to more accurately reflect the lower
17 practitioner productivity inherent in the delivery of services in
18 extremely rural regions in which a majority of the population reside in
19 frontier counties, as defined and designated by the national center for
20 frontier communities.

21 (n) \$1,529,000 of the general fund--state appropriation for fiscal
22 year 2010 and \$1,529,000 of the general fund--state appropriation for
23 fiscal year 2011 are provided solely to reimburse Pierce and Spokane
24 counties for the cost of conducting 180-day commitment hearings at the
25 state psychiatric hospitals.

26 (o) The legislature intends and expects that regional support
27 networks and contracted community mental health agencies shall make all
28 possible efforts to, at a minimum, maintain current compensation levels
29 of direct care staff. Such efforts shall include, but not be limited
30 to, identifying local funding that can preserve client services and
31 staff compensation, achieving administrative reductions at the regional
32 support network level, and engaging stakeholders on cost-savings ideas
33 that maintain client services and staff compensation. For purposes of
34 this section, "direct care staff" means persons employed by community
35 mental health agencies whose primary responsibility is providing direct
36 treatment and support to people with mental illness, or whose primary
37 responsibility is providing direct support to such staff in areas such

1 as client scheduling, client intake, client reception, client records-
2 keeping, and facilities maintenance.

3 (p) Regional support networks may use local funds to earn
4 additional federal medicaid match, provided the locally matched rate
5 does not exceed the upper-bound of their federally allowable rate
6 range, and provided that the enhanced funding is used only to provide
7 medicaid state plan or waiver services to medicaid clients.
8 Additionally, regional support networks may use a portion of the state
9 funds allocated in accordance with (a) of this subsection to earn
10 additional medicaid match, but only to the extent that the application
11 of such funds to medicaid services does not diminish the level of
12 crisis and commitment, community inpatient, residential care, and
13 outpatient services presently available to persons not eligible for
14 medicaid.

 7 increase as a result of the revised commitment standards; (ii) the
 8 availability of community treatment capacity to accommodate that
 9 increase; (iii) strategies for cost-effectively leveraging state,
 10 local, and private resources to increase community involuntary
 11 treatment capacity; and (iv) the extent to which increases in

5 The appropriations in this subsection are subject to the following
6 conditions and limitations:

7 (a) Individuals receiving services as supplemental security income
8 (SSI) state supplemental payments shall not become eligible for medical
9 assistance under RCW 74.09.510 due solely to the receipt of SSI state
10 supplemental payments.

11 (b)(i) Amounts appropriated in this section reflect a reduction to
12 funds appropriated for in-home care. The department shall reduce the
13 number of in-home hours authorized. The reduction shall be scaled
14 based on the acuity level of care recipients. The largest hour
15 reductions shall be to lower acuity patients and the smallest hour
16 reductions shall be to higher acuity patients. In doing so, the
17 department shall comply with all maintenance of effort requirements
18 contained in the American reinvestment and recovery act.

19 (ii) \$508,000 of the general fund--state appropriation for fiscal
20 year 2011 and \$822,000 of the general fund--federal appropriation are
21 provided solely for the department to partially restore the reductions
22 to in-home care that are taken in (b)(i) of this subsection. The
23 department will use the same formula to restore personal care hours
24 that it used to reduce personal care hours.

25 (c) Amounts appropriated in this section are sufficient to develop
26 and implement the use of a consistent, statewide outcome-based vendor
27 contract for employment and day services by April 1, 2011. The rates
28 paid to vendors under this contract shall also be made consistent. In
29 its description of activities the agency shall include activity
30 listings and dollars appropriated for: Employment services, day
31 services, child development services and county administration of
32 services to the developmentally disabled. The department shall begin
33 reporting to the office of financial management on these activities
34 beginning in fiscal year 2010.

35 (d) \$302,000 of the general fund--state appropriation for fiscal
36 year 2010, \$831,000 of the general fund--state appropriation for fiscal
37 year 2011, and \$1,592,000 of the general fund--federal appropriation
38 are provided solely for health care benefits pursuant to a collective

1 bargaining agreement negotiated with the exclusive bargaining
2 representative of individual providers established under RCW
3 74.39A.270.

4 (e)(i) \$682,000 of the general fund--state appropriation for fiscal
5 year 2010, \$1,651,000 of the general fund--state appropriation for
6 fiscal year 2011, and \$1,678,000 of the general fund--federal
7 appropriation are provided solely for the state's contribution to the
8 training partnership, as provided in RCW 74.39A.360, pursuant to a
9 collective bargaining agreement negotiated with the exclusive
10 bargaining representative of individual providers established under RCW
11 74.39A.270.

12 (ii) The federal portion of the amounts in this subsection (g) is
13 contingent upon federal approval of participation in contributions to
14 the trust and shall remain unallotted and placed in reserve status
15 until the office of financial management and the department of social
16 and health services receive federal approval.

17 (iii) Expenditures for the purposes specified in this subsection
18 (g) shall not exceed the amounts provided in this subsection.

19 (f) Within the amounts appropriated in this subsection (1), the
20 department shall implement all necessary rules to facilitate the
21 transfer to a department home and community-based services (HCBS)
22 waiver of all eligible individuals who (i) currently receive services
23 under the existing state-only employment and day program or the
24 existing state-only residential program, and (ii) otherwise meet the
25 waiver eligibility requirements. The amounts appropriated are
26 sufficient to ensure that all individuals currently receiving services
27 under the state-only employment and day and state-only residential
28 programs who are not transferred to a department HCBS waiver will
29 continue to receive services.

30 (g) In addition to other reductions, the appropriations in this
31 subsection reflect reductions targeted specifically to state government
32 administrative costs. These administrative reductions shall be
33 achieved, to the greatest extent possible, by reducing those
34 administrative costs that do not affect direct client services or
35 direct service delivery or programs.

36 (h) The department shall not pay a home care agency licensed under
37 chapter 70.127 RCW for personal care services provided by a family

1 member, pursuant to Substitute House Bill No. 2361 (modifying state
2 payments for in-home care).

