PART II
HUMAN SERVICES

NEW SECTION. **Sec. 201. FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES**

(1) The appropriations to the department of social and health services in this act shall be expended for the programs and in the amounts specified in this act. Appropriations made in this act to the department of social and health services shall initially be allotted as required by this act. Subsequent allotment modifications shall not include transfers of moneys between sections of this act except as expressly provided in this act, nor shall allotment modifications permit moneys that are provided solely for a specified purpose to be used for other than that purpose.

(2) The department of social and health services shall not initiate any services that require expenditure of state general fund moneys unless expressly authorized in this act or other law. The department may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of amounts anticipated in this act. If the department receives unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any other legislation providing appropriation authority, and an equal amount of appropriated state general fund moneys shall lapse. Upon the lapsing of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, "unrestricted federal moneys" includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

(3) The legislature finds that medicaid payment rates, as calculated by the department pursuant to the appropriations in this act, bear a reasonable relationship to the costs incurred by efficiently and economically operated facilities for providing quality services and will be sufficient to enlist enough providers so that care and services are available to the extent that such care and services are available to the general population in the geographic area. The legislature finds that cost reports, payment data from the federal government, historical utilization, economic data, and

1 clinical input constitute reliable data upon which to determine the
2 payment rates.

3 (4) The department shall to the maximum extent practicable use
4 the same system for delivery of spoken-language interpreter services
5 for social services appointments as the one established for medical
6 appointments in the health care authority. When contracting directly
7 with an individual to deliver spoken language interpreter services,
8 the department shall only contract with language access providers who
9 are working at a location in the state and who are state-certified or
10 state-authorized, except that when such a provider is not available,
11 the department may use a language access provider who meets other
12 certifications or standards deemed to meet state standards, including
13 interpreters in other states.

14 (5) Information technology projects or investments and proposed
15 projects or investments impacting time capture, payroll and payment
16 processes and systems, eligibility, case management, and
17 authorization systems within the department of social and health
18 services are subject to technical oversight by the office of the
19 chief information officer.

20 (6)(a) The department shall facilitate enrollment under the
21 medicaid expansion for clients applying for or receiving state funded
22 services from the department and its contractors. Prior to open
23 enrollment, the department shall coordinate with the health care
24 authority to provide referrals to the Washington health benefit
25 exchange for clients that will be ineligible for medicaid.

26 (b) To facilitate a single point of entry across public and
27 medical assistance programs, and to maximize the use of federal
28 funding, the health care authority, the department of social and
29 health services, and the health benefit exchange will coordinate
30 efforts to expand HealthPlanfinder access to public assistance and
31 medical eligibility staff. The department shall complete medicaid
32 applications in the HealthPlanfinder for households receiving or
33 applying for public assistance benefits.

33 (1) \$331,000 of the general fund—state appropriation for fiscal
 34 year 2018 and \$331,000 of the general fund—state appropriation for
 35 fiscal year 2019 are provided solely for deposit in the county

9 report: "Inventory of Evidence-based, Research-based, and Promising
10 Practices for Prevention and Intervention Services for Children and
11 Juveniles in the Child Welfare, Juvenile Justice, and Mental Health
12 Systems." Additional funding for this purpose is provided through an
13 interagency agreement with the health care authority. County juvenile
14 courts shall apply to the juvenile rehabilitation administration for
15 funding for program-specific participation and the administration
16 shall provide grants to the courts consistent with the per-
17 participant treatment costs identified by the institute.

18 (3) \$1,537,000 of the general fund—state appropriation for fiscal
19 year 2018 and \$1,537,000 of the general fund—state appropriation for
20 fiscal year 2019 are provided solely for expansion of the following
21 juvenile justice treatments and therapies in juvenile rehabilitation
22 administration programs identified by the Washington state institute
23 for public policy in its report: "Inventory of Evidence-based,
24 Research-based, and Promising Practices for Prevention and
25 Intervention Services for Children and Juveniles in the Child
26 Welfare, Juvenile Justice, and Mental Health Systems." The
27 administration may concentrate delivery of these treatments and
28 therapies at a limited number of programs to deliver the treatments
29 in a cost-effective manner.

30 (4)(a) \$6,198,000 of the general fund—state appropriation for
31 fiscal year 2018 and \$6,198,000 of the general fund—state
32 appropriation for fiscal year 2019 are provided solely to implement

35 of programs funded by the grants. In addition to funding provided in
36 this subsection, funding to implement alcohol and substance abuse
37 treatment programs for locally committed offenders is provided
38 through an interagency agreement with the health care authority.

1 (b) The juvenile rehabilitation administration shall administer a

4 justice system. Funds dedicated to the block grant include:
5 Consolidated juvenile service (CJS) funds, community juvenile
6 accountability act (CJAA) grants, chemical dependency/mental health
7 disposition alternative (CDDA), and suspended disposition alternative
8 (SDA). The juvenile rehabilitation administration shall follow the
9 following formula and must prioritize evidence-based programs and
10 disposition alternatives and take into account juvenile courts
11 program-eligible youth in conjunction with the number of youth served
12 in each approved evidence-based program or disposition alternative:
13 (i) Thirty-seven and one-half percent for the at-risk population of
14 youth ten to seventeen years old; (ii) fifteen percent for the
15 assessment of low, moderate, and high-risk youth; (iii) twenty-five
16 percent for evidence-based program participation; (iv) seventeen and
17 one-half percent for minority populations; (v) three percent for the
18 chemical dependency and mental health disposition alternative; and
19 (vi) two percent for the suspended dispositional alternatives.
20 Funding for the special sex offender disposition alternative (SSODA)
21 shall not be included in the block grant, but allocated on the
22 average daily population in juvenile courts. Funding for the
23 evidence-based expansion grants shall be excluded from the block
24 grant formula. Funds may be used for promising practices when
25 approved by the juvenile rehabilitation administration and juvenile
26 courts, through the community juvenile accountability act committee,
27 based on the criteria established in consultation with Washington
28 state institute for public policy and the juvenile courts.

29 (c) If Second Substitute House Bill No. 1280 (referred and
30 diverted youth) is enacted, then the administration must implement a
31 stop-loss policy when allocating funding under (b) of this subsection
32 in the 2017-2019 fiscal biennium. Under the stop-loss policy, funding
33 formula changes may not result in a funding loss for any juvenile
34 court of more than two percent from one year to the next. The
35 committee in (d) of this subsection must establish a minimum base
36 level of funding for juvenile courts with lower numbers of at-risk
37 youth age 10 - 17. The administration must report to the legislature
38 by December 1, 2018, about how funding is used for referred youth and
39 the impact of that use on overall use of funding. If the bill is not
40 enacted by June 30, 2017, this subsection is null and void.

1 (d) The juvenile rehabilitation administration and the juvenile
2 courts shall establish a block grant funding formula oversight
3 committee with equal representation from the juvenile rehabilitation
4 administration and the juvenile courts. The purpose of this committee
5 is to assess the ongoing implementation of the block grant funding
6 formula, utilizing data-driven decision making and the most current
7 available information. The committee will be co-chaired by the
8 juvenile rehabilitation administration and the juvenile courts, who
9 will also have the ability to change members of the committee as
10 needed to achieve its purpose. The committee may make changes to the
11 formula categories in (b) of this subsection if it determines the
12 changes will increase statewide service delivery or effectiveness of
13 evidence-based program or disposition alternative resulting in
14 increased cost/benefit savings to the state, including long-term
15 cost/benefit savings. The committee must also consider these outcomes
16 in determining when evidence-based expansion or special sex offender
17 disposition alternative funds should be included in the block grant
18 or left separate.

19 (e) The juvenile courts and administrative office of the courts
20 must collect and distribute information and provide access to the
21 data systems to the juvenile rehabilitation administration and the
22 Washington state institute for public policy related to program and
23 outcome data. The juvenile rehabilitation administration and the
24 juvenile courts must work collaboratively to develop program outcomes
25 that reinforce the greatest cost/benefit to the state in the
26 implementation of evidence-based practices and disposition
27 alternatives.

28 (5) \$98,000 of the general fund—state appropriation for fiscal
29 year 2018 and \$98,000 of the general fund—state appropriation for
30 fiscal year 2019 are provided solely to the juvenile block grant
31 funding formula oversight committee described in subsection (4)(d) of
32 this section to contract with research entities to: (a) Assist
33 juvenile justice programs identified as promising practices or
34 research-based in undergoing the research necessary to demonstrate
35 that the program is evidence-based; and (b) establish an annual,
36 county-level evaluation of existing evidence-based juvenile justice
37 programs.

39 year 2018 and \$750,000 of the general fund—state appropriation for

2 project.

3 (7) \$283,000 of the general fund—state appropriation for fiscal
4 year 2018 and \$283,000 of the general fund—state appropriation for
5 fiscal year 2019 are provided solely for the juvenile detention
6 alternatives initiative.

7 (8) \$600,000 of the general fund—state appropriation for fiscal
8 year 2018 and \$600,000 of the general fund—state appropriation for
9 fiscal year 2019 are provided solely for a grant program focused on
10 criminal street gang prevention and intervention. The juvenile
11 rehabilitation administration may award grants under this subsection.
12 The juvenile rehabilitation administration shall give priority to
13 applicants who have demonstrated the greatest problems with criminal
14 street gangs. Applicants composed of, at a minimum, one or more local
15 governmental entities and one or more nonprofit, nongovernmental
16 organizations that have a documented history of creating and
17 administering effective criminal street gang prevention and
18 intervention programs may apply for funding under this subsection.
19 Each entity receiving funds must report to the juvenile
20 rehabilitation administration on the number and types of youth
21 served, the services provided, and the impact of those services on
22 the youth and the community.

23 (9) The juvenile rehabilitation institutions may use funds
24 appropriated in this subsection to purchase goods and supplies
25 through hospital group purchasing organizations when it is cost-
26 effective to do so.

27 (10) \$150,000 of the general fund—state appropriation for fiscal
28 year 2018 is provided solely to coordinate the examination of data
29 associated with juvenile gang and firearm offenses.

30 (11) Within the amounts appropriated in this section, the
31 department must prepare a report outlining the different options for
32 housing youthful offenders in a juvenile rehabilitation facility
33 until age twenty-five. As part of this process, the department of
34 social and health services shall seek guidance from the department of
35 justice office of juvenile justice and delinquency prevention
36 regarding the ability to house youthful offenders in juvenile
37 rehabilitation facilities until age twenty-five without violating the
38 juvenile justice and delinquency prevention act, 42 U.S.C. Sec. 5633.
39 The department must deliver the report to the governor and the

1 appropriate committees of the legislature by December 1, 2017, and
2 must include a description of the following:

3 (a) The communication with the department of justice office of
4 juvenile justice and delinquency prevention and all information
5 provided by that office regarding housing youthful offenders in
6 juvenile rehabilitation facilities until age twenty-five without
7 violating the juvenile justice and delinquency prevention act, 42
8 U.S.C. Sec. 5633;

9 (b) The facility or facilities that would be used to house
10 youthful offenders in juvenile rehabilitation facilities until age
11 twenty-five; and

21 The appropriations in this section are subject to the following
22 conditions and limitations:

23 (a) PHYSICAL HEALTH CARE

24 (i) Sufficient amounts are appropriated in this subsection to
25 implement the medicaid expansion as defined in the social security
26 act, section 1902(a)(10)(A)(i)(VIII).

27 (ii) Medicaid payment rates, as calculated by the health care
28 authority pursuant to the appropriations in this act, bear a
29 reasonable relationship to the costs incurred by efficiently and
30 economically operated facilities for providing quality services and
31 will be sufficient to enlist enough providers so that care and
32 services are available to the extent that such care and services are
33 available to the general population in the geographic area. The
34 legislature finds that the cost reports, payment data from the
35 federal government, historical utilization, economic data, and
36 clinical input constitute reliable data upon which to determine the
37 payment rates.

38 (iii) Based on quarterly expenditure reports and caseload
39 forecasts, if the health care authority estimates that expenditures

1 for the medical assistance program will exceed the appropriations,
2 the health care authority shall take steps including but not limited
3 to reduction of rates or elimination of optional services to reduce
4 expenditures so that total program costs do not exceed the annual
5 appropriation authority.

6 (iv) In determining financial eligibility for medicaid-funded
7 services, the health care authority is authorized to disregard
8 recoveries by Holocaust survivors of insurance proceeds or other
9 assets, as defined in RCW 48.104.030.

10 (v) It is in the state's interest for Harborview medical center
11 to remain an economically viable component of the state's health care
12 system.

13 (vi) When a person is ineligible for medicaid solely by reason of
14 residence in an institution for mental diseases, the health care
15 authority shall provide the person with the same benefits as he or
16 she would receive if eligible for medicaid, using state-only funds to
17 the extent necessary.

18 (vii) \$4,261,000 of the general fund—state appropriation for
19 fiscal year 2018, \$4,261,000 of the general fund—state appropriation
20 for fiscal year 2019, and \$8,522,000 of the general fund—federal
21 appropriation are provided solely for low-income disproportionate
22 share hospital payments.

23 (viii) Within the amounts appropriated in this section, the
24 health care authority shall provide disproportionate share hospital
25 payments to hospitals that provide services to children in the
26 children's health program who are not eligible for services under
27 Title XIX or XXI of the federal social security act due to their
28 citizenship status.

29 (ix) \$6,000,000 of the general fund—federal appropriation is
30 provided solely for supplemental payments to nursing homes operated
31 by public hospital districts. The public hospital district shall be
32 responsible for providing the required nonfederal match for the
33 supplemental payment, and the payments shall not exceed the maximum
34 allowable under federal rules. It is the legislature's intent that
35 the payments shall be supplemental to and shall not in any way offset
36 or reduce the payments calculated and provided in accordance with
37 part E of chapter 74.46 RCW. It is the legislature's further intent
38 that costs otherwise allowable for rate-setting and settlement
39 against payments under chapter 74.46 RCW shall not be disallowed

1 solely because such costs have been paid by revenues retained by the
2 nursing home from these supplemental payments. The supplemental
3 payments are subject to retrospective interim and final cost
4 settlements based on the nursing homes' as-filed and final medicare
5 cost reports. The timing of the interim and final cost settlements
6 shall be at the health care authority's discretion. During either the
7 interim cost settlement or the final cost settlement, the health care
8 authority shall recoup from the public hospital districts the
9 supplemental payments that exceed the medicaid cost limit and/or the
10 medicare upper payment limit. The health care authority shall apply
11 federal rules for identifying the eligible incurred medicaid costs
12 and the medicare upper payment limit.

