

**SB 5095-S.E - DIGEST**

(DIGEST AS ENACTED)

Allows a driver to provide proof of financial security and his or her registration certificate in either paper or electronic format.

Requires a law enforcement officer, when a person uses a portable electronic device to display proof of financial security, to view only the proof of financial security and no other content on the portable electronic device.

Authorizes an insurance company to provide proof of insurance cards in either paper or electronic format.