3 (i) Within the appropriations of this section, the department shall
4 reduce all seventeen payment levels of the seventeen-level payment
5 system from the fiscal year 2009 levels for boarding homes, boarding
6 homes contracted as assisted living, and adult family homes. Excluded
7 from the reductions are exceptional care rate add-ons. The long-term
8 care program may develop add-ons to pay exceptional care rates to adult
9 family homes and boarding homes with specialty contracts to provide
10 support for the following specifically eligible clients:

11 (i) Persons with AIDS or HIV-related diseases who might otherwise
12 require nursing home or hospital care;

13 (ii) Persons with Alzheimer's disease and related dementia who
14 might otherwise require nursing home care; and

15 (iii) Persons with co-occurring mental illness and long-term care
16 needs who are eligible for expanded community services and who might
17 otherwise require state and local psychiatric hospital care.

18 Within amounts appropriated, exceptional add-on rates for AIDS/HIV,
19 dementia specialty care, and expanded community services may be
20 standardized within each program.

21 (j) The amounts appropriated in this subsection reflect a reduction
22 in funds available for employment and day services. In administering
23 this reduction the department shall negotiate with counties and their
24 vendors so that this reduction, to the greatest extent possible, is
25 achieved by reducing vendor rates and allowable contract administrative
26 charges (overhead) and not through reductions to direct client services
27 or direct service delivery or programs.

28 (k) As part of the needs assessment instrument, the department may
29 collect data on family income for minor children with developmental
30 disabilities and all individuals who are receiving state-only funded
31 services. The department may ensure that this information is collected
32 as part of the client assessment process.

33 (l) \$116,000 of the general fund--state appropriation for fiscal
34 year 2010, (~~(\$2,689,000)~~) \$2,133,000 of the general fund--state
35 appropriation for fiscal year 2011, and \$1,772,000 of the general
36 fund--federal appropriation are provided solely for employment services
37 and required waiver services. Priority consideration for this new
38 funding shall be young adults with developmental disabilities living

1 with their family who need employment opportunities and assistance
2 after high school graduation. Services shall be provided for both
3 waiver and nonwaiver clients. ((Fifty percent of the general fund
4 appropriation shall be utilized for graduates served on a home and
5 community based services waiver and fifty percent of the general fund
6 appropriation shall be used for nonwaiver clients.))

7 (m) \$81,000 of the general fund--state appropriation for fiscal
8 year 2010, \$599,000 of the general fund--state appropriation for fiscal
9 year 2011, and \$1,111,000 of the general fund--federal appropriation
10 are provided solely for the department to provide employment and day
11 services for eligible students who are currently on a waiver and will
12 graduate from high school during fiscal years 2010 and 2011.

13 (n) The automatic award of additional hours of personal care for
14 people with special meal preparation or incontinence needs is
15 eliminated. Authorization of service hours will be based upon the
16 individual's assessed needs.

2 provide transportation, building space, and other support services as

5 (d) In addition to other reductions, the appropriations in this

23 conditions and limitations: In addition to other reductions, the
24 appropriations in this subsection reflect reductions targeted
25 specifically to state government administrative costs. These
26 administrative reductions shall be achieved, to the greatest extent

20 reached, the department shall track how the long-term care needs of
21 applicants assigned to the waiting list are met.

22 (15) The department shall establish waiting lists to the extent
23 necessary to assure that annual expenditures on the community options
24 program entry systems (COPES) program do not exceed appropriated
25 levels. In establishing and managing any such waiting list, the
26 department shall assure priority access to persons with the greatest
27 unmet needs, as determined by department assessment processes.

28 (16) The department shall contract for housing with service models,
29 such as cluster care, to create efficiencies in service delivery and
30 responsiveness to unscheduled personal care needs by clustering hours
31 for clients that live in close proximity to each other.

32 (17) The department shall not pay a home care agency licensed under
33 chapter 70.127 RCW for personal care services provided by a family
34 member, pursuant to Substitute House Bill No. 2361 (modifying state

3 The department shall work in partnership with the department of
4 corrections to identify services and find placements for offenders who
5 are released through the extraordinary medical placement program. The
6 department shall collaborate with the department of corrections to
7 identify and track cost savings to the department of corrections,
8 including medical cost savings and to identify and track expenditures
9 incurred by the aging and disability services program for community
10 services and by the medical assistance program for medical expenses.
11 A joint report regarding the identified savings and expenditures shall
12 be provided to the office of financial management and the appropriate

21 assumes that the current annual renewal license fee for nursing
22 facilities shall be increased to \$327 per bed beginning in fiscal year
23 2011.

31 legislature by December 1, 2010, on the effectiveness of the functions
32 overseen by the council and shall provide recommendations on the
33 development of critical services for individuals with traumatic brain
34 injury.

35 (21) The automatic award of additional hours of personal care for
36 people with special meal preparation or incontinence needs is
37 eliminated. Authorization of service hours will be based upon the
38 individual's assessed needs.

1 (22) For calendar year 2009, the department shall calculate split
2 settlements covering two periods January 1, 2009, through June 30,
3 2009, and July 1, 2009, through December 31, 2009. For the second
4 period beginning July 1, 2009, the department may partially or totally
5 waive settlements only in specific cases where a nursing home can
6 demonstrate significant decreases in costs from the first period.

7 (23) \$72,000 of the traumatic brain injury account appropriation
8 and \$116,000 of the general fund--federal appropriation are provided
9 solely for a direct care rate add-on to any nursing facility

25 for fiscal year 2011 and \$100,000 of the general fund--federal
26 appropriation are provided solely for the department to contract with
27 a consultant to evaluate and make recommendations on a pay-for-
28 performance payment subsidy system. The department shall organize one
29 workgroup meeting with the consultant where nursing home stakeholders
30 may provide input on pay-for-performance ideas. The consultant shall
31 review pay-for-performance strategies used in other states to sustain
32 and enhance quality-improvement efforts in nursing facilities. The
33 evaluation shall include a review of the centers for medicare and

35 pay-for-performance systems in medicare certified nursing facilities.
36 The consultant shall develop a report to include:

38 strategies incorporated into medicaid nursing home payment systems;

 18 However, funds provided in this subsection shall not be transferred
 19 elsewhere within the department nor used for any other purpose.