13 (x) The health care authority shall continue the inpatient
14 hospital certified public expenditures program for the 2017-2019
15 fiscal biennium. The program shall apply to all public hospitals,
16 including those owned or operated by the state, except those
17 classified as critical access hospitals or state psychiatric
18 institutions. The health care authority shall submit reports to the
19 governor and legislature by November 1, 2017, and by November 1,
20 2018, that evaluate whether savings continue to exceed costs for this
21 program. If the certified public expenditures (CPE) program in its
22 current form is no longer cost-effective to maintain, the health care
23 authority shall submit a report to the governor and legislature
24 detailing cost-effective alternative uses of local, state, and
25 federal resources as a replacement for this program. During fiscal
26 year 2018 and fiscal year 2019, hospitals in the program shall be
27 paid and shall retain one hundred percent of the federal portion of
28 the allowable hospital cost for each medicaid inpatient fee-for-
29 service claim payable by medical assistance and one hundred percent
30 of the federal portion of the maximum disproportionate share hospital
31 payment allowable under federal regulations. Inpatient medicaid
32 payments shall be established using an allowable methodology that
33 approximates the cost of claims submitted by the hospitals. Payments
34 made to each hospital in the program in each fiscal year of the
35 biennium shall be compared to a baseline amount. The baseline amount
36 will be determined by the total of: (A) The inpatient claim payment
37 amounts that would have been paid during the fiscal year had the
38 hospital not been in the CPE program based on the reimbursement rates
39 developed, implemented, and consistent with policies approved in the
40 2017-2019 biennial operating appropriations act and in effect on July

1 1, 2017; (B) one-half of the indigent assistance disproportionate
2 share hospital payment amounts paid to and retained by each hospital
3 during fiscal year 2005; and (C) all of the other disproportionate
4 share hospital payment amounts paid to and retained by each hospital
5 during fiscal year 2005 to the extent the same disproportionate share
6 hospital programs exist in the 2017-2019 fiscal biennium. If payments
7 during the fiscal year exceed the hospital's baseline amount, no
8 additional payments will be made to the hospital except the federal
9 portion of allowable disproportionate share hospital payments for
10 which the hospital can certify allowable match. If payments during
11 the fiscal year are less than the baseline amount, the hospital will
12 be paid a state grant equal to the difference between payments during
13 the fiscal year and the applicable baseline amount. Payment of the
14 state grant shall be made in the applicable fiscal year and
15 distributed in monthly payments. The grants will be recalculated and
16 redistributed as the baseline is updated during the fiscal year. The
17 grant payments are subject to an interim settlement within eleven
18 months after the end of the fiscal year. A final settlement shall be
19 performed. To the extent that either settlement determines that a
20 hospital has received funds in excess of what it would have received
21 as described in this subsection, the hospital must repay the excess
22 amounts to the state when requested. \$10,575,000 of the general fund—
23 state appropriation for fiscal year 2018 and \$13,185,000 of the
24 general fund—state appropriation for fiscal year 2019 are provided
25 solely for state grants for the participating hospitals.

26 (xi) The health care authority shall seek public-private
27 partnerships and federal funds that are or may become available to
28 provide on-going support for outreach and education efforts under the
29 federal children's health insurance program reauthorization act of
30 2009.

31 (xii) The health care authority shall target funding for
32 maternity support services towards pregnant women with factors that
33 lead to higher rates of poor birth outcomes, including hypertension,
34 a preterm or low birth weight birth in the most recent previous
35 birth, a cognitive deficit or developmental disability, substance
36 abuse, severe mental illness, unhealthy weight or failure to gain
37 weight, tobacco use, or African American or Native American race. The
38 health care authority shall prioritize evidence-based practices for
39 delivery of maternity support services. To the extent practicable,
40 the health care authority shall develop a mechanism to increase

1 federal funding for maternity support services by leveraging local
2 public funding for those services.

3 (xiii) Managed care contracts must incorporate accountability
4 measures that monitor patient health and improved health outcomes,
5 and shall include an expectation that each patient receive a wellness
6 examination that documents the baseline health status and allows for
7 monitoring of health improvements and outcome measures.

8 (xiv) Sufficient amounts are appropriated in this section for the
9 authority to provide an adult dental benefit.

10 (xv) The health care authority shall coordinate with the
11 department of social and health services to provide referrals to the
12 Washington health benefit exchange for clients that will be
13 ineligible for medicaid.

14 (xvi) To facilitate a single point of entry across public and
15 medical assistance programs, and to maximize the use of federal
16 funding, the health care authority, the department of social and
17 health services, and the health benefit exchange will coordinate
18 efforts to expand HealthPlanfinder access to public assistance and
19 medical eligibility staff. The health care authority shall complete
20 medicaid applications in the HealthPlanfinder for households
21 receiving or applying for medical assistance benefits.

22 (xvii) \$90,000 of the general fund—state appropriation for fiscal
23 year 2018, \$90,000 of the general fund—state appropriation for fiscal
24 year 2019, and \$180,000 of the general fund—federal appropriation are
25 provided solely to continue operation by a nonprofit organization of
26 a toll-free hotline that assists families to learn about and enroll
27 in the apple health for kids program.

28 (xviii) The appropriations in this section reflect savings and
29 efficiencies by transferring children receiving medical care provided
30 through fee-for-service to medical care provided through managed
31 care.

32 (xix) Within the amounts appropriated in this section, the
33 authority shall reimburse for primary care services provided by
34 naturopathic physicians.

35 (xx) Within the amounts appropriated in this section, the
36 authority shall continue to provide coverage for pregnant teens that
37 qualify under existing pregnancy medical programs, but whose
38 eligibility for pregnancy related services would otherwise end due to

1 the application of the new modified adjusted gross income eligibility
2 standard.

3 (xxi) Sufficient amounts are appropriated in this section to
4 remove the mental health visit limit and to provide the shingles
5 vaccine and screening, brief intervention, and referral to treatment
6 benefits that are available in the medicaid alternative benefit plan
7 in the classic medicaid benefit plan.

8 (xxii) The authority shall use revenue appropriated from the
9 dedicated marijuana fund for contracts with community health centers
10 under RCW 69.50.540 in lieu of general fund—state payments to
11 community health centers for services provided to medical assistance
12 clients, and it is the intent of the legislature that this policy
13 will be continued in subsequent fiscal biennia.

14 (xxiii) The authority shall submit reports to the governor and
15 the legislature by September 15, 2018, and by September 15, 2019,
16 that delineate the number of individuals in medicaid managed care, by
17 carrier, age, gender, and eligibility category, receiving
18 preventative services and vaccinations. The reports should include
19 baseline and benchmark information from the previous two fiscal years
20 and should be inclusive of, but not limited to, services recommended
21 under the United States preventative services task force, advisory
22 committee on immunization practices, early and periodic screening,
23 diagnostic, and treatment (EPSDT) guidelines, and other relevant
24 preventative and vaccination medicaid guidelines and requirements.

25 (xxiv) Within the amounts appropriated within this section,
26 beginning July 1, 2017, the authority must increase facility fees for
27 birth centers to the amount listed on page 2 of their report to the
28 legislature dated October 15, 2016, entitled "reimbursement for
29 births performed at birth centers." This increased rate is applicable
30 in both fee-for-service settings and is the minimum allowable rate in
31 a managed care setting. The authority shall report to the governor
32 and appropriate committees of the legislature by October 15, 2018, on
33 updated information regarding access to care, improvements to the
34 Cesarean section rate, and savings outcomes for utilizing birth
35 centers as an alternative to hospitals.

36 (xxv) Within the amounts appropriated within this section, the
37 authority shall implement the plan to show how improved access to
38 home health nursing reduces potentially preventable readmissions,
39 increases access to care, reduces hospital length of stay, and
40 prevents overall hospital admissions for clients receiving private

1 duty nursing, medically intensive care, or home health benefits as
2 described in their report to the legislature dated December 15, 2016,
3 entitled "home health nursing." The authority shall report to the
4 governor and appropriate committees of the legislature by December
5 31, 2017, information regarding the effect of the ten-dollar rate
6 increases for skilled nursing care delivered via private duty nursing
7 or home health nursing, and how the rate changes impacted the
8 utilization and cost of emergency room visits, reduced the length of
9 stay for initial hospital admissions, and reduced utilization and
10 costs of preventable hospital readmissions. The report will quantify
11 potential cost saving opportunities that may exist through improved
12 access to private duty and home health nursing statewide.

13 (xxvi) \$165,000 of the general fund—state appropriation for
14 fiscal year 2018, \$329,000 of the general fund—state appropriation
15 for fiscal year 2019, and \$604,000 of the general fund—federal
16 appropriation are provided solely for implementation of Engrossed
17 Second Substitute House Bill No. 1713 (children's mental health). If
18 the bill is not enacted by June 30, 2017, the amounts provided in
19 this subsection shall lapse.

20 (xxvii) \$1,813,000 of the general fund—state appropriation for
21 fiscal year 2018, \$3,764,000 of the general fund—state appropriation
22 for fiscal year 2019, and \$12,930,000 of the general fund—federal
23 appropriation are provided solely for implementation of Substitute
24 House Bill No. 1338 (state health insurance pool). If the bill is not
25 enacted by June 30, 2017, the amounts provided in this subsection
26 shall lapse.

28 fiscal year 2018 and \$1,006,000 of the general fund—state
29 appropriation for fiscal year 2019 are provided solely for
30 implementation of Substitute House Bill No. 1291 (Pacific Islander
31 health care). If the bill is not enacted by June 30, 2017, the

34 fiscal year 2018, \$839,000 of the general fund—state appropriation
35 for fiscal year 2019, and \$943,000 of the general fund—federal
36 appropriation are provided solely for implementation of Substitute
37 House Bill No. 1520 (hospital payment methodology). If the bill is
38 not enacted by June 30, 2017, the amounts provided in this subsection
39 shall lapse.

1 (xxx) Sufficient amounts are appropriated in this section for the
2 implementation of Substitute House Bill No. 1358 (community
3 assistance referral programs).

4 (xxxii) Within the amounts appropriated in this section, the
5 authority shall reimburse for manipulative therapy services provided
6 by chiropractors to eligible medicaid clients. Nothing in this
7 subsection shall constitute the expansion of the current manipulative
8 therapy benefit or its application to nonmedicaid eligible
9 individuals.

10 (xxxiii) \$450,000 of the general fund—state appropriation for
11 fiscal year 2018, \$450,000 of the general fund—state appropriation
12 for fiscal year 2019, and \$1,058,000 of the general fund—federal
13 appropriation are provided solely for the authority to hire ten nurse
14 case managers to coordinate medically assisted treatment and

16 disorder. Nurses shall be located in areas and provider settings with
17 the highest concentration of opioid use disorder patients.

18 (xxxiiii) Sufficient amounts are appropriated in this section for
19 the authority to provide a collaborative care benefit beginning July
20 1, 2017.

21 (xxxv) \$500,000 of the general fund—state appropriation for
22 fiscal year 2018 and \$500,000 of the general fund—state appropriation
23 for fiscal year 2019 are provided solely to increase payments for
24 health home services.

25 (xxxvi) The authority and the department of social and health
26 services shall convene a work group consisting of representatives of
27 skilled nursing facilities, adult family homes, assisted living
28 facilities, managers of in-home long-term care, hospitals, and
29 managed health care systems. The work group shall identify barriers
30 that may prevent skilled nursing facilities from accepting and
31 admitting clients from acute care hospitals in a timely and
32 appropriate manner. The work group shall consider what additional
33 resources are needed to allow for faster transfers of enrollees,
34 including those with complex needs. By December 1, 2017, the
35 authority shall report the work group's findings to the governor and
36 the appropriate committees of the legislature.

37 (xxxvii) Sufficient amounts are appropriated in this section to
38 increase the daily rate by \$155.20 for skilled nursing performed by
39 licensed practical nurses and registered nurses who serve medically

1 intensive children's program clients who reside in a group home
2 setting.

3 (xxxvii)(A) Within the amounts appropriated in this section, the
4 authority shall issue a request for information (RFI) for the
5 administration of the medicaid dental program, pursuant to the
6 December 2016 report to the legislature entitled "contracting out
7 dental services administration." The RFI should be framed within the
8 context of whole person care and support the goals of coordinated and
9 integrated care. It shall include, but is not limited to, questions
10 necessary to inform:

11 (I) Recommendations for quarterly reporting requirements
12 including medicaid utilization and encounter data by current dental
13 technology code;

22 sufficient to compensate county health departments and federally
23 qualified health centers for dental care;

24 (VII) Estimations of the four year costs associated with moving
25 to a non-fee-for-service program;

26 (VIII) Estimations of the potential per member per month costs;

27 (IX) Estimations of the potential change in utilization
28 associated with moving to a non-fee-for-service program and
29 recommendations for increasing utilization to optimal levels;

30 (X) Estimations of the annual administrative costs of a non-fee-
31 for-service program;

32 (XI) Identification of any potential impact on federally
33 qualified health centers and dental schools;

34 (XII) Estimations for managed care dental plan start-up costs and
35 savings estimations from managed care dental as compared to the 2016
36 fee-for-service program; and

37 (XIII) Recommendations for evaluating the impact in areas where
38 only a single plan is available.

39 (B) The authority shall provide an initial report to the
40 appropriate committees of the legislature on the RFI under (A) of

1 this subsection (1)(a)(xxxvii) by December 31, 2017, and a final
2 report by December 31, 2018. By July 1, 2018, the authority shall
3 issue a request for proposals (RFP) if recommended at the conclusion
4 of the RFI process. The RFP shall be consistent with recommendations
5 informed by the RFI.

6 (xxxviii) \$500,000 of the general fund—state appropriation for
7 fiscal year 2019 and \$500,000 of the general fund—federal
8 appropriation are provided solely for the authority to implement the
9 oral health connections pilot project in collaboration with
10 Washington dental service foundation. The purpose of the three-year
11 pilot is to test the effect that enhanced dental benefits for adult
12 medicaid clients with diabetes and pregnant women have on access to
13 dental care, health outcomes, and medical care costs. The authority
14 must model the pilot on the access to baby and child dentistry
15 program. The pilot program must include enhanced reimbursement rates
16 for participating dental providers, including denturists licensed
17 under chapter 18.30 RCW, and an increase in the allowable number of
18 periodontal treatments to up to four per calendar year. Diabetic or
19 pregnant adult medicaid clients who are receiving dental care within
20 the pilot region(s), regardless of location of the service within the
21 pilot region(s), are eligible for the increased number of periodontal
22 treatments. The Washington dental service foundation shall partner
23 with the authority and provide wraparound services to link patients
24 to care. The authority and Washington dental service foundation shall
25 jointly develop the program. The authority and foundation shall
26 provide a joint progress report to the appropriate committees of the
27 legislature on December 1, 2017, and December 1, 2018.

