

SB 6052-S.E - DIGEST

(AS OF SENATE 2ND READING 2/18/14)

Requires the department of fish and wildlife to, before acquiring or developing real property, review the proposed acquisition or development project with the city or county with jurisdiction.

Requires the department of natural resources to, before acquiring or developing real property that is currently or to be managed as a natural area preserve, natural resources conservation area, community forest trust, or for other habitat or recreation purposes, review the proposed acquisition or development project with the city or county with jurisdiction.

Requires the parks and recreation commission to, before acquiring or developing real property, review the proposed acquisition or development project with the city or county with jurisdiction.

Expands required documentation for a capital appropriation requested for a state agency for certain acquisitions of land or certain capital improvements of land.

Requires the habitat and recreation lands coordinating group to provide an interagency, statewide biennial forecast report of habitat and recreation land acquisition and disposal plans to the office of financial management and the appropriate committees of the senate and house of representatives.