33	TOTAL APPROPRIATION	((\$2,406,763,000))
34		<u>\$2,371,219,000</u>

35 The appropriations in this section are subject to the following
 36 conditions and limitations:

1 (1) \$303,393,000 of the general fund--state appropriation for
2 fiscal year 2010, \$285,057,000 of the general fund--state appropriation
3 for fiscal year 2011, \$24,336,000 of the administrative contingency
4 account--state appropriation, and \$778,606,000 of the general fund--
5 federal appropriation are provided solely for all components of the
6 WorkFirst program. The department shall use moneys from the
7 administrative contingency account for WorkFirst job placement services
8 provided by the employment security department. Within the amounts
9 provided for the WorkFirst program, the department may provide
10 assistance using state-only funds for families eligible for temporary
11 assistance for needy families. In addition, within the amounts
12 provided for WorkFirst the department shall:

13 (a) Establish a career services work transition program;

14 (b) Continue to implement WorkFirst program improvements that are
15 designed to achieve progress against outcome measures specified in RCW
16 74.08A.410. Outcome data regarding job retention and wage progression
17 shall be reported quarterly to appropriate fiscal and policy committees
18 of the legislature for families who leave assistance, measured after 12
19 months, 24 months, and 36 months. The department shall also report the
20 percentage of families who have returned to temporary assistance for
21 needy families after 12 months, 24 months, and 36 months;

22 (c) Submit a report electronically by October 1, 2009, to the
23 fiscal committees of the legislature containing a spending plan for the
24 WorkFirst program. The plan shall identify how spending levels in the
25 2009-2011 biennium will be adjusted to stay within available federal
26 grant levels and the appropriated state-fund levels;

27 (d) Provide quarterly fiscal reports to the office of financial
28 management and the legislative fiscal committees detailing information
29 on the amount expended from general fund--state and general fund--
30 federal by activity.

31 (2) The department and the office of financial management shall
32 electronically report quarterly the expenditures, maintenance of effort
33 allotments, expenditure amounts, and caseloads for the WorkFirst
34 program to the legislative fiscal committees.

35 (3) \$16,783,000 of the general fund--state appropriation for fiscal
36 year 2011 and \$62,000,000 of the general fund--federal appropriation
37 are provided solely for all components of the WorkFirst program in
38 order to maintain services to January 2011. The legislature intends to

1 work with the governor to design and implement fiscal and programmatic
2 modifications to provide for the sustainability of the program. The
3 funding in this subsection assumes that no other expenditure reductions
4 will be made prior to January 2011 other than those assumed in the
5 appropriation levels in this act.

6 (4) \$94,322,000 of the general fund--state appropriation for fiscal
7 year 2010 and (~~(\$84,904,000)~~) \$64,545,000 of the general fund--state
8 appropriation for fiscal year 2011, net of recoveries, are provided
9 solely for cash assistance and other services to recipients in the cash
10 program pursuant to chapter 8, Laws of 2010 1st sp. sess. (security
11 lifeline act), including persons in the unemployable, expedited, and
12 aged, blind, and disabled components of the program. It is the intent
13 of the legislature that the lifeline incapacity determination and
14 progressive evaluation process regulations be carefully designed to
15 accurately identify those persons who have been or will be
16 incapacitated for at least ninety days. The incapacity determination
17 and progressive evaluation process regulations in effect on January 1,
18 2010, cannot be amended until at least September 30, 2010; except that
19 provisions related to the use of administrative review teams may be
20 amended, and obsolete terminology and functional assessment language
21 may be updated on or after July 1, 2010, in a manner that only
22 minimally impacts the outcome of incapacity evaluations. After
23 September 30, 2010, the incapacity determination and progressive
24 evaluation process regulations may be amended only if the reports under
25 (a) and (b) of this subsection have been submitted, and find that
26 expenditures will exceed the appropriated level by three percent or
27 more.

28 (a) The department and the caseload forecast council shall, by
29 September 21, 2010, submit a report to the legislature based upon the
30 most recent caseload forecast and actual expenditure data available, as
31 to whether expenditures for the lifeline-unemployable grants in fiscal
32 year 2011 will exceed \$69,648,000 for fiscal year 2011 in the 2010
33 supplemental operating budget by three percent or more. If
34 expenditures will exceed the appropriated amount for lifeline-
35 unemployable grants by three percent or more, the department may adopt
36 regulations modifying incapacity determination and progressive
37 evaluation process regulations after September 30, 2010.

1 (b) On or before September 21, 2010, the department shall submit a
2 report to the relevant policy and fiscal committees of the legislature
3 that includes the following information regarding any regulations
4 proposed for adoption that would modify the lifeline incapacity
5 determination and progressive evaluation process:

6 (i) A copy of the proposed changes and a concise description of the
7 changes;

8 (ii) A description of the persons who would likely be affected by
9 adoption of the regulations, including their impairments, age,
10 education, and work history;

11 (iii) An estimate of the number of persons who, on a monthly basis
12 through June 2013, would be denied lifeline benefits if the regulations
13 were adopted, expressed as a number, as a percentage of total
14 applicants, and as a percentage of the number of persons granted
15 lifeline benefits in each month;

16 (iv) An estimate of the number of persons who, on a monthly basis
17 through June 2013, would have their lifeline benefits terminated
18 following an eligibility review if the regulations were adopted,
19 expressed as a number, as a percentage of the number of persons who
20 have had an eligibility review in each month, and as a percentage of
21 the total number of persons currently receiving lifeline-unemployable
22 benefits in each month; and

23 (v) Intended improvements in employment or treatment outcomes among
24 persons receiving lifeline benefits that could be attributable to the
25 changes in the regulations.

