1 On page 3, after line 36, insert the following:

2 "The appropriation in this section is subject to the following  
3 conditions and limitations: Within the amount provided in this  
4 section, the department shall conduct a pilot program to consist of  
5 the following activities:

6 (1) The department shall produce a fuel tax sticker for display  
7 on each motor fuel pump from which fuel is sold at retail that  
8 displays and provides notice of the federal and state fuel tax  
9 rates. The sticker must display the rate of each tax, in cents per  
10 gallon, for each type of fuel.

11 (2) The department shall provide notice of federal and state  
12 fuel tax rates, in the form of a fuel tax sticker, with any other  
13 notice displayed or required by department rule to be displayed on  
14 motor fuel pumps.

15 (3) The department shall distribute fuel tax stickers to all  
16 individuals who conduct fuel pump inspections, including department  
17 employees and local government employees. Government employees who  
18 conduct fuel pump inspections shall display a fuel tax sticker on  
19 each motor fuel pump or shall verify that such a sticker is being  
20 displayed at the time of inspection as required by this subsection.  
21 Fuel tax stickers must:

22 (a) Be displayed on each face of the motor fuel pump on which  
23 the price of the fuel sold from the pump is displayed; and

24 (b) Be displayed in a clear, conspicuous, and prominent manner.

25 (4) The department shall provide fuel tax stickers by mail to  
26 fuel pump owners who request them for the face of each motor fuel  
27 pump for which a sticker is requested.

1 (5) The department shall produce updated fuel tax stickers on an  
2 annual basis when one or more fuel tax rates have changed. Fuel tax  
3 stickers must be replaced at the time of motor fuel pump inspection  
4 if the sticker has been updated with any new fuel tax rates.

5

EFFECT: Mandates the Washington State Department of  
Agriculture (WSDA) implement a two-year pilot program that:

- 1) Produces a sticker for display on motor fuel pumps that provides information on federal and state fuel tax rates;
- 2) Distributes fuel tax stickers to all individuals who conduct motor fuel pump inspections;
- 3) Requires display of fuel tax stickers on motor fuel pumps at the time of inspection by government employees;
- 4) Provides for mailing of fuel tax stickers to motor fuel pump owners who request them; and
- 5) Updates fuel tax stickers on an annual basis when one or more fuel tax rates have changed.

FISCAL IMPACT: No net change to appropriated levels.
