

HB 2724-S - DIGEST

(DIGEST AS ENACTED)

Exempts from disclosure under the public records act, any site form, report, specific fields and tables relating to site form data within a database, or geographic information systems spatial layer obtained by a state agency or local government, or shared between a state agency, local government, or tribal government, if the material is related to an archaeological site, historical archaeological resources, or traditional cultural places.

Requires a local government or agency to respond to requests from the owner of the real property for the exempt public records by providing information to the requestor on how to contact the department of archaeology and historic preservation to obtain available locality information on archaeological and cultural resources.
