**EFFECT:** Clarifies that the information of persons employed  
that must be disclosed to the Public Disclosure Commission  
(Commission) is the information of persons employed for the purpose  
of compensating individuals to gather signatures. Requires the  
Commission to post the disclosed information on its website for each  
petition. Removes the requirement for the Secretary of State  
(Secretary) to post the disclosed information on its website for  
local and state petitions with links to each ballot measure, and  
instead requires the Secretary to post on its website a link to the

Commission's website where the disclosed information for each state petition is posted.