28 (xxxix) Beginning no later than January 1, 2018, for any service
29 eligible under the medicaid state plan for encounter payments,
30 managed care organizations at the request of a rural health clinic
31 shall pay the full published encounter rate directly to the clinic.
32 Managed care organizations do not have any risk for or right to the
33 supplemental portion of the claim. Payments must be reconciled on at
34 least an annual basis between the managed care organization and the
35 authority, with final review and approval by the authority. By
36 September 31, 2017, the authority shall report to the legislature on
37 its progress implementing this subsection.

38 (xxxx) Within the amounts appropriated in this section, and in
39 consultation with appropriate parties, including the rural health
40 clinic association of Washington and the centers for medicare and

1 medicaid services, by December 1, 2017, the authority shall submit a
2 report to the governor and appropriate committees of the legislature
3 evaluating legislative and administrative options to reduce or
4 eliminate any amounts owed by a rural health clinic under the payment
5 reconciliation process established in the medicaid state plan.

6 (xxxxix) \$2,149,267,000 of the general fund—state appropriation
7 for fiscal year 2018, \$2,249,373,000 of the general fund—state
8 appropriation for fiscal year 2019, and \$8,830,670,000 of the general
9 fund—federal appropriation are provided solely for state medical
10 assistance services and the medical assistance program. Sufficient
11 amounts are provided in this subsection to increase managed care
12 rates in calendar year 2018 and calendar year 2019 by 2 percent on a
13 one-time basis.

14 (xxxxix) \$259,313,000 of the general fund—state appropriation for
15 fiscal year 2018 and \$271,550,000 of the general fund—state
16 appropriation for fiscal year 2019 are provided solely for the
17 authority to implement a single, standard state preferred drug list
18 to be used by all contracted medicaid managed health care systems, on
19 or before January 1, 2018. The preferred drug list shall be developed
20 in consultation with all contracted managed health care systems and
21 the state pharmacy and therapeutics committee. The list shall be
22 designed to maximize federal rebates and supplemental rebates and
23 ensure access to clinically effective and appropriate drug therapies
24 under each class. The authority may utilize external consultants with
25 expertise in evidence based drug class reviews, pharmacy benefit
26 management, and purchasing to assist with the completion of this
27 development and implementation. To assist in the implementation of
28 the single preferred drug list, contracted medicaid managed health
29 care systems shall provide the authority drug specific financial
30 information in a format and frequency determined by the authority to
31 include: The actual amounts paid to pharmacies for prescription drugs
32 dispensed to covered individuals compared to the cost invoiced to the
33 health plan and individual rebates collected for prescription drugs
34 dispensed to medicaid members. The administration of the prescription
35 drug benefit for medicaid managed health care systems shall be
36 carried out by a single pharmacy benefits manager under the
37 prescription drug purchasing consortium with full transparency of all
38 rebates, supplemental rebates, and associated administrative costs.
39 The authority shall provide a report to the governor and appropriate

1 committees of the legislature by November 15, 2018, and no later than
2 November 15, 2019, including a comparison of the amount spent in the
3 previous two fiscal years to expenditures under the new system by, at
4 a minimum, fund source, total expenditure, drug class, and top
5 twenty-five drugs.

6 (xxxxiii) \$304,000 of the general fund—state appropriation for
7 fiscal year 2018, \$304,000 of the general fund—state appropriation
8 for fiscal year 2019, and \$608,000 of the general fund—federal
9 appropriation are provided solely for the authority to contract with
10 the University of Washington tele-pain pain management program and
11 pain management call center to advance primary care provider
12 knowledge of complex pain management issues, including opioid
13 addiction.

14 (b) BEHAVIORAL HEALTH

15 (i) For the purposes of this subsection, amounts provided for
16 behavioral health organizations shall also be available for the
17 authority to contract with entities that assume the responsibilities
18 of behavioral health organizations in regions in which the authority
19 is purchasing medical and behavioral health services through fully
20 integrated contracts pursuant to RCW 71.24.380.

21 (ii) The authority shall evaluate adding a tele-pyschiatry
22 consultation benefit for medicaid covered individuals. The authority
23 shall submit a report with the cost associated with adding such a
24 benefit to the governor and appropriate committees of the legislature
25 by October 1, 2017.

26 (iii) \$6,590,000 of the general fund—state appropriation for
27 fiscal year 2018, \$6,590,000 of the general fund—state appropriation
28 for fiscal year 2019, and \$7,620,000 of the general fund—federal
29 appropriation are provided solely for the authority and behavioral
30 health organizations to continue to contract for implementation of
31 high-intensity programs for assertive community treatment (PACT)
32 teams. In determining the proportion of medicaid and nonmedicaid
33 funding provided to behavioral health organizations with PACT teams,
34 the authority shall consider the differences between behavioral
35 health organizations in the percentages of services and other costs
36 associated with the teams that are not reimbursable under medicaid.
37 The authority may allow behavioral health organizations which have
38 nonmedicaid reimbursable costs that are higher than the nonmedicaid
39 allocation they receive under this section to supplement these funds

1 with local dollars or funds received under section 212(1)(b)(xvi) of
2 this act. The authority and behavioral health organizations shall
3 maintain consistency with all essential elements of the PACT
4 evidence-based practice model in programs funded under this section.

5 (iv) From the general fund—state appropriations in this
6 subsection, the authority shall assure that behavioral health
7 organizations reimburse the department of social and health services
8 aging and long term support administration for the general fund—state
9 cost of medicaid personal care services that enrolled behavioral
10 health organization consumers use because of their psychiatric
11 disability.

12 (v) \$3,520,000 of the general fund—federal appropriation is
13 provided solely for the authority to maintain a pilot project to put
14 peer bridging staff into each behavioral health organization as part
15 of the state psychiatric liaison teams to promote continuity of
16 service as individuals return to their communities. The authority
17 must collect data and submit a report to the office of financial
18 management and the appropriate committees of the legislature on the
19 impact of peer staff on state hospital discharges and community
20 placements by December 1, 2017.

21 (vi) \$2,000,000 of the general fund—state appropriation for
22 fiscal year 2018, \$4,286,000 of the general fund—state appropriation
23 for fiscal year 2019, and \$1,726,000 of the general fund—federal
24 appropriation are provided solely for enhancement of community mental
25 health services. These amounts must be used for new crisis triage
26 centers, mobile crisis teams, and housing and recovery support
27 programs. The authority must seek proposals from behavioral health
28 organizations for the use of these funds based on regional
29 priorities. The authority must not use any of these amounts for
30 services in facilities that are subject to federal funding
31 restrictions that apply to institutions for mental diseases.

32 (vii) \$29,134,000 of the general fund—state appropriation for
33 fiscal year 2018 and \$29,134,000 of the general fund—state
34 appropriation for fiscal year 2019 are provided solely to assist
35 behavioral health organizations with the costs of providing services
36 to medicaid clients receiving services in psychiatric facilities
37 classified as institutions of mental diseases. In fiscal year 2018,
38 the authority must distribute these amounts proportionate to the
39 number of bed days for medicaid clients in institutions for mental

1 diseases that were excluded from behavioral health organization
2 fiscal year 2018 capitation rates because they exceeded the amounts
3 allowed under federal regulations. In fiscal year 2019, the authority
4 must distribute these funds based on a formula in which seventy-five
5 percent are distributed proportionate to the number of bed days for
6 medicaid clients in institutions for mental diseases that were
7 excluded from behavioral health organization fiscal year 2019
8 capitation rates because they exceeded the amounts allowed under
9 federal regulations and twenty-five percent are distributed
10 proportionate to the estimated medicaid caseload of the behavioral
11 health organizations. The authority must also use these amounts to
12 directly pay for costs in institutions of mental disease facilities
13 for American Indian and Alaska Natives who opt to receive behavioral
14 health services on a fee for service basis. The amounts used for
15 these individuals must be reduced from the allocation of the
16 behavioral health organization where the individual resides. If a
17 behavioral health organization receives more funding through this
18 subsection than is needed to pay for the cost of their medicaid
19 clients in institutions for mental diseases, they must use the
20 remainder of the amounts to provide other services not covered under
21 the medicaid program.

22 (viii) \$830,000 of the general fund—state appropriation for
23 fiscal year 2018 and \$830,000 of the general fund—state appropriation
24 for fiscal year 2019 are provided solely for behavioral health
25 organizations to contract with local entities to develop a street
26 outreach program. This program will utilize peer supports to engage
27 adults with mental health illness who may have not yet been engaged
28 in mental health treatment with the goal of reducing jail admissions
29 and involuntary commitments.

30 (ix) \$3,278,000 of the dedicated marijuana account—state
31 appropriation for fiscal year 2018 and \$3,278,000 of the dedicated
32 marijuana account—state appropriation for fiscal year 2019 are
33 provided solely for a memorandum of understanding with the department
34 of social and health services juvenile rehabilitation administration
35 to provide substance abuse treatment programs for juvenile offenders.
36 Of the amounts provided in this subsection:

37 (A) \$1,130,000 of the dedicated marijuana account—state
38 appropriation for fiscal year 2018 and \$1,130,000 of the dedicated
39 marijuana account—state appropriation for fiscal year 2019 are

1 provided solely for alcohol and substance abuse treatment programs
2 for locally committed offenders. The juvenile rehabilitation
3 administration shall award these funds as described in section 203(4)
4 of this act.

5 (B) \$282,000 of the dedicated marijuana account—state

10 (x) During the 2017-19 fiscal biennium, any amounts provided in
11 this section that are used for case management services for pregnant
12 and parenting women must be contracted directly between the authority
13 and providers rather than through contracts with behavioral health
14 organizations.

15 (xi) \$81,930,000 of the general fund—state appropriation for
16 fiscal year 2018 and \$81,930,000 of the general fund—state

22 services, including personal care and emergency housing assistance.
23 These amounts must be distributed to behavioral health organizations
24 proportionate to the fiscal year 2017 allocation of flexible
25 nonmedicaid funds. The authority must include the following language
26 in medicaid contracts with behavioral health organizations unless
27 they are provided formal notification from the center for medicaid
28 and medicare services that the language will result in the loss of
29 federal medicaid participation: "The contractor may voluntarily
30 provide services that are in addition to those covered under the
31 state plan, although the cost of these services cannot be included
32 when determining payment rates unless including these costs are
33 specifically allowed under federal law or an approved waiver."

34 (xii) The authority is authorized to continue to contract
35 directly, rather than through contracts with behavioral health
36 organizations for children's long-term inpatient facility services.

37 (xiii) \$1,125,000 of the general fund—state appropriation for
38 fiscal year 2018 and \$1,125,000 of the general fund—state

7 (B) Crisis outreach and diversion services to stabilize in the
8 community individuals in crisis who are at risk of requiring
9 inpatient care or jail services;

10 (C) Mental health services provided in nursing facilities to
11 individuals with dementia, and consultation to facility staff
12 treating those individuals; and

15 At least annually, the Spokane county behavioral health

19 improve their effectiveness.

20 (xiv) \$1,204,000 of the general fund—state appropriation for
21 fiscal year 2018 and \$1,204,000 of the general fund—state

23 Pierce and Spokane counties for the cost of conducting 180-day

25 (xv) Behavioral health organizations may use local funds to earn
26 additional federal medicaid match, provided the locally matched rate
27 does not exceed the upper-bound of their federally allowable rate
28 range, and provided that the enhanced funding is used only to provide
29 medicaid state plan or waiver services to medicaid clients.
30 Additionally, behavioral health organizations may use a portion of
31 the state funds allocated in accordance with (b)(x) of this
32 subsection to earn additional medicaid match, but only to the extent
33 that the application of such funds to medicaid services does not
34 diminish the level of crisis and commitment, community inpatient,
35 residential care, and outpatient services presently available to
36 persons not eligible for medicaid.

37 (xvi) \$2,291,000 of the general fund—state appropriation for
38 fiscal year 2018 and \$2,291,000 of the general fund—state
39 appropriation for fiscal year 2019 are provided solely for mental

1 health services for mentally ill offenders while confined in a county
2 or city jail and for facilitating access to programs that offer
3 mental health services upon release from confinement. The authority
4 must collect information from the behavioral health organizations on
5 their plan for using these funds, the numbers of individuals served,
6 and the types of services provided and submit a report to the office
7 of financial management and the appropriate fiscal committees of the
8 legislature by December 1st of each year of the biennium.

9 (xvii) Within the amounts appropriated in this section, funding
10 is provided for the authority to develop and phase in intensive
11 mental health services for high needs youth consistent with the
12 settlement agreement in *T.R. v. Dreyfus and Porter*.

13 (xviii) The authority must establish minimum and maximum funding
14 levels for all reserves allowed under behavioral health organization
15 contracts and insert contract language that clearly states the
16 requirements and limitations. The authority must monitor and ensure
17 that behavioral health organization reserves do not exceed maximum
18 levels. The authority must monitor behavioral health organization
19 revenue and expenditure reports and must require a behavioral health
20 organization to submit a corrective action plan on how it will spend
21 its excess reserves within a reasonable period of time, when its
22 reported reserves exceed maximum levels established under the
23 contract. The authority must review and approve such plans and
24 monitor to ensure compliance. If the authority determines that a
25 behavioral health organization has failed to provide an adequate
26 excess reserve corrective action plan or is not complying with an
27 approved plan, the authority must reduce payments to the behavioral
28 health organization in accordance with remedial actions provisions
29 included in the contract. These reductions in payments must continue
30 until the authority determines that the behavioral health
31 organization has come into substantial compliance with an approved
32 excess reserve corrective action plan.

36 appropriation are provided solely for the University of Washington's
37 evidence-based practice institute which supports the identification,
38 evaluation, and implementation of evidence-based or promising
39 practices. The institute must work with the authority to develop a

2 reduce the need for state general funds. The authority must collect

2 rehabilitation facilities, and the council on accreditation. To
3 reflect the reduced costs associated with regulation of accredited
4 programs, the department's fees for organizations with such proof of
5 accreditation must reflect the lower cost of licensing for these
6 programs than for other organizations which are not accredited. To

7 (3) ADMINISTRATIVE STAFF ALLOCATIONS

8 (a) Allocations for school building-level certificated
9 administrative staff salaries for the 2017-18 and 2018-19 school
10 years for general education students are determined using the formula
11 generated staff units calculated pursuant to this subsection. The
12 superintendent shall make allocations to school districts based on
13 the district's annual average full-time equivalent enrollment in each
14 grade. The following prototypical school values shall determine the
15 allocation for principals, assistance principals, and other
16 certificated building level administrators:

17 Prototypical School Building:

18 Elementary School	1.253
19 Middle School	1.353
20 High School	1.880

21 (b) Students in approved career and technical education and skill
22 center programs generate certificated school building-level
23 administrator staff units at per student rates that are a multiple of
24 the general education rate in (a) of this subsection by the following
25 factors: Career and Technical Education students. 1.025
26 Skill Center students. 1.198

27 (4) CLASSIFIED STAFF ALLOCATIONS

28 Allocations for classified staff units providing school building-
29 level and district-wide support services for the 2017-18 and 2018-19
30 school years are determined using the formula-generated staff units
31 provided in RCW 28A.150.260 and pursuant to this subsection, and
32 adjusted based on each district's annual average full-time equivalent
33 student enrollment in each grade, except the allocation for parent
34 involvement coordinators in an elementary school shall be 0.0825 for
35 the 2017-18 and 2018-19 school years, which enhancement is within the
36 program of basic education.