26 (c) Within these amounts:

27 (i) The department shall aggressively pursue opportunities to
28 transfer lifeline clients to general assistance expedited coverage and
29 to facilitate client applications for federal supplemental security
30 income when the client's incapacities indicate that he or she would be
31 likely to meet the federal disability criteria for supplemental
32 security income. The department shall initiate and file the federal
33 supplemental security income interim agreement as quickly as possible
34 in order to maximize the recovery of federal funds;

35 (ii) The department shall review the lifeline caseload to identify
36 recipients that would benefit from assistance in becoming naturalized
37 citizens, and thus be eligible to receive federal supplemental security

1 income benefits. Those cases shall be given high priority for
2 naturalization funding through the department;

3 (iii) The department shall actively coordinate with local workforce
4 development councils to expedite access to worker retraining programs
5 for lifeline clients in those regions of the state with the greatest
6 number of such clients;

7 (iv) By July 1, 2009, the department shall enter into an
8 interagency agreement with the department of veterans' affairs to
9 establish a process for referral of veterans who may be eligible for
10 veteran's services. This agreement must include outstationing
11 department of veterans' affairs staff in selected community service
12 office locations in King and Pierce counties to facilitate applications
13 for veterans' services; and

14 (v) In addition to any earlier evaluation that may have been
15 conducted, the department shall intensively evaluate those clients who
16 have been receiving lifeline benefits for twelve months or more as of
17 July 1, 2009, or thereafter, if the available medical and incapacity
18 related evidence indicates that the client is unlikely to meet the
19 disability standard for federal supplemental security income benefits.
20 The evaluation shall identify services necessary to eliminate or
21 minimize barriers to employment, including mental health treatment,
22 substance abuse treatment and vocational rehabilitation services. The
23 department shall expedite referrals to chemical dependency treatment,
24 mental health and vocational rehabilitation services for these clients.

25 (vi) The appropriations in this subsection reflect a change in the
26 earned income disregard policy for lifeline clients. It is the intent
27 of the legislature that the department shall adopt the temporary
28 assistance for needy families earned income policy for the lifeline
29 program.

30 (5) \$750,000 of the general fund--state appropriation for fiscal
31 year 2010 and \$750,000 of the general fund--state appropriation for
32 fiscal year 2011 are provided solely for naturalization services.

33 (6)(a) \$3,550,000 of the general fund--state appropriation for
34 fiscal year 2010 is provided solely for refugee employment services, of
35 which \$2,650,000 is provided solely for the department to pass through
36 to statewide refugee assistance organizations for limited English
37 proficiency pathway services; and (~~(\$3,550,000)~~) \$550,000 of the
38 general fund--state appropriation for fiscal year 2011 is provided

1 solely for refugee employment services(~~(, of which \$2,650,000 is~~
2 ~~provided solely for the department to pass through to statewide refugee~~
3 ~~assistance organizations for limited English proficiency pathway~~
4 ~~services.~~

5 ~~(b) The legislature intends that the appropriation in this~~
6 ~~subsection for the 2009-11 fiscal biennium will maintain funding for~~
7 ~~refugee programs at a level at least equal to expenditures on these~~
8 ~~programs in the 2007-09 fiscal biennium)).~~

9 (7) The appropriations in this section reflect reductions in the
10 appropriations for the economic services administration's
11 administrative expenses. It is the intent of the legislature that
12 these reductions shall be achieved, to the greatest extent possible, by
13 reducing those administrative costs that do not affect direct client
14 services or direct service delivery or program.

15 (8) \$855,000 of the general fund--state appropriation for fiscal
16 year 2011, \$719,000 of the general fund--federal appropriation, and
17 \$2,907,000 of the general fund--private/local appropriation are
18 provided solely for the implementation of the opportunity portal, the
19 food stamp employment and training program, and the disability lifeline
20 program under Second Substitute House Bill No. 2782 (security lifeline
21 act). If the bill is not enacted by June 30, 2010, the amounts
22 provided in this subsection shall lapse.

23 (9) (~~(\$200,000)~~) \$100,000 of the general fund--state appropriation
24 for fiscal year 2011 is provided solely for the department to award
25 grants to small mutual assistance or small community-based
26 organizations that contract with the department for immigrant and
27 refugee assistance services. The funds shall be awarded to provide
28 funding for community groups to provide transitional assistance,
29 language skills, and other resources to improve refugees' economic
30 self-sufficiency through the effective use of social services,
31 financial services, and medical assistance.

32 **Sec. 207.** 2010 2nd sp.s. c 1 s 207 (uncodified) is amended to read
33 as follows:

16	TOTAL APPROPRIATION	(\$9,814,052,000)
17		<u>\$9,727,634,000</u>

18 The appropriations in this section are subject to the following
19 conditions and limitations:

20 (1) Based on quarterly expenditure reports and caseload forecasts,
21 if the department estimates that expenditures for the medical
22 assistance program will exceed the appropriations, the department shall
23 take steps including but not limited to reduction of rates or
24 elimination of optional services to reduce expenditures so that total
25 program costs do not exceed the annual appropriation authority.

26 (2) In determining financial eligibility for medicaid-funded
27 services, the department is authorized to disregard recoveries by
28 Holocaust survivors of insurance proceeds or other assets, as defined
29 in RCW 48.104.030.

30 (3) The legislature affirms that it is in the state's interest for
31 Harborview medical center to remain an economically viable component of
32 the state's health care system.

33 (4) When a person is ineligible for medicaid solely by reason of
34 residence in an institution for mental diseases, the department shall
35 provide the person with the same benefits as he or she would receive if
36 eligible for medicaid, using state-only funds to the extent necessary.

