

2ESHB 1365 - S AMD 3  
By Senator Chase

1 On page 2, line 13, after "means" strike "an" and insert ":(a)  
2 An"

3 On page 2, line 15, after "megawatts" insert ";(b) electricity  
4 generated from a small hydropower facility with a generating capacity  
5 of ten megawatts or less that meets the following criteria: (i) The  
6 facility commenced operation after 2008; (ii) the facility is operated  
7 by a qualifying utility; (iii) the diversion and powerhouse are above  
8 a natural barrier to migrating fish; and (iv) the facility is outside  
9 federal wilderness areas or federal wild and scenic river corridors"

EFFECT: Adds the following to the definition of "distributed generation": (b) Electricity generated from a small hydropower facility with a generating capacity of ten megawatts or less that meets the following criteria: (i) The facility commenced operation after 2008; (ii) the facility is operated by a qualifying utility; (iii) the diversion and powerhouse are above a natural barrier to migrating fish; and (iv) the facility is outside federal wilderness areas or federal wild and scenic river corridors.
