

HB 2183-S - DIGEST

(AS OF HOUSE 2ND READING 2/12/14)

Requires the joint committee on energy supply and energy conservation to make recommendations to the energy committees of the legislature on ways to improve the effectiveness and implementation of the existing law and policies that would further the renewable energy and energy efficiency goals for utilities after 2020.

Requires the Washington State University energy program to conduct a resource assessment on the amount of new energy resources that could be made available with a high-efficiency cogeneration policy or a thermal heating efficiency policy to assist the joint committee deliberations in developing new energy performance standards after 2020.