37 (5) In accordance with RCW 74.46.625, \$6,000,000 of the general
38 fund--federal appropriation is provided solely for supplemental

1 payments to nursing homes operated by public hospital districts. The
2 public hospital district shall be responsible for providing the
3 required nonfederal match for the supplemental payment, and the
4 payments shall not exceed the maximum allowable under federal rules.
5 It is the legislature's intent that the payments shall be supplemental
6 to and shall not in any way offset or reduce the payments calculated
7 and provided in accordance with part E of chapter 74.46 RCW. It is the
8 legislature's further intent that costs otherwise allowable for rate-
9 setting and settlement against payments under chapter 74.46 RCW shall
10 not be disallowed solely because such costs have been paid by revenues
11 retained by the nursing home from these supplemental payments. The
12 supplemental payments are subject to retrospective interim and final
13 cost settlements based on the nursing homes' as-filed and final
14 medicare cost reports. The timing of the interim and final cost
15 settlements shall be at the department's discretion. During either the
16 interim cost settlement or the final cost settlement, the department
17 shall recoup from the public hospital districts the supplemental
18 payments that exceed the medicaid cost limit and/or the medicare upper
19 payment limit. The department shall apply federal rules for
20 identifying the eligible incurred medicaid costs and the medicare upper
21 payment limit.

22 (6) \$1,110,000 of the general fund--federal appropriation and
23 \$1,105,000 of the general fund--state appropriation for fiscal year
24 2011 are provided solely for grants to rural hospitals. The department
25 shall distribute the funds under a formula that provides a relatively
26 larger share of the available funding to hospitals that (a) serve a
27 disproportionate share of low-income and medically indigent patients,
28 and (b) have relatively smaller net financial margins, to the extent
29 allowed by the federal medicaid program.

30 (7) (~~(\$9,818,000)~~) \$5,729,000 of the general fund--state
31 appropriation for fiscal year 2011, and (~~(\$9,865,000)~~) \$5,776,000 of
32 the general fund--federal appropriation are provided solely for grants
33 to nonrural hospitals. The department shall distribute the funds under
34 a formula that provides a relatively larger share of the available
35 funding to hospitals that (a) serve a disproportionate share of low-
36 income and medically indigent patients, and (b) have relatively smaller
37 net financial margins, to the extent allowed by the federal medicaid
38 program.

1 (8) The department shall continue the inpatient hospital certified
2 public expenditures program for the 2009-11 biennium. The program
3 shall apply to all public hospitals, including those owned or operated
4 by the state, except those classified as critical access hospitals or
5 state psychiatric institutions. The department shall submit reports to
6 the governor and legislature by November 1, 2009, and by November 1,
7 2010, that evaluate whether savings continue to exceed costs for this
8 program. If the certified public expenditures (CPE) program in its
9 current form is no longer cost-effective to maintain, the department
10 shall submit a report to the governor and legislature detailing
11 cost-effective alternative uses of local, state, and federal resources
12 as a replacement for this program. During fiscal year 2010 and fiscal
13 year 2011, hospitals in the program shall be paid and shall retain one
14 hundred percent of the federal portion of the allowable hospital cost
15 for each medicaid inpatient fee-for-service claim payable by medical
16 assistance and one hundred percent of the federal portion of the
17 maximum disproportionate share hospital payment allowable under federal
18 regulations. Inpatient medicaid payments shall be established using an
19 allowable methodology that approximates the cost of claims submitted by
20 the hospitals. Payments made to each hospital in the program in each
21 fiscal year of the biennium shall be compared to a baseline amount.
22 The baseline amount will be determined by the total of (a) the
23 inpatient claim payment amounts that would have been paid during the
24 fiscal year had the hospital not been in the CPE program based on the
25 reimbursement rates developed, implemented, and consistent with
26 policies approved in the 2009-11 biennial operating appropriations act
27 (chapter 564, Laws of 2009) and in effect on July 1, 2009, (b) one half
28 of the indigent assistance disproportionate share hospital payment
29 amounts paid to and retained by each hospital during fiscal year 2005,
30 and (c) all of the other disproportionate share hospital payment
31 amounts paid to and retained by each hospital during fiscal year 2005
32 to the extent the same disproportionate share hospital programs exist
33 in the 2009-11 biennium. If payments during the fiscal year exceed the
34 hospital's baseline amount, no additional payments will be made to the
35 hospital except the federal portion of allowable disproportionate share
36 hospital payments for which the hospital can certify allowable match.
37 If payments during the fiscal year are less than the baseline amount,
38 the hospital will be paid a state grant equal to the difference between

1 payments during the fiscal year and the applicable baseline amount.
2 Payment of the state grant shall be made in the applicable fiscal year
3 and distributed in monthly payments. The grants will be recalculated
4 and redistributed as the baseline is updated during the fiscal year.
5 The grant payments are subject to an interim settlement within eleven
6 months after the end of the fiscal year. A final settlement shall be
7 performed. To the extent that either settlement determines that a
8 hospital has received funds in excess of what it would have received as
9 described in this subsection, the hospital must repay the excess
10 amounts to the state when requested. \$20,403,000 of the general fund--
11 state appropriation for fiscal year 2010, of which \$6,570,000 is
12 appropriated in section 204(1) of this act, and \$29,480,000 of the
13 general fund--state appropriation for fiscal year 2011, of which
14 \$6,570,000 is appropriated in section 204(1) of this act, are provided
15 solely for state grants for the participating hospitals. CPE hospitals
16 will receive the inpatient and outpatient reimbursement rate
17 restorations in section 9 and rate increases in section 10(1)(b) of
18 Engrossed Second Substitute House Bill No. 2956 (hospital safety net
19 assessment) funded through the hospital safety net assessment fund
20 rather than through the baseline mechanism specified in this
21 subsection.

22 (9) The department is authorized to use funds appropriated in this
23 section to purchase goods and supplies through direct contracting with
24 vendors when the department determines it is cost-effective to do so.

25 (10) \$93,000 of the general fund--state appropriation for fiscal
26 year 2010 and \$93,000 of the general fund--federal appropriation are
27 provided solely for the department to pursue a federal Medicaid waiver
28 pursuant to Second Substitute Senate Bill No. 5945 (Washington health
29 partnership plan). If the bill is not enacted by June 30, 2009, the
30 amounts provided in this subsection shall lapse.

