EFFECT: Clarifies that, while the Market Value Adjustment Program must be implemented by December 31, 2017, credit must be provided retroactive to the date that the Regional Transit Authority (RTA) first imposed the motor vehicle excise tax. Directs the RTA, in consultation with the Department of Licensing (DOL), to develop a system to issue refunds for any credits earned before January 1, 2018. Makes the requirements for the DOL with respect to updating its vehicle registration renewal system applicable to vehicle registrations that are due or become due on or after January 1, 2018.
