2 material through "development," on line 11, and insert "with expertise  
3 in international trade,"

4  
5           On page 5, line 33, after "manager" insert ". The research manager  
6 must be hired within existing resources"

7  
8 On page 8, line 13, after "strategy" strike "and the annual update"

9  
10          On page 10, line 35, after "1," strike "~~((2012))~~ 2014" and insert  
11 "2012"

12  
13

EFFECT: Replaces the representative of a nonprofit trade association engaged in economic development with a representative with expertise in international trade. Requires the research manager to be hired within existing resources. Removes a reference to a required annual update, which is not required. Retains the date currently in statute for beginning to administer outcome evaluations.