31 (11) The department shall require managed health care systems that
32 have contracts with the department to serve medical assistance clients
33 to limit any reimbursements or payments the systems make to providers
34 not employed by or under contract with the systems to no more than the
35 medical assistance rates paid by the department to providers for
36 comparable services rendered to clients in the fee-for-service delivery
37 system.

1 (12) A maximum of \$241,141,000 in total funds from the general
2 fund--state, general fund--federal, and tobacco and prevention control
3 account--state appropriations may be expended in the fiscal biennium
4 for the medical program pursuant to chapter 8, Laws of 2010 1st sp.
5 sess. (security lifeline act), and these amounts are provided solely
6 for this program. Of these amounts, \$10,749,000 of the general fund--
7 state appropriation for fiscal year 2010 and \$10,892,000 of the general
8 fund--federal appropriation are provided solely for payments to
9 hospitals for providing outpatient services to low income patients who
10 are recipients of lifeline benefits. Pursuant to RCW 74.09.035, the
11 department shall not expend for the lifeline medical care services
12 program any amounts in excess of the amounts provided in this
13 subsection.

14 (13) Mental health services shall be included in the services
15 provided through the managed care system for lifeline clients under
16 chapter 8, Laws of 2010 1st sp. sess. In transitioning lifeline
17 clients to managed care, the department shall attempt to deliver care
18 to lifeline clients through medical homes in community and migrant
19 health centers. The department, in collaboration with the carrier,
20 shall seek to improve the transition rate of lifeline clients to the
21 federal supplemental security income program. The department shall
22 renegotiate the contract with the managed care plan that provides
23 services for lifeline clients to maximize state retention of future
24 hospital savings as a result of improved care coordination. The
25 department, in collaboration with stakeholders, shall propose a new
26 name for the lifeline program.

27 (14) The department shall evaluate the impact of the use of a
28 managed care delivery and financing system on state costs and outcomes
29 for lifeline medical clients. Outcomes measured shall include state
30 costs, utilization, changes in mental health status and symptoms, and
31 involvement in the criminal justice system.

32 (15) The department shall report to the governor and the fiscal
33 committees of the legislature by June 1, 2010, on its progress toward
34 achieving a twenty percentage point increase in the generic
35 prescription drug utilization rate.

36 (16) State funds shall not be used by hospitals for advertising
37 purposes.

1 (17) \$24,356,000 of the general fund--private/local appropriation
2 and \$35,707,000 of the general fund--federal appropriation are provided
3 solely for the implementation of professional services supplemental
4 payment programs. The department shall seek a medicaid state plan
5 amendment to create a professional services supplemental payment
6 program for University of Washington medicine professional providers no
7 later than July 1, 2009. The department shall apply federal rules for
8 identifying the shortfall between current fee-for-service medicaid
9 payments to participating providers and the applicable federal upper
10 payment limit. Participating providers shall be solely responsible for
11 providing the local funds required to obtain federal matching funds.
12 Any incremental costs incurred by the department in the development,
13 implementation, and maintenance of this program will be the
14 responsibility of the participating providers. Participating providers
15 will retain the full amount of supplemental payments provided under
16 this program, net of any potential costs for any related audits or
17 litigation brought against the state. The department shall report to
18 the governor and the legislative fiscal committees on the prospects for

14 department of social and health services. In the event that such

18 the per mile reimbursement rate for the school year multiplied by 1.29.

19 (4) The office of the superintendent of public instruction shall
20 provide reimbursement funding to a school district only after the
21 superintendent of public instruction determines that the school bus was
22 purchased from the list established pursuant to RCW 28A.160.195(2) or
23 a comparable competitive bid process based on the lowest price quote
24 based on similar bus categories to those used to establish the list
25 pursuant to RCW 28A.160.195.

26 (5) The superintendent of public instruction shall base
27 depreciation payments for school district buses on the pre-sales tax
28 five-year average of lowest bids in the appropriate category of bus.
29 In the final year on the depreciation schedule, the depreciation
30 payment shall be based on the lowest bid in the appropriate bus
31 category for that school year.

32 (6) Funding levels in this section reflect reductions from the
33 implementation of Substitute House Bill No. 1292 (authorizing waivers
34 from the one hundred eighty-day school year requirement in order to
35 allow four-day school weeks).

8 age six through 21.

9 (5)(a) For the 2009-10 and 2010-11 school years, the superintendent
10 shall make allocations to each district based on the sum of:

11 (i) A district's annual average headcount enrollment of students
12 ages birth through four and those five year olds not yet enrolled in
13 kindergarten, as defined in subsection (4) of this section, multiplied
14 by the district's average basic education allocation per full-time
15 equivalent student, multiplied by 1.15; and

16 (ii) A district's annual average full-time equivalent basic
17 education enrollment multiplied by the funded enrollment percent
18 determined pursuant to subsection (6)(b) of this section, multiplied by
19 the district's average basic education allocation per full-time
20 equivalent student multiplied by 0.9309.

21 (b) For purposes of this subsection, "average basic education
22 allocation per full-time equivalent student" for a district shall be
23 based on the staffing ratios required by RCW 28A.150.260 and shall not
24 include enhancements, secondary vocational education, or small schools
25 in the 2009-10 school year. In the 2010-11 school year, the per
26 student allocation under this subsection (5)(b) shall include the same
27 factors as in the 2009-10 school year, but shall also include the
28 classified staff enhancements included in section 502(3)(b).

29 (6) The definitions in this subsection apply throughout this
30 section.

31 (a) "Annual average full-time equivalent basic education
32 enrollment" means the resident enrollment including students enrolled
33 through choice (RCW 28A.225.225) and students from nonhigh districts
34 (RCW 28A.225.210) and excluding students residing in another district
35 enrolled as part of an interdistrict cooperative program (RCW
36 28A.225.250).

