

HB 2570 - H AMD 845

By Representative Stambaugh

WITHDRAWN 02/09/2018

1 Strike everything after the enacting clause and insert the
2 following:

3 "NEW SECTION. **Sec. 1.** A new section is added to chapter 43.70
4 RCW to read as follows:

5 (1) By July 1, 2020, the department shall establish, in
6 consultation with stakeholders, a searchable database available on
7 its web site of pharmacies that have one or more pharmacists on staff
8 with collaborative drug therapy agreements to prescribe vaccines or
9 self-administered hormonal contraceptives. The database must include:

10 (a) The name and location of every pharmacy in the state with one
11 or more pharmacists on staff that through a collaborative drug
12 agreement prescribe:

13 (i) Vaccines; or

14 (ii) Self-administered hormonal contraceptives;

15 (b) A listing, by pharmacy, of the general categories and types
16 of vaccines and self-administered hormonal contraceptives, as
17 determined by the pharmacy quality assurance commission, that one or
18 more pharmacists on staff at each pharmacy in (a) of this subsection
19 are authorized to prescribe under a collaborative drug therapy
20 agreement; and

21 (c) A statement that the names and locations provided are
22 provided for information only and are subject to change.

23 (2) The searchable database must allow users to search by zip
24 code and include a map function displaying the closest locations to
25 the user based on zip code.

26 (3) The department shall update the database quarterly.

27 (4) If the department determines that a statewide association of
28 pharmacists or pharmacies provides a publicly available database
29 substantially similar to the requirement of this section, the
30 department is no longer required to establish or operate the database
31 required under subsection (1) of this section.

1 NEW SECTION. **Sec. 2.** A new section is added to chapter 18.64
2 RCW to read as follows:

3 Beginning April 1, 2020, any pharmacy in the state with one or
4 more pharmacists on staff that prescribe vaccines or self-
5 administered hormonal contraceptives through a collaborative drug
6 therapy agreement shall electronically provide the department with
7 the information required by section 1 of this act, as requested by
8 the department and in a format identified by the department."

9 Correct the title.

EFFECT: Allows the department of health (department) to forgo
establishing or operating the database if it determines that a
statewide association of pharmacists or pharmacies is providing a
substantially similar publicly available database. Changes the date
the database must be established to move it back one year, so that
the department is not required to establish the database until July
1, 2020, and pharmacies are not required to provide data to the
department regarding the database until April 1, 2020. Requires the
department to establish the database in consultation with
stakeholders.