1 (5) CENTRAL OFFICE ALLOCATIONS

2 In addition to classified and administrative staff units
3 allocated in subsections (3) and (4) of this section, classified and
4 administrative staff units are provided for the 2017-18 and 2018-19
5 school years for the central office administrative costs of operating
6 a school district, at the following rates:

7 (a) The total central office staff units provided in this
8 subsection (5) are calculated by first multiplying the total number
9 of eligible certificated instructional, certificated administrative,
10 and classified staff units providing school-based or district-wide
11 support services, as identified in RCW 28A.150.260(6)(b) and the
12 increased allocations provided pursuant to subsections (2) and (4) of

15 subsection, 74.53 percent are allocated as classified staff units, as
16 generated in subsection (4) of this section, and 25.47 percent shall
17 be allocated as administrative staff units, as generated in
18 subsection (3) of this section.

19 (c) Staff units generated as enhancements outside the program of
20 basic education to the minimum requirements of RCW 28A.150.260, and
21 staff units generated by skill center and career-technical students,
22 are excluded from the total central office staff units calculation in
23 (a) of this subsection.

24 (d) For students in approved career-technical and skill center
25 programs, central office classified units are allocated at the same
26 staff unit per student rate as those generated for general education
27 students of the same grade in this subsection (5), and central office
28 administrative staff units are allocated at staff unit per student
29 rates that exceed the general education rate established for students
30 in the same grade in this subsection (5) by 1.71 percent in the
31 2017-18 school year and 1.71 percent in the 2018-19 school year for
32 career and technical education students, and 17.61 percent in the

9 subsections (2), (3), and (5) of this section; and

10 (b) The number of classified staff units determined in
11 subsections (4) and (5) of this section multiplied by 1.152. This
12 factor is intended to adjust allocations so that, for the purpose of
13 distributing insurance benefits, full-time equivalent classified
14 employees may be calculated on the basis of 1,440 hours of work per
15 year, with no individual employee counted as more than one full-time
16 equivalent.

17 (8) MATERIALS, SUPPLIES, AND OPERATING COSTS (MSOC) ALLOCATIONS

18 Funding is allocated per annual average full-time equivalent
19 student for the materials, supplies, and operating costs (MSOC)

24 for community and technical colleges may reduce or increase full-time
25 tuition fees for all students other than resident undergraduates,
26 including nonresident students, summer school students, and students

8 undergraduate and graduate representatives regarding the impacts of
9 potential tuition increases. Each governing board shall make public
10 its proposal for tuition and fee increases twenty-one days before the
11 governing board of the institution considers adoption and allow

38 twenty percent less than the 2014-15 academic year tuition operating
39 fee.

1 (c) In the 2017-18 and 2018-19 academic years, full-time tuition
2 operating fees for resident undergraduates in (b) of this subsection
3 shall remain the same as the fee set in the 2016-17 academic year.

4 (d) Beginning with the ((2017-18)) 2019-20 academic year, full-
5 time tuition operating fees for resident undergraduates in (b) of
6 this subsection may increase by no more than the average annual

24 appropriate policy and fiscal committees of the legislature regarding
25 how differential tuition should be addressed in order to maintain the
26 ongoing solvency of the Washington advanced college tuition payment
27 program.

28 (10) As a result of any changes in tuition under section 3,
29 chapter 36, Laws of 2015 3rd sp. sess., the governing boards of the
30 state universities, the regional universities, and The Evergreen
31 State College shall not reduce resident undergraduate enrollment

19 advisory committee for resolution. If the statewide advisory
20 committee recommends approval, the director must approve the work

9 (i) Beginning in fiscal year 2018, if marijuana excise tax

39 (iv) The total share of marijuana excise tax revenues distributed
40 to counties and cities in (g)(i) of this subsection (2) may not

1 exceed (~~fifteen~~) six million dollars in fiscal years 2018 and 2019

3 forecasted state revenues for the general fund in the 2017-2019
4 fiscal biennium exceed the amount estimated in the March 2017 revenue
5 forecast by over eighteen million dollars after adjusting for changes
6 directly related to legislation adopted in the 2017 legislative
7 session, the total share of marijuana excise tax revenue distributed
8 to counties and cities in (g)(i) of this subsection (2) may not
9 exceed fifteen million dollars in fiscal years 2018 and 2019. It is
10 the intent of the legislature that the policy for the maximum
11 distributions in the subsequent fiscal biennia will be no more than
12 \$6 million per fiscal year.

13 For the purposes of this section, "marijuana products" means

21 sites;

22 (iv) Hazardous waste plans and programs under chapter 70.105 RCW;

23 (v) Solid waste plans and programs under chapters 70.95, 70.95C,
24 70.95I, and 70.105 RCW;

25 (vi) Petroleum-based plastic or expanded polystyrene foam debris
26 cleanup activities in fresh or marine waters; and

27 (vii) Appropriations to the state toxics control account or the
28 environmental legacy stewardship account created in RCW 70.105D.170,
29 if the legislature determines that priorities for spending exceed
30 available funds in those accounts.

31 (b) Funds for plans and programs must be allocated consistent
32 with the priorities and matching requirements established in chapters
33 70.105, 70.95C, 70.95I, and 70.95 RCW.

34 (c) During the 2013-2015 fiscal biennium, the local toxics
35 control account may also be used for local government storm water
36 planning and implementation activities.

37 (d) During the 2013-2015 fiscal biennium, the legislature may
38 transfer from the local toxics control account to the state general
39 fund, such amounts as reflect the excess fund balance in the account.

1 (e) To expedite cleanups throughout the state, the department may
2 use the following strategies when providing grants to local
3 governments under this subsection:

4 (i) Enter into an extended grant agreement with a local
5 government conducting remedial actions at a facility where those
6 actions extend over multiple biennia and the total eligible cost of
7 those actions exceeds twenty million dollars. The agreement is
8 subject to the following limitations:

9 (A) The initial duration of such an agreement may not exceed ten
10 years. The department may extend the duration of such an agreement
11 upon finding substantial progress has been made on remedial actions
12 at the facility;

13 (B) Extended grant agreements may not exceed fifty percent of the
14 total eligible remedial action costs at the facility; and

15 (C) The department may not allocate future funding to an extended
16 grant agreement unless the local government has demonstrated to the
17 department that funds awarded under the agreement during the previous
18 biennium have been substantially expended or contracts have been
19 entered into to substantially expend the funds;

20 (ii) Enter into a grant agreement with a local government
21 conducting a remedial action that provides for periodic reimbursement
22 of remedial action costs as they are incurred as established in the
23 agreement;

24 (iii) Enter into a grant agreement with a local government prior
25 to it acquiring a property or obtaining necessary access to conduct
26 remedial actions, provided the agreement is conditioned upon the
27 local government acquiring the property or obtaining the access in
28 accordance with a schedule specified in the agreement;

29 (iv) Provide integrated planning grants to local governments to
30 fund studies necessary to facilitate remedial actions at brownfield
31 properties and adaptive reuse of properties following remediation.
32 Eligible activities include, but are not limited to: Environmental
33 site assessments; remedial investigations; health assessments;
34 feasibility studies; site planning; community involvement; land use
35 and regulatory analyses; building and infrastructure assessments;
36 economic and fiscal analyses; and any environmental analyses under
37 chapter 43.21C RCW;

38 (v) Provide grants to local governments for remedial actions
39 related to area-wide groundwater contamination. To receive the
40 funding, the local government does not need to be a potentially

1 liable person or be required to seek reimbursement of grant funds
2 from a potentially liable person;

3 (vi) The director may alter grant matching requirements to create
4 incentives for local governments to expedite cleanups when one of the
5 following conditions exists:

6 (A) Funding would prevent or mitigate unfair economic hardship
7 imposed by the clean-up liability;

8 (B) Funding would create new substantial economic development,
9 public recreational opportunities, or habitat restoration
10 opportunities that would not otherwise occur; or

11 (C) Funding would create an opportunity for acquisition and
12 redevelopment of brownfield property under RCW 70.105D.040(5) that
13 would not otherwise occur;

14 (vii) When pending grant applications under (e)(iv) and (v) of
15 this subsection (4) exceed the amount of funds available, designated
16 redevelopment opportunity zones must receive priority for
17 distribution of available funds.

18 (f) To expedite multiparty clean-up efforts, the department may
19 purchase remedial action cost-cap insurance. For the 2013-2015 fiscal
20 biennium, moneys in the local toxics control account may be spent on
21 projects in sections 3024, 3035, 3036, and 3059, chapter 19, Laws of
22 2013 2nd sp. sess.

23 (5) Except for unanticipated receipts under RCW 43.79.260 through
24 43.79.282, moneys in the state and local toxics control accounts may
25 be spent only after appropriation by statute.

26 (6) No moneys deposited into either the state or local toxics
27 control account may be used for: Natural disasters where there is no
28 hazardous substance contamination; high performance buildings; solid
29 waste incinerator facility feasibility studies, construction,
30 maintenance, or operation; or after January 1, 2010, for projects
31 designed to address the restoration of Puget Sound, funded in a
32 competitive grant process, that are in conflict with the action
33 agenda developed by the Puget Sound partnership under RCW 90.71.310.
34 However, this subsection does not prevent an appropriation from the
35 state toxics control account to the department of revenue to enforce
36 compliance with the hazardous substance tax imposed in chapter 82.21
37 RCW.

38 (7) Except during the 2011-2013 and the 2015-2017 fiscal biennia,
39 one percent of the moneys collected under RCW 82.21.030 shall be
40 allocated only for public participation grants to persons who may be

1 adversely affected by a release or threatened release of a hazardous
2 substance and to not-for-profit public interest organizations. The
3 primary purpose of these grants is to facilitate the participation by
4 persons and organizations in the investigation and remedying of
5 releases or threatened releases of hazardous substances and to
6 implement the state's solid and hazardous waste management
7 priorities. No grant may exceed sixty thousand dollars. Grants may be
8 renewed annually. Moneys appropriated for public participation that
9 are not expended at the close of any biennium revert to the state
10 toxics control account.

11 (8) The department shall adopt rules for grant or loan issuance
12 and performance. To accelerate both remedial action and economic
13 recovery, the department may expedite the adoption of rules necessary
14 to implement chapter 1, Laws of 2013 2nd sp. sess. using the
15 expedited procedures in RCW 34.05.353. The department shall initiate
16 the award of financial assistance by August 1, 2013. To ensure the
17 adoption of rules will not delay financial assistance, the department
18 may administer the award of financial assistance through interpretive
19 guidance pending the adoption of rules through July 1, 2014.

20 (9) Except as provided under subsection (3)(k) and (q) of this
21 section, nothing in chapter 1, Laws of 2013 2nd sp. sess. affects the
22 ability of a potentially liable person to receive public funding.

23 (10) During the 2015-2017 fiscal biennium the local toxics
24 control account may also be used for the centennial clean water
25 program and for the storm water financial assistance program
26 administered by the department of ecology.

27 **Sec. 967.** RCW 71.24.580 and 2016 sp.s. c 29 s 511 are each
28 amended to read as follows:

29 (1) The criminal justice treatment account is created in the
30 state treasury. Moneys in the account may be expended solely for: (a)
31 Substance use disorder treatment and treatment support services for
32 offenders with a substance use disorder that, if not treated, would
33 result in addiction, against whom charges are filed by a prosecuting
34 attorney in Washington state; (b) the provision of substance use
35 disorder treatment services and treatment support services for
36 nonviolent offenders within a drug court program; and (c) the
37 administrative and overhead costs associated with the operation of a
38 drug court. During the 2015-2017 fiscal biennium, the legislature may
39 transfer from the criminal justice treatment account to the state

1 general fund amounts as reflect the state savings associated with the
2 implementation of the medicaid expansion of the federal affordable
3 care act and the excess fund balance of the account. During the
4 2017-2019 fiscal biennium, the legislature may direct the state
5 treasurer to make transfers of moneys in the criminal justice
6 treatment account to the state general fund. It is the intent of the
7 legislature to continue, in future biennia, the policy of
8 transferring to the state general fund such amounts as reflect the
9 excess fund balance of the account. Moneys in the account may be
10 spent only after appropriation.

11 (2) For purposes of this section:

12 (a) "Treatment" means services that are critical to a
13 participant's successful completion of his or her substance use
14 disorder treatment program, but does not include the following
15 services: Housing other than that provided as part of an inpatient
16 substance use disorder treatment program, vocational training, and
17 mental health counseling; and

18 (b) "Treatment support" means transportation to or from inpatient
19 or outpatient treatment services when no viable alternative exists,
20 and child care services that are necessary to ensure a participant's
21 ability to attend outpatient treatment sessions.

22 (3) Revenues to the criminal justice treatment account consist
23 of: (a) Funds transferred to the account pursuant to this section;
24 and (b) any other revenues appropriated to or deposited in the
25 account.

26 (4)(a) For the fiscal year beginning July 1, 2006, and each
27 subsequent fiscal year, the amount transferred shall be increased on
28 an annual basis by the implicit price deflator as published by the
29 federal bureau of labor statistics.

30 (b) In each odd-numbered year, the legislature shall appropriate
31 the amount transferred to the criminal justice treatment account in
32 (a) of this subsection to the department for the purposes of
33 subsection (5) of this section.

34 (5) Moneys appropriated to the department from the criminal
35 justice treatment account shall be distributed as specified in this
36 subsection. The department may retain up to three percent of the
37 amount appropriated under subsection (4)(b) of this section for its
38 administrative costs.

39 (a) Seventy percent of amounts appropriated to the department
40 from the account shall be distributed to counties pursuant to the

1 distribution formula adopted under this section. The division of
2 alcohol and substance abuse, in consultation with the department of
3 corrections, the Washington state association of counties, the
4 Washington state association of drug court professionals, the
5 superior court judges' association, the Washington association of
6 prosecuting attorneys, representatives of the criminal defense bar,
7 representatives of substance use disorder treatment providers, and
8 any other person deemed by the department to be necessary, shall
9 establish a fair and reasonable methodology for distribution to
10 counties of moneys in the criminal justice treatment account. County
11 or regional plans submitted for the expenditure of formula funds must
12 be approved by the panel established in (b) of this subsection.