37 (b) "Enrollment percent" means the district's resident special
38 education annual average enrollment, excluding the birth through age

1 four enrollment and those five year olds not yet enrolled in
2 kindergarten, as a percent of the district's annual average full-time
3 equivalent basic education enrollment.

4 Each district's general fund--state funded special education
5 enrollment shall be the lesser of the district's actual enrollment
6 percent or 12.7 percent.

7 (7) At the request of any interdistrict cooperative of at least 15
8 districts in which all excess cost services for special education
9 students of the districts are provided by the cooperative, the maximum
10 enrollment percent shall be calculated in accordance with subsection
11 (6)(b) of this section, and shall be calculated in the aggregate rather
12 than individual district units. For purposes of this subsection, the
13 average basic education allocation per full-time equivalent student
14 shall be calculated in the aggregate rather than individual district
15 units.

16 (8) To the extent necessary, (~~(\$44,269,000)~~) \$45,269,000 of the
17 general fund--state appropriation and \$29,574,000 of the general fund--
18 federal appropriation are provided for safety net awards for districts
19 with demonstrated needs for special education funding beyond the
20 amounts provided in subsection (5) of this section. If the federal
21 safety net awards based on the federal eligibility threshold exceed the
22 federal appropriation in this subsection (8) in any fiscal year, the
23 superintendent shall expend all available federal discretionary funds
24 necessary to meet this need. Safety net funds shall be awarded by the
25 state safety net oversight committee subject to the following
26 conditions and limitations:

27 (a) The committee shall consider unmet needs for districts that can
28 convincingly demonstrate that all legitimate expenditures for special
29 education exceed all available revenues from state funding formulas.
30 In the determination of need, the committee shall also consider
31 additional available revenues from federal sources. Differences in
32 program costs attributable to district philosophy, service delivery
33 choice, or accounting practices are not a legitimate basis for safety
34 net awards. In the determination of need, the committee shall require
35 that districts demonstrate that they are maximizing their eligibility
36 for all state and federal revenues related to services for special
37 education-eligible students. Awards associated with (b) and (c) of

1 this subsection shall not exceed the total of a district's specific
2 determination of need.

3 (b) The committee shall then consider the extraordinary high cost
4 needs of one or more individual special education students.
5 Differences in costs attributable to district philosophy, service
6 delivery choice, or accounting practices are not a legitimate basis for
7 safety net awards.

8 (c) Using criteria developed by the committee, the committee shall
9 then consider extraordinary costs associated with communities that draw
10 a larger number of families with children in need of special education
11 services. The safety net awards to school districts shall be adjusted
12 to reflect amounts awarded under (b) of this subsection.

13 (d) The maximum allowable indirect cost for calculating safety net
14 eligibility may not exceed the federal restricted indirect cost rate
15 for the district plus one percent.

16 (e) Safety net awards must be adjusted for any audit findings or
17 exceptions related to special education funding.

18 (f) Safety net awards shall be adjusted based on the percent of
19 potential medicaid eligible students billed as calculated by the
20 superintendent in accordance with chapter 318, Laws of 1999. The state
21 safety net oversight committee shall ensure that safety net
22 documentation and awards are based on current medicaid revenue amounts.

23 (g) The office of the superintendent of public instruction, at the
24 conclusion of each school year, shall recover safety net funds that
25 were distributed prospectively but for which districts were not
26 subsequently eligible.

27 (9) The superintendent of public instruction may adopt such rules
28 and procedures as are necessary to administer the special education
29 funding and safety net award process. Prior to revising any standards,
30 procedures, or rules, the superintendent shall consult with the office
31 of financial management and the fiscal committees of the legislature.

32 (10) The safety net oversight committee appointed by the
33 superintendent of public instruction shall consist of:

34 (a) One staff from the office of superintendent of public
35 instruction;

36 (b) Staff of the office of the state auditor who shall be nonvoting
37 members of the committee; and

1 (c) One or more representatives from school districts or
2 educational service districts knowledgeable of special education
3 programs and funding.

4 (11) The office of the superintendent of public instruction shall
5 review and streamline the application process to access safety net
6 funds, provide technical assistance to school districts, and annually
7 survey school districts regarding improvement to the process.

8 (12) A maximum of \$678,000 may be expended from the general fund--
9 state appropriations to fund 5.43 full-time equivalent teachers and 2.1
10 full-time equivalent aides at children's orthopedic hospital and
11 medical center. This amount is in lieu of money provided through the
12 home and hospital allocation and the special education program.

13 (13) The superintendent shall maintain the percentage of federal
14 flow-through to school districts at 85 percent. In addition to other
15 purposes, school districts may use increased federal funds for high-
16 cost students, for purchasing regional special education services from
17 educational service districts, and for staff development activities
18 particularly relating to inclusion issues.

19 (14) A school district may carry over from one year to the next
20 year up to 10 percent of the general fund--state funds allocated under
21 this program; however, carryover funds shall be expended in the special
22 education program.

23 (15) \$262,000 of the general fund--state appropriation for fiscal
24 year 2010 and \$251,000 of the general fund--state appropriation for
25 fiscal year 2011 are provided solely for two additional full-time
26 equivalent staff to support the work of the safety net committee and to
27 provide training and support to districts applying for safety net
28 awards.

29 (16) \$50,000 of the general fund--state appropriation for fiscal
30 year 2010, \$50,000 of the general fund--state appropriation for fiscal
31 2011, and \$100,000 of the general fund--federal appropriation shall be
32 expended to support a special education ombudsman program within the
33 office of superintendent of public instruction.

23 use accrued vacation leave.

24 (ii) If an employee with a monthly full-time equivalent salary of

28 in lieu of temporary layoff during the closure.

