

SB 5491 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Establishes statewide indicators of educational system health.

Requires the state board of education and the office of the superintendent of public instruction to establish a process for identifying realistic but challenging system-wide performance goals and measurements for the established indicators.

Requires the state board of education, the office of the superintendent of public instruction, and the student achievement council to align their own strategic planning and education reform efforts with the statewide indicators and performance goals.
