

FINAL BILL REPORT

SCR 8409

Synopsis as Enacted

Brief Description: Approving the workforce training and education coordinating board's high skills high wages plan.

Sponsors: Senators Bailey, Kohl-Welles, Chase, Rivers, Frockt, Parlette, Cleveland, Dammeier, McAuliffe, Keiser, Tom, Conway and Mullet; by request of Workforce Training and Education Coordinating Board.

Senate Committee on Higher Education **House Committee on Labor & Workforce Development**

Background: The Workforce Training and Education Coordinating Board (Board) was created in 1991 to provide planning, coordination, evaluation, monitoring, and policy analysis for the state workforce training system as a whole, and to advise the Governor and the Legislature concerning the training system.

The Board must develop and maintain a ten-year state comprehensive plan for workforce training and education. The plan must establish goals, objectives, and priorities for the state training system.

Every four years, the Board must provide the Legislature and the Governor with an update of the state comprehensive plan. The Legislature, after public hearings, must approve or recommend changes to the plan and the updates by way of a concurrent resolution. Once approved, the plan becomes the state's workforce training policy unless legislation is enacted to alter the policies set forth in the plan.

The most recently updated plan, called High Skills, High Wages 2012-2022, includes the following goals and objectives:

- improving career and education guidance for students;
- increasing workplace and life skills development;
- expanding programs of study for career-focused courses;
- increasing workplace experiences;
- addressing student retention;
- prioritizing job search and placement for people in first careers;
- increasing employer engagement with the system by improving outreach;
- promoting economic development and encouraging investing in strategic economic opportunities;

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

- expanding learning opportunities for workers at all stages of the education and career paths;
- improving the quality and speed of job matching and referrals;
- strengthening performance accountability by focusing on employment and earnings outcomes; and
- reducing barriers to sharing or splitting funding and establishing cost-sharing practices.

Summary: The House of Representatives and the Senate, by way of concurrent resolution, approve the state comprehensive plan for workforce training and education.