29 (6) Except as provided in subsection (4) of this section, for
30 employees not scheduled to work on a day specified in subsection (2) of
31 this section, the employing agency must designate an alternative day
32 during that month on which the employee is scheduled to work that the

34 (7) To the extent that the implementation of this section is
35 subject to collective bargaining under chapter 41.80 RCW, the

24 **Sec. 902.** RCW 18.04.105 and 2004 c 159 s 2 are each amended to
25 read as follows:

26 (1) A license to practice public accounting shall be granted by the
27 board to any person:

28 (a) Who is of good character. Good character, for purposes of this
29 section, means lack of a history of dishonest or felonious acts. The
30 board may refuse to grant a license on the ground of failure to satisfy
31 this requirement only if there is a substantial connection between the
32 lack of good character of the applicant and the professional and
33 ethical responsibilities of a licensee and if the finding by the board
34 of lack of good character is supported by a preponderance of evidence.
35 When an applicant is found to be unqualified for a license because of
36 a lack of good character, the board shall furnish the applicant a

1 statement containing the findings of the board and a notice of the
2 applicant's right of appeal;

3 (b) Who has met the educational standards established by rule as
4 the board determines to be appropriate;

5 (c) Who has passed an examination;

6 (d) Who has had one year of experience which is gained:

7 (i) Through the use of accounting, issuing reports on financial
8 statements, management advisory, financial advisory, tax, tax advisory,
9 or consulting skills;

10 (ii) While employed in government, industry, academia, or public
11 practice; and

12 (iii) Meeting the competency requirements in a manner as determined
13 by the board to be appropriate and established by board rule; and

14 (e) Who has paid appropriate fees as established by rule by the
15 board.

16 (2) The examination described in subsection (1)(c) of this section
17 shall test the applicant's knowledge of the subjects of accounting and
18 auditing, and other related fields the board may specify by rule. The
19 time for holding the examination is fixed by the board and may be
20 changed from time to time. The board shall prescribe by rule the
21 methods of applying for and taking the examination, including methods
22 for grading examinations and determining a passing grade required of an
23 applicant for a license. The board shall to the extent possible see to
24 it that the grading of the examination, and the passing grades, are
25 uniform with those applicable to all other states. The board may make
26 use of all or a part of the uniform certified public accountant
27 examination and advisory grading service of the American Institute of
28 Certified Public Accountants and may contract with third parties to
29 perform administrative services with respect to the examination as the
30 board deems appropriate to assist it in performing its duties under
31 this chapter. The board shall establish by rule provisions for
32 transitioning to a new examination structure or to a new media for
33 administering the examination.

34 (3) The board shall charge each applicant an examination fee for
35 the initial examination or for reexamination. The applicable fee shall
36 be paid by the person at the time he or she applies for examination,
37 reexamination, or evaluation of educational qualifications. Fees for
38 examination, reexamination, or evaluation of educational qualifications

1 shall be determined by the board under chapter 18.04 RCW. There is
2 established in the state treasury an account to be known as the
3 certified public accountants' account. All fees received from
4 candidates to take any or all sections of the certified public
5 accountant examination shall be used only for costs related to the
6 examination. During the 2009-2011 fiscal biennium, the legislature may
7 transfer from the certified public accountants' account to the state
8 general fund such amounts as reflect the excess fund balance of the
9 account.

10 (4) Persons who on June 30, 2001, held valid certificates
11 previously issued under this chapter shall be deemed to be certificate
12 holders, subject to the following:

13 (a) Certificate holders may, prior to June 30, 2006, petition the
14 board to become licensees by documenting to the board that they have
15 gained one year of experience through the use of accounting, issuing
16 reports on financial statements, management advisory, financial
17 advisory, tax, tax advisory, or consulting skills, without regard to
18 the eight-year limitation set forth in (b) of this subsection, while
19 employed in government, industry, academia, or public practice.

20 (b) Certificate holders who do not petition to become licensees
21 prior to June 30, 2006, may after that date petition the board to
22 become licensees by documenting to the board that they have one year of
23 experience acquired within eight years prior to applying for a license
24 through the use of accounting, issuing reports on financial statements,
25 management advisory, financial advisory, tax, tax advisory, or
26 consulting skills in government, industry, academia, or public
27 practice.

28 (c) Certificate holders who petition the board pursuant to (a) or
29 (b) of this subsection must also meet competency requirements in a
30 manner as determined by the board to be appropriate and established by
31 board rule.

32 (d) Any certificate holder petitioning the board pursuant to (a) or
33 (b) of this subsection to become a licensee must submit to the board
34 satisfactory proof of having completed an accumulation of one hundred
35 twenty hours of CPE during the thirty-six months preceding the date of
36 filing the petition.

37 (e) Any certificate holder petitioning the board pursuant to (a) or

1 (b) of this subsection to become a licensee must pay the appropriate
2 fees established by rule by the board.

3 (5) Certificate holders shall comply with the prohibition against
4 the practice of public accounting in RCW 18.04.345.

5 (6) Persons who on June 30, 2001, held valid certificates
6 previously issued under this chapter are deemed to hold inactive
7 certificates, subject to renewal as inactive certificates, until they
8 have petitioned the board to become licensees and have met the
9 requirements of subsection (4) of this section. No individual who did
10 not hold a valid certificate before July 1, 2001, is eligible to obtain
11 an inactive certificate.

12 (7) Persons deemed to hold inactive certificates under subsection
13 (6) of this section shall comply with the prohibition against the
14 practice of public accounting in subsection (8)(b) of this section and
15 RCW 18.04.345, but are not required to display the term inactive as
16 part of their title, as required by subsection (8)(a) of this section
17 until renewal. Certificates renewed to any persons after June 30,
18 2001, are inactive certificates and the inactive certificate holders
19 are subject to the requirements of subsection (8) of this section.

20 (8) Persons holding an inactive certificate:

21 (a) Must use or attach the term "inactive" whenever using the title
22 CPA or certified public accountant or referring to the certificate, and
23 print the word "inactive" immediately following the title, whenever the
24 title is printed on a business card, letterhead, or any other document,
25 including documents published or transmitted through electronic media,
26 in the same font and font size as the title; and

27 (b) Are prohibited from practicing public accounting.