13 (b) Thirty percent of the amounts appropriated to the department
14 from the account shall be distributed as grants for purposes of
15 treating offenders against whom charges are filed by a county
16 prosecuting attorney. The department shall appoint a panel of
17 representatives from the Washington association of prosecuting
18 attorneys, the Washington association of sheriffs and police chiefs,
19 the superior court judges' association, the Washington state
20 association of counties, the Washington defender's association or the
21 Washington association of criminal defense lawyers, the department of
22 corrections, the Washington state association of drug court
23 professionals, substance use disorder treatment providers, and the
24 division. The panel shall review county or regional plans for funding
25 under (a) of this subsection and grants approved under this
26 subsection. The panel shall attempt to ensure that treatment as
27 funded by the grants is available to offenders statewide.

28 (6) The county alcohol and drug coordinator, county prosecutor,
29 county sheriff, county superior court, a substance abuse treatment
30 provider appointed by the county legislative authority, a member of
31 the criminal defense bar appointed by the county legislative
32 authority, and, in counties with a drug court, a representative of
33 the drug court shall jointly submit a plan, approved by the county
34 legislative authority or authorities, to the panel established in
35 subsection (5)(b) of this section, for disposition of all the funds
36 provided from the criminal justice treatment account within that
37 county. The funds shall be used solely to provide approved alcohol
38 and substance abuse treatment pursuant to RCW 71.24.560, treatment
39 support services, and for the administrative and overhead costs
40 associated with the operation of a drug court.

1 (a) No more than ten percent of the total moneys received under
2 subsections (4) and (5) of this section by a county or group of
3 counties participating in a regional agreement shall be spent on the
4 administrative and overhead costs associated with the operation of a
5 drug court.

6 (b) No more than ten percent of the total moneys received under
7 subsections (4) and (5) of this section by a county or group of
8 counties participating in a regional agreement shall be spent for
9 treatment support services.

10 (7) Counties are encouraged to consider regional agreements and
11 submit regional plans for the efficient delivery of treatment under
12 this section.

13 (8) Moneys allocated under this section shall be used to
14 supplement, not supplant, other federal, state, and local funds used
15 for substance abuse treatment.

16 (9) Counties must meet the criteria established in RCW
17 2.30.030(3).

18 (10) The authority under this section to use funds from the
19 criminal justice treatment account for the administrative and
20 overhead costs associated with the operation of a drug court expires
21 June 30, 2015.

22 **Sec. 968.** RCW 74.13.621 and 2015 3rd sp.s. c 4 s 970 are each
23 amended to read as follows:

24 (1) Within existing resources, the department shall establish an
25 oversight committee to monitor, guide, and report on kinship care
26 recommendations and implementation activities. The committee shall:

27 (a) Draft a kinship care definition that is restricted to persons
28 related by blood, marriage, or adoption, including marriages that
29 have been dissolved, or for a minor defined as an "Indian child"
30 under the federal Indian child welfare act (25 U.S.C. Sec. 1901 et
31 seq.), the definition of "extended family member" under the federal
32 Indian child welfare act, and a set of principles. If the committee
33 concludes that one or more programs or services would be more
34 efficiently and effectively delivered under a different definition of
35 kin, it shall state what definition is needed, and identify the
36 program or service in the report. It shall also provide evidence of
37 how the program or service will be more efficiently and effectively
38 delivered under the different definition. The department shall not

1 adopt rules or policies changing the definition of kin without
2 authorizing legislation;

3 (b) Monitor and provide consultation on the implementation of
4 recommendations contained in the 2002 kinship care report, including
5 but not limited to the recommendations relating to legal and respite
6 care services and resources;

7 (c) Partner with nonprofit organizations and private sector
8 businesses to guide a public education awareness campaign; and

9 (d) Assist with developing future recommendations on kinship care
10 issues.

11 (2) The department shall consult with the oversight committee on
12 its efforts to better collaborate and coordinate services to benefit
13 kinship care families.

14 (3) The oversight committee must consist of a minimum of thirty
15 percent kinship caregivers, who shall represent a diversity of
16 kinship families. Statewide representation with geographic, ethnic,
17 and gender diversity is required. Other members shall include
18 representatives of the department, representatives of relevant state
19 agencies, representatives of the private nonprofit and business
20 sectors, child advocates, representatives of Washington state Indian
21 tribes as defined under the federal Indian welfare act (25 U.S.C.
22 Sec. 1901 et seq.), and representatives of the legal or judicial
23 field. Birth parents, foster parents, and others who have an interest
24 in these issues may also be included.

25 (4) To the extent funding is available, the department may
26 reimburse nondepartmental members of the oversight committee for
27 costs incurred in participating in the meetings of the oversight
28 committee.

29 (5) The kinship care oversight committee shall update the
30 legislature and governor annually on committee activities, with the
31 first update due by January 1, 2006.

32 (6) This section expires June 30, (~~(2017)~~) 2019.

33 **Sec. 969.** RCW 74.39A.270 and 2016 sp.s. c 30 s 1 are each
34 amended to read as follows:

35 (1) Solely for the purposes of collective bargaining and as
36 expressly limited under subsections (2) and (3) of this section, the
37 governor is the public employer, as defined in chapter 41.56 RCW, of
38 individual providers, who, solely for the purposes of collective
39 bargaining, are public employees as defined in chapter 41.56 RCW. To

1 accommodate the role of the state as payor for the community-based
2 services provided under this chapter and to ensure coordination with
3 state employee collective bargaining under chapter 41.80 RCW and the
4 coordination necessary to implement RCW 74.39A.300, the public
5 employer shall be represented for bargaining purposes by the governor
6 or the governor's designee appointed under chapter 41.80 RCW. The
7 governor or governor's designee shall periodically consult with the
8 authority during the collective bargaining process to allow the
9 authority to communicate issues relating to the long-term in-home
10 care services received by consumers. The department shall solicit
11 input from the developmental disabilities council, the governor's
12 committee on disability issues and employment, the state council on
13 aging, and other consumer advocacy organizations to obtain informed
14 input from consumers on their interests, including impacts on
15 consumer choice, for all issues proposed for collective bargaining
16 under subsections (5) and (6) of this section.

17 (2) Chapter 41.56 RCW governs the collective bargaining
18 relationship between the governor and individual providers, except as
19 otherwise expressly provided in this chapter and except as follows:

20 (a) The only unit appropriate for the purpose of collective
21 bargaining under RCW 41.56.060 is a statewide unit of all individual
22 providers;

23 (b) The showing of interest required to request an election under
24 RCW 41.56.060 is ten percent of the unit, and any intervener seeking
25 to appear on the ballot must make the same showing of interest;

26 (c) The mediation and interest arbitration provisions of RCW
27 41.56.430 through 41.56.470 and 41.56.480 apply, except that:

28 (i) With respect to commencement of negotiations between the
29 governor and the bargaining representative of individual providers,
30 negotiations shall be commenced by May 1st of any year prior to the
31 year in which an existing collective bargaining agreement expires;
32 and

33 (ii) The decision of the arbitration panel is not binding on the
34 legislature and, if the legislature does not approve the request for
35 funds necessary to implement the compensation and fringe benefit
36 provisions of the arbitrated collective bargaining agreement, is not
37 binding on the authority or the state;

38 (d) Individual providers do not have the right to strike; and

1 (e) Individual providers who are related to, or family members
2 of, consumers or prospective consumers are not, for that reason,
3 exempt from this chapter or chapter 41.56 RCW.

4 (3) Individual providers who are public employees solely for the
5 purposes of collective bargaining under subsection (1) of this
6 section are not, for that reason, employees of the state, its
7 political subdivisions, or an area agency on aging for any purpose.
8 Chapter 41.56 RCW applies only to the governance of the collective
9 bargaining relationship between the employer and individual providers
10 as provided in subsections (1) and (2) of this section.

11 (4) Consumers and prospective consumers retain the right to
12 select, hire, supervise the work of, and terminate any individual
13 provider providing services to them. Consumers may elect to receive
14 long-term in-home care services from individual providers who are not
15 referred to them by the authority.

16 (5) Except as expressly limited in this section and RCW
17 74.39A.300, the wages, hours, and working conditions of individual
18 providers are determined solely through collective bargaining as
19 provided in this chapter. Except as described in subsection (9) of
20 this section, no agency or department of the state may establish
21 policies or rules governing the wages or hours of individual
22 providers. This subsection does not modify:

23 (a) The department's authority to establish a plan of care for
24 each consumer or its core responsibility to manage long-term in-home
25 care services under this chapter, including determination of the
26 level of care that each consumer is eligible to receive. However, at
27 the request of the exclusive bargaining representative, the governor
28 or the governor's designee appointed under chapter 41.80 RCW shall
29 engage in collective bargaining, as defined in RCW 41.56.030(4), with
30 the exclusive bargaining representative over how the department's
31 core responsibility affects hours of work for individual providers.
32 This subsection shall not be interpreted to require collective
33 bargaining over an individual consumer's plan of care;

34 (b)(i) The requirement that the number of hours the department
35 may pay any single individual provider is limited to:

36 (A) Sixty hours each workweek if the individual provider was
37 working an average number of hours in excess of forty hours for the
38 workweeks during January 2016, except for fiscal years 2016 (~~and~~),
39 2017, and 2018, the limit is sixty-five hours each workweek; or

1 (B) Forty hours each workweek if the individual provider was not
2 working an average number of hours in excess of forty hours for the
3 workweeks during January 2016, or had no reported hours for the month
4 of January 2016.

5 (ii) Additional hours may be authorized under criteria
6 established by rules adopted by the department under subsection (9)
7 of this section.

8 (iii) Additional hours may be authorized for required training
9 under RCW 74.39A.074, 74.39A.076, and 74.39A.341.

10 (iv) An individual provider may appeal to the department for
11 qualification for the hour limitation in (b)(i)(A) of this subsection
12 if the average weekly hours the (~~individual~~) individual provider
13 was working in January 2016 materially underrepresent the average
14 weekly hours worked by the individual provider during the first three
15 months of 2016.

16 (v) No individual provider is subject to the hour limitations in
17 (b)(i)(A) of this subsection until the department has conducted a
18 review of the plan of care for the consumers served by the
19 (~~individual~~) individual provider. The department shall review
20 plans of care expeditiously, starting with consumers connected with
21 the most individual provider overtime;

22 (c) The requirement that the total number of additional hours in
23 excess of forty hours authorized under (b) of this subsection and
24 subsection (9) of this section are limited by the total hours as
25 provided in subsection (10) of this section;

26 (d) The department's authority to terminate its contracts with
27 individual providers who are not adequately meeting the needs of a
28 particular consumer, or to deny a contract under RCW 74.39A.095(8);

29 (e) The consumer's right to assign hours to one or more
30 individual providers consistent with the rules adopted under this
31 chapter and his or her plan of care;

32 (f) The consumer's right to select, hire, terminate, supervise
33 the work of, and determine the conditions of employment for each
34 individual provider providing services to the consumer under this
35 chapter;

36 (g) The department's obligation to comply with the federal
37 medicaid statute and regulations and the terms of any community-based
38 waiver granted by the federal department of health and human services
39 and to ensure federal financial participation in the provision of the
40 services; and

1 (h) The legislature's right to make programmatic modifications to
2 the delivery of state services under this title, including standards
3 of eligibility of consumers and individual providers participating in
4 the programs under this title, and the nature of services provided.
5 The governor shall not enter into, extend, or renew any agreement
6 under this chapter that does not expressly reserve the legislative
7 rights described in this subsection (5)(h).

8 (6) At the request of the exclusive bargaining representative,
9 the governor or the governor's designee appointed under chapter 41.80
10 RCW shall engage in collective bargaining, as defined in RCW
11 41.56.030(4), with the exclusive bargaining representative over
12 employer contributions to the training partnership for the costs of:
13 (a) Meeting all training and peer mentoring required under this
14 chapter; and (b) other training intended to promote the career
15 development of individual providers.

16 (7) The state, the department, the area agencies on aging, or
17 their contractors under this chapter may not be held vicariously or
18 jointly liable for the action or inaction of any individual provider
19 or prospective individual provider, whether or not that individual
20 provider or prospective individual provider was included on the
21 referral registry or referred to a consumer or prospective consumer.
22 The existence of a collective bargaining agreement, the placement of
23 an individual provider on the referral registry, or the development
24 or approval of a plan of care for a consumer who chooses to use the
25 services of an individual provider and the provision of case
26 management services to that consumer, by the department or an area
27 agency on aging, does not constitute a special relationship with the
28 consumer.

29 (8) Nothing in this section affects the state's responsibility
30 with respect to unemployment insurance for individual providers.
31 However, individual providers are not to be considered, as a result
32 of the state assuming this responsibility, employees of the state.

33 (9) The department may not pay any single individual provider
34 more than the hours listed in subsection (5)(b) of this section
35 unless the department authorizes additional hours under criteria
36 established by rule. The criteria must be limited in scope to reduce
37 the state's exposure to payment of overtime, address travel time from
38 worksite to worksite, and address the following needs of consumers:

39 (a) Ensuring that consumers are not at increased risk for
40 institutionalization;

1 (b) When there is a limited number of (~~individual~~) individual
2 providers within the geographic region of the consumer;

3 (c) When there is a limited number of (~~individual~~) individual
4 providers available to support a consumer with complex medical and
5 behavioral needs or specific language needs;

6 (d) Emergencies that could pose a health and safety risk for
7 consumers; and

8 (e) Instances where the cost of the allowed hour is less than
9 other alternatives to provide care to a consumer, distinct from any
10 increased risk of institutionalization.

11 (10)(a) Each fiscal year, the department shall establish a
12 spending plan and a system to monitor the authorization and cost of
13 hours in excess of forty hours each workweek from subsections (5)(b)
14 and (9) of this section beginning July 1, 2016, and each fiscal year
15 thereafter. Expenditures for hours in excess of forty hours each
16 workweek under subsections (5)(b) and (9) of this section shall not
17 exceed 8.75 percent of the total average authorized personal care
18 hours for the fiscal year as projected by the caseload forecast
19 council. The caseload forecast council may adopt a temporary
20 adjustment to the 8.75 percent of the total average hours projection
21 for that fiscal year, up to a maximum of 10.0 percent, if it finds a
22 higher percentage of overtime hours is necessitated by a shortage of
23 individual providers to provide adequate client care, taking into
24 consideration factors including the criteria in subsection (9) of
25 this section. If the council elects to temporarily increase the
26 limit, it may do so only upon a majority vote of the council.

