

**HB 2580-S - DIGEST**

(SUBSTITUTED FOR - SEE 2ND SUB)

Supports the maritime industry and other manufacturing sectors to foster economic resilience and development in this state.

Creates a joint select legislative task force on the economic resilience of maritime and manufacturing in Washington.

Requires the state geologist to update and improve the seismic scenario catalog maintained by the department of natural resources with respect to the geographic areas designated as manufacturing industrial centers by the Puget Sound regional council, the Puget Sound lowland and coastal areas, and areas including infrastructure critical to the operations of industry in those designated manufacturing industrial centers and Puget Sound lowland and coastal areas.
