SB 5575 - S AMD

By Senators Nelson, Ranker, Rockefeller

NOT ADOPTED 03/02/2011

5 On page 1, beginning on line 1 of the title, after "Relating to"
6 strike all material through "sections." on line 6 and insert "promoting
7 and sustaining investment and employment in communities dependent on
8 agricultural or natural resource industries by recognizing certain
9 biomass energy as an eligible renewable resource; amending RCW
10 19.285.030; and creating a new section."

EFFECT: Removes provisions classifying electricity from pre-1999 biomass energy facilities as an eligible renewable resource. Removes provision concerning review by the Washington Utilities and Transportation Commission. Amends the title to reflect the change.