27 (b) The department also shall provide expenditure reports
28 beginning September 1, 2016, and on a quarterly basis thereafter. If

19 officer to develop a statewide strategic business and technology
20 architecture plan for time capture, payroll and payment processes,

22 early learning. In collaboration with the department of early
23 learning the plan will identify and recommend whether existing
24 systems, or planned systems, can and should be used to meet the
25 department of early learning's business needs. A child care
26 attendance and billing solution must be designed or modified to align
27 with the statewide enterprise strategy once the strategic

31 (3) \$450,000 of the general fund—state appropriation for fiscal

38 within the department of social and health services, the department

1 authority. As part of the technical oversight, the office of the
2 chief information officer shall identify where existing or proposed
3 technology investments should be consolidated, reused, or otherwise
4 leveraged to meet multiagency needs or increase interoperability,
5 increase alignment with statewide policies, standards, strategies,
6 architectures, and reduce redundant investments over time.

7 (4) \$7,366,000 of the consolidated technology services revolving
8 account—state appropriation is provided solely for implementation of
9 Second Substitute House Bill No. 1391 or Second Substitute Senate
10 Bill No. 5315 (aligning information technology functions). If neither

12 subsection shall lapse.

(End of part)

1 federal government, historical utilization, economic data, and
2 clinical input constitute reliable data upon which to determine the
3 payment rates.

4 (4) The department shall to the maximum extent practicable use
5 the same system for delivery of spoken-language interpreter services
6 for social services appointments as the one established for medical
7 appointments in the health care authority. When contracting directly
8 with an individual to deliver spoken language interpreter services,
9 the department shall only contract with language access providers who
10 are working at a location in the state and who are state-certified or
11 state-authorized, except that when such a provider is not available,
12 the department may use a language access provider who meets other
13 certifications or standards deemed to meet state standards, including
14 interpreters in other states.

15 (5) Information technology projects or investments and proposed
16 projects or investments impacting time capture, payroll and payment
17 processes and systems, eligibility, case management, and
18 authorization systems within the department of social and health
19 services are subject to technical oversight by the office of the
20 chief information officer.

21 (6)(a) The department shall facilitate enrollment under the
22 medicaid expansion for clients applying for or receiving state funded
23 services from the department and its contractors. Prior to open
24 enrollment, the department shall coordinate with the health care
25 authority to provide referrals to the Washington health benefit
26 exchange for clients that will be ineligible for medicaid.

27 (b) To facilitate a single point of entry across public and
28 medical assistance programs, and to maximize the use of federal
29 funding, the health care authority, the department of social and
30 health services, and the health benefit exchange will coordinate
31 efforts to expand HealthPlanfinder access to public assistance and
32 medical eligibility staff. No later than October 1, 2015, the
33 department shall complete medicaid applications in the
34 HealthPlanfinder for households receiving or applying for public
35 assistance benefits.

36 (c) The department, in coordination with the health care
37 authority, shall pursue a federal waiver to use supplemental
38 nutrition assistance program eligibility, aged, blind, or disabled
39 program eligibility, or temporary assistance for needy families
40 eligibility, to enroll eligible persons into medicaid.

1 (7) In accordance with RCW 71.24.380, the health care authority
2 and the department are authorized to purchase medical and behavioral
3 health services through integrated contracts upon request of all of
4 the county authorities in a regional service area to become an early
5 adopter of fully integrated purchasing of medical and behavioral
6 health services. The department may combine and transfer such amounts
7 appropriated under sections 204, 208, and 213 of this act as may be
8 necessary to fund early adopter contracts. The amount of medicaid
9 funding transferred from each program may not exceed the average per
10 capita cost assumed in this act for individuals covered by that
11 program, actuarially adjusted for the health condition of persons
12 enrolled, times the number of clients enrolled. The amount of non-
13 medicaid funding transferred from sections 204 and 208 may not exceed
14 the amount that would have been contracted with a behavioral health
15 organization if the county authorities had not requested to become an
16 early adopter of fully integrated purchasing. These limits do not
17 apply to the amounts provided in section 204(1)(s) of this act. If
18 any funding that this act provides solely for a specific purpose is
19 transferred under this subsection, that funding must be used
20 consistently with the provisions and conditions for which it was
21 provided.

22 (8) In accordance with RCW 71.24.380, the department is
23 authorized to purchase mental health and substance use disorder
24 services through integrated contracts with behavioral health
25 organizations. The department may combine and transfer such amounts
26 appropriated under sections 204 and 208 of this act as may be
27 necessary to finance these behavioral health organization contracts.
28 If any funding that this act provides solely for a specific purpose
29 is transferred under this subsection, that funding must be used
30 consistently with the provisions and conditions for which it was
31 provided.

32 (9)(a) The appropriations to the department of social and health
33 services in this act shall be expended for the programs and in the
34 amounts specified in this act. However, after May 1, (~~2016~~) 2017,
35 unless prohibited by this act, the department may transfer general
36 fund—state appropriations for fiscal year (~~2016~~) 2017 among
37 programs after approval by the director of financial management.
38 However, the department shall not transfer state moneys that are
39 provided solely for a specified purpose except as expressly provided
40 in (b) of this subsection.

1 (b) To the extent that transfers under (a) of this subsection are
 2 insufficient to fund actual expenditures in excess of fiscal year
 3 ((2016)) 2017 caseload forecasts and utilization assumptions in the
 4 long-term care, foster care, adoptions support, medical personal
 5 care, and child support programs, the department may transfer state
 6 moneys that are provided solely for a specified purpose. The
 7 department shall not transfer funds, and the director of financial
 8 management shall not approve the transfer, unless the transfer is
 9 consistent with the objective of conserving, to the maximum extent
 10 possible, the expenditure of state funds. The director of financial
 11 management shall notify the appropriate fiscal committees of the
 12 senate and house of representatives in writing seven days prior to
 13 approving any allotment modifications or transfers under this
 14 subsection. The written notification shall include a narrative
 15 explanation and justification of the changes, along with expenditures
 16 and allotments by budget unit and appropriation, both before and
 17 after any allotment modifications or transfers.

18 (10) To facilitate the authority provided in subsection (7) and
 19 (8) of this section, and to ensure a new accounting structure is in
 20 place as of July 1, 2017, the department is authorized to create a
 21 new program for accounting purposes only that combines the mental
 22 health program and alcohol and substance abuse program allotments and
 23 expenditures.

31 youth; (iii) twenty-five percent for evidence-based program
32 participation; (iv) seventeen and one-half percent for minority
33 populations; (v) three percent for the chemical dependency
34 disposition alternative; and (vi) two percent for the mental health
35 and sentencing dispositional alternatives. Funding for the special
36 sex offender disposition alternative (SSODA) shall not be included in
37 the block grant, but allocated on the average daily population in
38 juvenile courts. Funding for the evidence-based expansion grants
39 shall be excluded from the block grant formula. Funds may be used for
40 promising practices when approved by the juvenile rehabilitation

1 administration and juvenile courts, through the community juvenile
2 accountability act committee, based on the criteria established in
3 consultation with Washington state institute for public policy and
4 the juvenile courts.

5 (b) The juvenile rehabilitation administration and the juvenile
6 courts shall establish a block grant funding formula oversight
7 committee with equal representation from the juvenile rehabilitation
8 administration and the juvenile courts. The purpose of this committee
9 is to assess the ongoing implementation of the block grant funding
10 formula, utilizing data-driven decision making and the most current
11 available information. The committee will be cochaired by the
12 juvenile rehabilitation administration and the juvenile courts, who
13 will also have the ability to change members of the committee as
14 needed to achieve its purpose. Initial members will include one
15 juvenile court representative from the finance committee, the
16 community juvenile accountability act committee, the risk assessment
17 quality assurance committee, the executive board of the Washington
18 association of juvenile court administrators, the Washington state
19 center for court research, and a representative of the superior court
20 judges association; two representatives from the juvenile
21 rehabilitation administration headquarters program oversight staff,
22 two representatives of the juvenile rehabilitation administration
23 regional office staff, one representative of the juvenile
24 rehabilitation administration fiscal staff and a juvenile
25 rehabilitation administration division director. The committee may
26 make changes to the formula categories other than the evidence-based
27 program and disposition alternative categories if it is determined
28 the changes will increase statewide service delivery or effectiveness
29 of evidence-based program or disposition alternative resulting in
30 increased cost benefit savings to the state. Long-term cost benefit
31 must be considered. Percentage changes may occur in the evidence-
32 based program or disposition alternative categories of the formula
33 should it be determined the changes will increase evidence-based
34 program or disposition alternative delivery and increase the cost
35 benefit to the state. These outcomes will also be considered in
36 determining when evidence-based expansion or special sex offender
37 disposition alternative funds should be included in the block grant
38 or left separate.

39 (c) The juvenile courts and administrative office of the courts
40 shall be responsible for collecting and distributing information and

1 providing access to the data systems to the juvenile rehabilitation
2 administration and the Washington state institute for public policy
3 related to program and outcome data. The juvenile rehabilitation
4 administration and the juvenile courts will work collaboratively to
5 develop program outcomes that reinforce the greatest cost benefit to
6 the state in the implementation of evidence-based practices and
7 disposition alternatives.

8 (7) The juvenile courts and administrative office of the courts
9 shall collect and distribute information related to program outcome
10 and provide access to these data systems to the juvenile
11 rehabilitation administration and Washington state institute for
12 public policy. The agreements between administrative office of the
13 courts, the juvenile courts, and the juvenile rehabilitation
14 administration shall be executed to ensure that the juvenile
15 rehabilitation administration receives the data that the juvenile
16 rehabilitation administration identifies as needed to comply with
17 this subsection. This includes, but is not limited to, information by
18 program at the statewide aggregate level, individual court level, and
19 individual client level for the purpose of the juvenile
20 rehabilitation administration providing quality assurance and
21 oversight for the locally committed youth block grant and associated
22 funds and at times as specified by the juvenile rehabilitation
23 administration as necessary to carry out these functions. The data
24 shall be provided in a manner that reflects the collaborative work
25 the juvenile rehabilitation administration and juvenile courts have
26 developed regarding program outcomes that reinforce the greatest cost
27 benefit to the state in the implementation of evidence-based
28 practices and disposition alternatives.

29 (8) \$445,000 of the general fund—state appropriation for fiscal
30 year 2016 and \$445,000 of the general fund—state appropriation for
31 fiscal year 2017 are provided solely for funding of the teamchild
32 project.

33 (9) \$178,000 of the general fund—state appropriation for fiscal
34 year 2016 and \$178,000 of the general fund—state appropriation for
35 fiscal year 2017 are provided solely for the juvenile detention
36 alternatives initiative.

37 (10) \$500,000 of the general fund—state appropriation for fiscal
38 year 2016 and \$500,000 of the general fund—state appropriation for
39 fiscal year 2017 are provided solely for a grant program focused on

1 criminal street gang prevention and intervention. The juvenile
2 rehabilitation administration may award grants under this subsection.
3 The juvenile rehabilitation administration shall give priority to
4 applicants who have demonstrated the greatest problems with criminal
5 street gangs. Applicants composed of, at a minimum, one or more local
6 governmental entities and one or more nonprofit, nongovernmental
7 organizations that have a documented history of creating and
8 administering effective criminal street gang prevention and
9 intervention programs may apply for funding under this subsection.
10 Each entity receiving funds must report to the juvenile
11 rehabilitation administration on the number and types of youth
12 served, the services provided, and the impact of those services on
13 the youth and the community.

14 (11) The juvenile rehabilitation institutions may use funds
15 appropriated in this subsection to purchase goods and supplies
16 through hospital group purchasing organizations when it is cost-
17 effective to do so.

18 (12) \$250,000 of the general fund—state appropriation for fiscal
19 year 2017 is provided solely for implementation of Engrossed
20 Substitute House Bill No. 2746 (juvenile offender treatment). (~~If~~
21 ~~the bill is not enacted by June 30, 2016, the amount provided in this~~
22 ~~subsection shall lapse.~~)

36 Dedicated Marijuana Account—State Appropriation	
37 (FY 2017).	\$3,684,000
38 TOTAL APPROPRIATION.	((\$1,701,835,000))

The appropriations in this subsection are subject to the following conditions and limitations:

(a) For the purposes of this subsection, the term "regional support networks," includes, effective April 1, 2016, behavioral health organizations which assume the duties of regional support networks pursuant to chapter 225, Laws of 2014 (2SSB 6312).

(b) \$12,204,000 of the general fund—state appropriation for fiscal year 2016, (~~(\$13,761,000)~~) \$8,921,000 of the general fund—state appropriation for fiscal year 2017, and (~~(\$17,918,000)~~) \$15,312,000 of the general fund—federal appropriation are provided solely to reimburse regional support networks for increased utilization costs, as compared to utilization costs in fiscal year 2014, that are incurred in order to meet statutory obligations to provide individualized mental health treatment in appropriate settings to individuals who are detained or committed under the involuntary treatment act. Prior to distributing funds to a regional support network requesting reimbursement for costs relative to increased utilization, the department must receive adequate documentation of such increased utilization and costs. Regional support networks receiving funds for community hospitals or evaluation and treatment center beds under (p) of this subsection are only eligible for reimbursement that exceeds the total of their utilization costs in fiscal year 2014 and the costs of services provided with additional funds received under (p) of this subsection.

(c) \$2,452,000 of the general fund—state appropriation for fiscal year 2016, \$2,264,000 of the general fund—state appropriation for fiscal year 2017, and \$2,653,000 of the general fund—federal appropriation are provided solely for implementation of chapter 258, Laws of 2015 (E2SSB 5269) (involuntary treatment act). Regional support networks must use these amounts for involuntary treatment costs associated with implementation of this bill.

(d) \$3,776,000 of the general fund—state appropriation for fiscal year 2016, \$5,780,000 of the general fund—state appropriation for fiscal year 2017, and \$6,054,000 of the general fund—federal appropriation are provided solely for implementation of chapter 250, Laws of 2015 (E2SHB 1450) (involuntary outpatient treatment). Regional support networks must use these amounts for increases in

1 community mental health treatment associated with implementation of
2 this bill.

