

SHB 1594 - H AMD TO H AMD (H-2277.1/17) **230**

By Representative Pollet

ADOPTED 03/03/2017

1 On page 9, at the beginning of line 5 of the amendment, strike "and"

2
3 On page 9, line 6 of the amendment, after "(n)" insert "The
4 feasibility of creating an open records portal through which a requestor
5 can make a request and receive a response through a single internet web
6 site relating to public records information, and the feasibility of
7 agencies managing internet web sites to make public access easier and
8 reduce the number of requests related to the same topic through best
9 practices by offering to post different categories of requested records
10 on the web site in a manner that is responsive to records requests; and

11 (o)"

12
13 On page 9, line 15 of the amendment, after "Washington" insert "
14 as well as recommendations and best management practices for agencies
15 to post records that are responsive to records requests on an agency
16 internet web site and take into consideration various categories of
17 records and agency capacities in order to provide broader public access
18 to records of public interest and to reduce the number of requests
19 relating to the same topic"

21

EFFECT: Requires the state archives study to include the feasibility of creating an open records portal to receive requests through a single internet web site relating to public records information, and the feasibility of agencies managing internet websites to make public access easier. Requires the feasibility study report to include recommendations and best practices for agencies posting requested records on agency websites.
