

SHB 2592 - H AMD 917

By Representative Morris

1 On page 3, beginning on line 5, after "following" strike "types of
2 small cell facility work without requiring an application, permit, or
3 fee"

4
5 On page 3, line 7, after "Routine" strike "maintenance" and insert
6 "small cell facility maintenance without requiring an application,
7 permit, or fee"

8
9 On page 3, beginning on line 8, after "facilities" strike all
10 material through "ordinance" on line 12 and insert "without requiring
11 a permit or fee, provided that such a replacement is substantially
12 similar or smaller in size, weight, and height and does not defeat the
13 design or concealment standards placed in the local code or ordinance,
14 unless the local government determines within thirty days of receipt
15 of a complete application that the replacement work does not fit this
16 criteria"

17
18 On page 4, line 1, after "(3)" insert "Nothing in this section
19 impairs a local governments' rights or providers' obligations under
20 RCW 35.99.060 regarding relocation of authorized facilities in a
21 public right-of-way.

22 (4)"

23
24 Renumber the remaining subsections consecutively and correct any
25 internal references accordingly.

26
27

EFFECT: Provides a limited review period for whether replacement work fits certain criteria to be exempt from permit and fee requirements. Specifies that nothing in this section impairs existing rights and obligations regarding facility relocations under RCW 35.99.060.