3 (e) \$81,180,000 of the general fund—state appropriation for
4 fiscal year 2016 and \$81,180,000 of the general fund—state
5 appropriation for fiscal year 2017 are provided solely for persons
6 and services not covered by the medicaid program. To the extent
7 possible, levels of regional support network spending shall be
8 maintained in the following priority order: Crisis and commitment
9 services; community inpatient services; and residential care
10 services, including personal care and emergency housing assistance.
11 These amounts includes a reduction of \$4,715,000 for fiscal year 2016
12 and \$4,715,000 for fiscal year 2017 associated with a funding shift
13 that allows for increased federal participation for community
14 inpatient stays that were previously ineligible for federal matching
15 funds. This reduction will be distributed to regional support
16 networks based on the same proportions that were added to regional
17 support network capitation ranges specific to the waiver that allowed
18 for federal funds to be used for community inpatient stays that were
19 previously ineligible for federal matching funds. The department must
20 allow regional support networks to use medicaid capitation payments
21 to provide services to medicaid enrollees that are in addition to
22 those covered under the state plan in accordance with the conditions
23 established under federal regulations governing medicaid managed care
24 contracts and subject to federal approval by the center for medicaid
25 and medicare services.

26 (f) \$6,590,000 of the general fund—state appropriation for fiscal
27 year 2016, \$6,590,000 of the general fund—state appropriation for
28 fiscal year 2017, and \$7,620,000 of the general fund—federal
29 appropriation are provided solely for the department and regional
30 support networks to continue to contract for implementation of high-
31 intensity programs for assertive community treatment (PACT) teams. In
32 determining the proportion of medicaid and nonmedicaid funding
33 provided to regional support networks with PACT teams, the department
34 shall consider the differences between regional support networks in
35 the percentages of services and other costs associated with the teams
36 that are not reimbursable under medicaid. The department may allow
37 regional support networks which have nonmedicaid reimbursable costs
38 that are higher than the nonmedicaid allocation they receive under
39 this section to supplement these funds with local dollars or funds

1 received under section 204(1)(e) of this act. The department and
2 regional support networks shall maintain consistency with all
3 essential elements of the PACT evidence-based practice model in
4 programs funded under this section.

5 (g) The number of nonforensic beds allocated for use by regional
6 support networks at eastern state hospital shall be 192 per day. The
7 number of nonforensic beds allocated for use by regional support
8 networks at western state hospital shall be 587 per day in fiscal
9 year 2016. Pursuant to Engrossed Second Substitute House Bill No.
10 2453 (state hospital oversight) or Substitute Senate Bill No. 6656
11 (state hospital practices), the department must transition and divert
12 enough patients with long term care needs from western state hospital
13 by January 1, 2017, to reduce the capacity needed for this population
14 by 30 beds and the department must reduce the number of nonforensic
15 beds allocated for use by regional support networks at western state
16 hospital to 557. The department may contract through a regional
17 support network for up to 30 local community hospital beds to provide
18 treatment to individuals on a 90 day involuntary commitment order and
19 must lower that regional support network's allocation of beds by the
20 number of contracted beds.

21 (h) From the general fund—state appropriations in this
22 subsection, the secretary of social and health services shall assure
23 that regional support networks reimburse the aging and disability
24 services administration for the general fund—state cost of medicaid
25 personal care services that enrolled regional support network
26 consumers use because of their psychiatric disability.

27 (i) The department is authorized to continue to contract
28 directly, rather than through contracts with regional support
29 networks, for children's long-term inpatient facility services.

30 (j) \$750,000 of the general fund—state appropriation for fiscal
31 year 2016 and \$750,000 of the general fund—state appropriation for
32 fiscal year 2017 are provided solely to continue performance-based
33 incentive contracts to provide appropriate community support services
34 for individuals with severe mental illness who were discharged from
35 the state hospitals as part of the expanding community services
36 initiative. These funds will be used to enhance community residential
37 and support services provided by regional support networks through
38 other state and federal funding.

1 (k) \$1,125,000 of the general fund—state appropriation for fiscal
2 year 2016 and \$1,125,000 of the general fund—state appropriation for
3 fiscal year 2017 are provided solely for the Spokane regional support
4 network to implement services to reduce utilization and the census at
5 eastern state hospital. Such services shall include:

6 (i) High intensity treatment team for persons who are high
7 utilizers of psychiatric inpatient services, including those with co-
8 occurring disorders and other special needs;

9 (ii) Crisis outreach and diversion services to stabilize in the
10 community individuals in crisis who are at risk of requiring
11 inpatient care or jail services;

12 (iii) Mental health services provided in nursing facilities to
13 individuals with dementia, and consultation to facility staff
14 treating those individuals; and

15 (iv) Services at the sixteen-bed evaluation and treatment
16 facility.

17 At least annually, the Spokane regional support network shall
18 assess the effectiveness of these services in reducing utilization at
19 eastern state hospital, identify services that are not optimally
20 effective, and modify those services to improve their effectiveness.

21 (l) \$1,204,000 of the general fund—state appropriation for fiscal
22 year 2016 and \$1,204,000 of the general fund—state appropriation for
23 fiscal year 2017 are provided solely to reimburse Pierce and Spokane
24 counties for the cost of conducting 180-day commitment hearings at
25 the state psychiatric hospitals.

26 (m) Regional support networks may use local funds to earn
27 additional federal medicaid match, provided the locally matched rate
28 does not exceed the upper-bound of their federally allowable rate
29 range, and provided that the enhanced funding is used only to provide
30 medicaid state plan or waiver services to medicaid clients.
31 Additionally, regional support networks may use a portion of the
32 state funds allocated in accordance with (e) of this subsection to
33 earn additional medicaid match, but only to the extent that the
34 application of such funds to medicaid services does not diminish the
35 level of crisis and commitment, community inpatient, residential
36 care, and outpatient services presently available to persons not
37 eligible for medicaid.

38 (n) \$2,291,000 of the general fund—state appropriation for fiscal
39 year 2016 and \$2,291,000 of the general fund—state appropriation for

1 fiscal year 2017 are provided solely for mental health services for
2 mentally ill offenders while confined in a county or city jail and
3 for facilitating access to programs that offer mental health services
4 upon release from confinement.

5 (o) Within the amounts appropriated in this section, funding is
6 provided for the department to develop and phase in intensive mental
7 health services for high needs youth consistent with the settlement
8 agreement in *T.R. v. Dreyfus and Porter*.

9 (p) \$9,184,000 of the general fund—state appropriation for fiscal
10 year 2016, \$11,405,000 of the general fund—state appropriation for
11 fiscal year 2017, and \$17,680,000 of the general fund—federal
12 appropriation are provided solely for enhancement of community mental
13 health services. The department must contract these funds for the
14 operation of community programs in which the department determines
15 there is a need for capacity that allows individuals to be diverted
16 or transitioned from the state hospitals including but not limited
17 to: (i) Community hospital or free standing evaluation and treatment
18 services providing short-term detention and commitment services under
19 the involuntary treatment act to be located in the geographic areas
20 of the King regional support network, the Spokane regional support
21 network outside of Spokane county, and the Thurston Mason regional
22 support network; (ii) one new full program of an assertive community
23 treatment team in the King regional support network and two new half
24 programs of assertive community treatment teams in the Spokane
25 regional support network and the Pierce regional support network; and
26 (iii) three new recovery support services programs in the Grays
27 Harbor regional support network, the greater Columbia regional
28 support network, and the north sound regional support network. In
29 contracting for community evaluation and treatment services, the
30 department may not use these resources in facilities that meet the
31 criteria to be classified under federal law as institutions for
32 mental diseases. If the department is unable to come to a contract
33 agreement with a designated regional support network for any of the
34 services identified above, it may consider contracting for that
35 service in another regional support network that has the need for
36 such service.

37 (q) The appropriations in this section include a reduction of
38 \$16,462,000 in general fund—state and \$16,468,000 of general fund—
39 federal expenditure authority. This reduction must be achieved by

1 reducing regional support network medicaid rates for disabled adults,
2 nondisabled adults, disabled children, and nondisabled children. No
3 regional support network rate may be lowered below the low end of the
4 rate range that is certified as actuarially sound. The department
5 must work to develop updated minimum and maximum reserve levels that
6 reflect the changes in the number of medicaid eligible individuals
7 since reserve levels were originally set as well as the integration
8 of substance use disorder services into managed care contracts funded
9 within the amounts appropriated in this section. The department must
10 submit a report to the office of financial management and the
11 appropriate fiscal committees of the legislature by December 1, 2015,
12 that includes the revised minimum and maximum reserve levels for
13 medicaid and nonmedicaid behavioral health organization contracts.

14 (r) \$300,000 of the general fund—state appropriation for fiscal
15 year 2016, \$1,394,000 of the general fund—state appropriation for
16 fiscal year 2017, and \$2,020,000 of the general fund—federal
17 appropriation are provided solely for implementation of chapter 7,
18 Laws of 2015 1st sp. sess. (2E2SSB 5177) (timeliness of competency
19 evaluation and restoration services). Regional support networks must
20 use the amounts for outpatient mental health treatment costs
21 associated with implementation of the bill.

22 (s) \$1,500,000 of the general fund—state appropriation for fiscal
23 year 2017 is provided solely to support the southwest Washington
24 region in transitioning to become an early adopter for full
25 integration of physical and behavioral health care. These amounts
26 must be used to provide a reserve for nonmedicaid services in the
27 region and to stabilize the new crisis services system. The
28 department and the health care authority must develop a memorandum of
29 understanding on the use of these funds.

30 (t) By April 1, 2016, the department must establish minimum and
31 maximum funding levels for all reserves allowed under behavioral
32 health organization contracts and insert contract language that
33 clearly states the requirements and limitations. The department must
34 monitor and ensure that behavioral health organization reserves do
35 not exceed maximum levels. The department must monitor behavioral
36 health organization revenue and expenditure reports and must require
37 a behavioral health organization to submit a corrective action plan
38 on how it will spend its excess reserves within a reasonable period
39 of time, when its reported reserves exceed maximum levels established

1 under the contract. The department must review and approve such plans
 2 and monitor to ensure compliance. If the department determines that a
 3 behavioral health organization has failed to provide an adequate
 4 excess reserve corrective action plan or is not complying with an
 5 approved plan, the department must reduce payments to the behavioral
 6 health organization in accordance with remedial actions provisions
 7 included in the contract. These reductions in payments must continue
 8 until the department determines that the behavioral health
 9 organization has come into substantial compliance with an approved
 10 excess reserve corrective action plan.

11 (u) \$2,000,000 of the general fund—state appropriation for fiscal
 12 year 2017 and \$762,000 of the general fund—federal appropriation for
 13 fiscal year 2017 are provided solely for four housing support and
 14 step down services teams.

15 (v) \$1,760,000 of the general fund—federal appropriation is
 16 provided solely for a pilot project to put peer bridging staff into
 17 each regional support network as part of the state psychiatric
 18 liaison teams to promote continuity of service as individuals return
 19 to their communities. The department must collect and make available
 20 data on the impact of peer staff on state hospital discharges and
 21 community placements.

22 (w) \$417,000 of the general fund—state appropriation for fiscal
 23 year 2017 and \$179,000 of the general fund—federal appropriation are
 24 provided solely for implementation of Second Substitute House Bill
 25 No. 1448 (suicide threat response). ((If the bill is not enacted by
 26 June 30, 2016, the amounts provided in this subsection shall lapse.))

24 chapter 5, Laws of 2015 (SSB 5889) (timeliness of competency

26 increase the number of forensic beds at western state hospital to
27 three hundred thirty and the number of forensic beds at eastern state
28 hospital to one hundred twenty-five by June 30, 2017. Pursuant to
29 chapter 7, Laws of 2015 1st sp. sess. (2E2SSB 5177) (timeliness of

33 (e) \$2,349,000 of the general fund—state appropriation for fiscal
34 year 2016 and \$2,318,000 of the general fund—state appropriation for

14 appraisal of risks, barriers, and benefits to implementation as well
15 as an implementation timeline. The University of Washington shall
16 report to the department, the office of financial management, and
17 relevant policy and fiscal committees of the legislature on findings
18 and recommendations by November 1, 2017.

19 (h) \$6,777,000 of the governor's behavioral health innovation
20 fund appropriation is provided solely to improve the quality of care,
21 patient and staff safety, and the efficiency of operations at the

25 Substitute House Bill No. 2453 or Substitute Senate Bill No. 6656,

27 financial management prior to expending appropriations from this
28 account. If neither bill is enacted by June 30, 2016, the amounts
29 provided in this subsection shall lapse. It is the intent of the
30 legislature that the ongoing costs of services that are implemented

29 The appropriations in this section are subject to the following
30 conditions and limitations:

31 (a) \$35,794,000 of the general fund—state appropriation for
32 fiscal year 2016 is provided solely for medicaid services based on
33 the February caseload and medicaid forecasts contingent upon: (i)
34 Transfer of the medicaid forecast function to the office of financial
35 management, by July 1, 2016; (ii) the authority executing necessary,
36 timely data sharing agreements with the office of the state actuary;
37 (iii) the authority providing support and data as required by the
38 office of the state actuary necessary in providing the legislature

1 with health care actuarial analysis, including providing any
2 information in the possession of the health care authority or
3 available to the health care authority through contracts with
4 providers, plans, insurers, consultants, or any other entities
5 contracting with the health care authority; (iv) transfer of the
6 administration of the managed care actuarial rate setting contract
7 from the authority to the office of financial management; and (v) the
8 authority consulting with the medical assistance forecast work group
9 prior to accepting the actuarial contractor's managed care rate
10 recommendations.

11 (b) \$121,599,000 of the general fund—state appropriation for
12 fiscal year 2017 is provided solely for holding medicaid managed care
13 capitation rates flat at calendar year 2016 levels in state fiscal
14 year and calendar year 2017. To achieve this target, the authority
15 shall engage with a group composed of the office of financial
16 management, the medicaid forecast work group, and the managed care
17 plans on a range of strategies developed both by the authority and
18 the group. The authority shall obtain actuarial analysis, support,
19 and recommendations during this process, and the state actuary shall
20 obtain independent actuarial analysis. By August 1, 2016, the
21 authority shall present the progress made on the initiative to the
22 joint select committee on health care, identifying any possible
23 changes in statute needed to achieve the goal and the possible
24 impacts on clients. The authority shall complete the plan and report
25 to the appropriate committees of the legislature by October 1, 2016.

26 (c) \$1,894,672,000 of the general fund—state appropriation for
27 fiscal year 2016 and \$1,915,233,000 of the general fund—state
28 appropriation for fiscal year 2017 are provided solely for medicaid
29 services and the medicaid program. However, the authority shall not
30 accept or expend any federal funds received under a medicaid
31 transformation demonstration waiver currently being sought under
32 healthier Washington, except as described in (d) through (g) of this
33 subsection, until specifically approved and appropriated by the
34 legislature.

35 (d) No more than (~~(\$127,336,000)~~) \$121,050,000 of the general
36 fund—federal appropriation and \$12,226,000 of the general fund—local
37 appropriation may be expended for transformation through accountable
38 communities of health described in initiative 1 of the medicaid
39 transformation demonstration waiver currently being sought under

1 healthier Washington, including preventing youth drug use. The
2 authority shall not increase general fund—state expenditures on this
3 initiative. The authority shall report to the fiscal committees of
4 the legislature all expenditures under this subsection and shall
5 provide such fiscal data in the manner, form, and time requested by
6 the legislative fiscal committees.

