6 this subsection.

7 (c) The training required by this subsection must be at least six
8 hours in length, unless a disciplinary authority has determined, under
9 subsection (8)(b) of this section, that training that includes only
10 screening and referral elements is appropriate for the profession in
11 question, in which case the training must be at least three hours in
12 length.

13 (2)(a)(i) Except as provided in (a)(ii) of this subsection, a
14 professional listed in subsection (1)(a) of this section must complete

24 (7) The secretary and the disciplining authorities affected by this
25 section shall adopt any rules necessary to implement this section.
