ADOPTED 04/07/2011

1 On page 33, line 27 of the amendment, after "of a" strike
2 "colposcope" and insert "~~(colposcope)~~ colposcopy"

3 On page 33, line 28 of the amendment, after "department" insert ".

6 On page 36, beginning on line 30 of the amendment, strike all

EFFECT: Excludes the costs of colposcopy exams (a type of exam given to victims of rape and sexual assault) from the \$50,000 cap for claim benefits under the Crime Victims' Compensation Program. Benefits under the Crime Victims' Compensation Program are currently limited to \$50,000 per person per claim.

Makes two technical corrections, including changing the term "colposcope exam" to "colposcopy exam." A colposcope is the name of the instrument used by physicians for the exam and the actual procedure or examination is called a colposcopy exam.