7 ~~(e) ((No more than \$5,223,000 of the general fund—federal~~
8 ~~appropriation may be expended for tailored support for older adults~~
9 ~~and medicaid alternative care described in initiative 2 of the~~
10 ~~medicaid transformation demonstration waiver currently being sought~~
11 ~~under healthier Washington. The authority shall not increase general~~
12 ~~fund—state expenditures on this initiative. The authority shall~~
13 ~~report to the fiscal committees of the legislature all expenditures~~
14 ~~under this subsection and shall provide such fiscal data in the~~
15 ~~manner, form, and time requested by the legislative fiscal~~
16 ~~committees.~~

17 ~~(f))~~ No more than ~~(((\$9,425,000))~~ \$5,392,000 of the general fund—
18 federal appropriation may be expended for supportive housing and
19 supportive employment services described in initiative 3(~~((a))~~) of
20 the medicaid transformation demonstration waiver currently being
21 sought under healthier Washington. The authority shall not increase
22 general fund—state expenditures on this initiative. The authority
23 shall report to the fiscal committees of the legislature all
24 expenditures under this subsection and shall provide such fiscal data
25 in the manner, form, and time requested by the legislative fiscal
26 committees.

27 ~~((g) No more than \$5,567,000 of the general fund—federal~~
28 ~~appropriation may be expended for supportive employment services~~
29 ~~described in initiative 3(b) of the medicaid transformation~~
30 ~~demonstration waiver currently being sought under healthier~~
31 ~~Washington. The authority shall not increase general fund—state~~
32 ~~expenditures on this initiative. The authority shall report to the~~
33 ~~fiscal committees of the legislature all expenditures under this~~
34 ~~subsection and shall provide such fiscal data in the manner, form,~~
35 ~~and time requested by the legislative fiscal committees.~~

36 ~~(h))~~ (f) Sufficient amounts are appropriated in this subsection
37 to implement the medicaid expansion as defined in the social security
38 act, section 1902(a)(10)(A)(i)(VIII).

1 ~~((+i))~~ (g) The legislature finds that medicaid payment rates, as
2 calculated by the health care authority pursuant to the
3 appropriations in this act, bear a reasonable relationship to the
4 costs incurred by efficiently and economically operated facilities
5 for providing quality services and will be sufficient to enlist
6 enough providers so that care and services are available to the
7 extent that such care and services are available to the general
8 population in the geographic area. The legislature finds that the
9 cost reports, payment data from the federal government, historical
10 utilization, economic data, and clinical input constitute reliable
11 data upon which to determine the payment rates.

12 ~~((+j))~~ (h) Based on quarterly expenditure reports and caseload
13 forecasts, if the health care authority estimates that expenditures
14 for the medical assistance program will exceed the appropriations,
15 the health care authority shall take steps including but not limited
16 to reduction of rates or elimination of optional services to reduce
17 expenditures so that total program costs do not exceed the annual
18 appropriation authority.

19 ~~((+k))~~ (i) In determining financial eligibility for medicaid-
20 funded services, the health care authority is authorized to disregard
21 recoveries by Holocaust survivors of insurance proceeds or other
22 assets, as defined in RCW 48.104.030.

23 ~~((+l))~~ (j) The legislature affirms that it is in the state's
24 interest for Harborview medical center to remain an economically
25 viable component of the state's health care system.

26 ~~((+m))~~ (k) When a person is ineligible for medicaid solely by
27 reason of residence in an institution for mental diseases, the health
28 care authority shall provide the person with the same benefits as he
29 or she would receive if eligible for medicaid, using state-only funds
30 to the extent necessary.

31 ~~((+n))~~ (l) \$4,261,000 of the general fund—state appropriation
32 for fiscal year 2016, \$4,261,000 of the general fund—state
33 appropriation for fiscal year 2017, and \$8,522,000 of the general
34 fund—federal appropriation are provided solely for low-income
35 disproportionate share hospital payments.

36 ~~((+o))~~ (m) Within the amounts appropriated in this section, the
37 health care authority shall provide disproportionate share hospital
38 payments to hospitals that provide services to children in the
39 children's health program who are not eligible for services under

1 Title XIX or XXI of the federal social security act due to their
2 citizenship status.

3 ~~((p))~~ (n) \$6,000,000 of the general fund—federal appropriation
4 is provided solely for supplemental payments to nursing homes
5 operated by public hospital districts. The public hospital district
6 shall be responsible for providing the required nonfederal match for
7 the supplemental payment, and the payments shall not exceed the
8 maximum allowable under federal rules. It is the legislature's intent
9 that the payments shall be supplemental to and shall not in any way
10 offset or reduce the payments calculated and provided in accordance
11 with part E of chapter 74.46 RCW. It is the legislature's further
12 intent that costs otherwise allowable for rate-setting and settlement
13 against payments under chapter 74.46 RCW shall not be disallowed
14 solely because such costs have been paid by revenues retained by the
15 nursing home from these supplemental payments. The supplemental
16 payments are subject to retrospective interim and final cost
17 settlements based on the nursing homes' as-filed and final medicare
18 cost reports. The timing of the interim and final cost settlements
19 shall be at the health care authority's discretion. During either the
20 interim cost settlement or the final cost settlement, the health care
21 authority shall recoup from the public hospital districts the
22 supplemental payments that exceed the medicaid cost limit and/or the
23 medicare upper payment limit. The health care authority shall apply
24 federal rules for identifying the eligible incurred medicaid costs
25 and the medicare upper payment limit.

26 ~~((q))~~ (o) The health care authority shall continue the
27 inpatient hospital certified public expenditures program for the
28 2015-2017 fiscal biennium. The program shall apply to all public
29 hospitals, including those owned or operated by the state, except
30 those classified as critical access hospitals or state psychiatric
31 institutions. The health care authority shall submit reports to the
32 governor and legislature by November 1, 2015, and by November 1,
33 2016, that evaluate whether savings continue to exceed costs for this
34 program. If the certified public expenditures (CPE) program in its
35 current form is no longer cost-effective to maintain, the health care
36 authority shall submit a report to the governor and legislature
37 detailing cost-effective alternative uses of local, state, and
38 federal resources as a replacement for this program. During fiscal
39 year 2016 and fiscal year 2017, hospitals in the program shall be
40 paid and shall retain one hundred percent of the federal portion of

1 the allowable hospital cost for each medicaid inpatient fee-for-
2 service claim payable by medical assistance and one hundred percent
3 of the federal portion of the maximum disproportionate share hospital
4 payment allowable under federal regulations. Inpatient medicaid
5 payments shall be established using an allowable methodology that
6 approximates the cost of claims submitted by the hospitals. Payments
7 made to each hospital in the program in each fiscal year of the
8 biennium shall be compared to a baseline amount. The baseline amount
9 will be determined by the total of (a) the inpatient claim payment
10 amounts that would have been paid during the fiscal year had the
11 hospital not been in the CPE program based on the reimbursement rates
12 developed, implemented, and consistent with policies approved in the
13 2015-2017 biennial operating appropriations act and in effect on July
14 1, 2015, (b) one-half of the indigent assistance disproportionate
15 share hospital payment amounts paid to and retained by each hospital
16 during fiscal year 2005, and (c) all of the other disproportionate
17 share hospital payment amounts paid to and retained by each hospital
18 during fiscal year 2005 to the extent the same disproportionate share
19 hospital programs exist in the 2015-2017 fiscal biennium. If payments
20 during the fiscal year exceed the hospital's baseline amount, no
21 additional payments will be made to the hospital except the federal
22 portion of allowable disproportionate share hospital payments for
23 which the hospital can certify allowable match. If payments during
24 the fiscal year are less than the baseline amount, the hospital will
25 be paid a state grant equal to the difference between payments during
26 the fiscal year and the applicable baseline amount. Payment of the
27 state grant shall be made in the applicable fiscal year and
28 distributed in monthly payments. The grants will be recalculated and
29 redistributed as the baseline is updated during the fiscal year. The
30 grant payments are subject to an interim settlement within eleven
31 months after the end of the fiscal year. A final settlement shall be
32 performed. To the extent that either settlement determines that a
33 hospital has received funds in excess of what it would have received
34 as described in this subsection, the hospital must repay the excess
35 amounts to the state when requested. \$14,014,000 of the general fund—
36 state appropriation for fiscal year 2016 and (~~(\$9,700,000)~~)
37 \$9,855,000 of the general fund—state appropriation for fiscal year
38 2017 are provided solely for state grants for the participating
39 hospitals.

1 ~~((r))~~ (p) The health care authority shall seek public-private
2 partnerships and federal funds that are or may become available to
3 provide on-going support for outreach and education efforts under the
4 federal children's health insurance program reauthorization act of
5 2009.

6 ~~((s))~~ (q) The health care authority shall target funding for
7 maternity support services towards pregnant women with factors that
8 lead to higher rates of poor birth outcomes, including hypertension,
9 a preterm or low birth weight birth in the most recent previous
10 birth, a cognitive deficit or developmental disability, substance
11 abuse, severe mental illness, unhealthy weight or failure to gain
12 weight, tobacco use, or African American or Native American race. The
13 health care authority shall prioritize evidence-based practices for
14 delivery of maternity support services. To the extent practicable,
15 the health care authority shall develop a mechanism to increase
16 federal funding for maternity support services by leveraging local
17 public funding for those services.

18 ~~((t))~~ (r) Within the amounts appropriated in this section, the
19 authority shall identify strategies to improve patient adherence to
20 treatment plans for diabetes and implement these strategies as a
21 pilot through one health home program to be identified by the
22 authority. The authority shall report to the governor and legislature
23 in December 2015 on patient outcomes and cost savings derived from
24 new adherence strategies in the health home model and make
25 recommendations for improving the strategies.

26 ~~((u))~~ (s) Managed care contracts must incorporate
27 accountability measures that monitor patient health and improved
28 health outcomes, and shall include an expectation that each patient
29 receive a wellness examination that documents the baseline health
30 status and allows for monitoring of health improvements and outcome
31 measures.

32 ~~((v))~~ (t) \$88,000 of the medicaid fraud penalty account—state
33 appropriation and \$567,000 of the general fund—federal appropriation
34 are provided solely to implement the conversion to the tenth version
35 of the world health organization's international classification of
36 diseases.

37 ~~((w))~~ (u) Sufficient amounts are appropriated in this section
38 for the authority to provide an adult dental benefit.

39 ~~((x))~~ (v) The health care authority shall coordinate with the
40 department of social and health services to provide referrals to the

1 Washington health benefit exchange for clients that will be
2 ineligible for medicaid.

3 ~~((y))~~ (w) To facilitate a single point of entry across public
4 and medical assistance programs, and to maximize the use of federal
5 funding, the health care authority, the department of social and
6 health services, and the health benefit exchange will coordinate
7 efforts to expand HealthPlanfinder access to public assistance and
8 medical eligibility staff. No later than October 1, 2015, the health
9 care authority shall complete medicaid applications in the
10 HealthPlanfinder for households receiving or applying for medical
11 assistance benefits.

12 ~~((z))~~ (x) \$90,000 of the general fund—state appropriation for
13 fiscal year 2016, \$90,000 of the general fund—state appropriation for
14 fiscal year 2017, and \$180,000 of the general fund—federal
15 appropriation are provided solely to continue operation by a
16 nonprofit organization of a toll-free hotline that assists families
17 to learn about and enroll in the apple health for kids program.

18 ~~((aa))~~ (y) The appropriations in this section reflect savings
19 and efficiencies by transferring children receiving medical care
20 provided through fee-for-service to medical care provided through
21 managed care.

22 ~~((bb))~~ (z) Within the amounts appropriated in this section, the
23 authority shall reimburse for primary care services provided by
24 naturopathic physicians.

25 ~~((ee))~~ (aa) Within the amounts appropriated in this section,
26 the authority shall continue to provide coverage for pregnant teens
27 that qualify under existing pregnancy medical programs, but whose
28 eligibility for pregnancy related services would otherwise end due to
29 the application of the new modified adjusted gross income eligibility
30 standard.

31 ~~((dd))~~ (bb) Sufficient amounts are appropriated in this section
32 to remove the mental health visit limit and to provide the shingles
33 vaccine and screening, brief intervention, and referral to treatment
34 benefits that are available in the medicaid alternative benefit plan
35 in the classic medicaid benefit plan.

36 ~~((ee))~~ (cc) \$227,000 of the general fund—state appropriation
37 for fiscal year 2016, \$461,000 of the general fund—state
38 appropriation for fiscal year 2017, and \$734,000 of the general fund—

1 federal appropriation are provided solely to implement Substitute
2 Senate Bill No. 5317 (enhanced autism screening - bright futures).

3 ~~((ff))~~ (dd) \$4,278,000 of the general fund—private/local
4 appropriation and \$9,835,000 of the general fund—federal
5 appropriation are provided solely to implement House Bill No. 2007
6 (emergency medical transportation).

7 ~~((gg))~~ (ee) Within amounts appropriated in this section, the
8 health care authority shall conduct a review of its adult dental
9 program in cooperation with and utilizing resources from Washington

11 implement an expanded oral health care program for adults with
12 diabetes and pregnant women. A report summarizing the authority's
13 implementation plan and an estimation of cost savings must be
14 submitted to the governor and the appropriate committees of the
15 legislature by December 1, 2015.

16 ~~((hh))~~ (ff) No more than \$452,000 of the general fund—state
17 appropriation for fiscal year 2016 and no more than \$723,000 of the
18 general fund—state appropriation for fiscal year 2017 may be expended
19 for reimbursement for nonhospital based rural health clinics auditing
20 costs to complete annual payment reconciliations for calendar years
21 2011-2013 as required under 42 U.S.C. Sec. 1396a (bb)(5)(A). The
22 department shall use the agreed-upon procedures to complete the
23 reconciliations. Nonhospital-based clinics shall be reimbursed for
24 the cost of auditing using the agreed-upon procedures for payment
25 reconciliation for this time period only.

26 ~~((ii))~~ (gg) The appropriations in this section represent a
27 transfer of expenditure authority of \$2,333,000 of the general fund—
28 federal appropriation for fiscal year 2016 and \$1,782,000 of the
29 general fund—federal appropriation for fiscal year 2017 to the office

32 ~~((jj))~~ (hh) Pursuant to RCW 41.06.142(3), the authority shall
33 implement a pilot program within existing resources to understand the
34 nature and depth of potential fraud, waste, and abuse and the
35 creation of operational efficiencies within the provider and
36 beneficiary system. The pilot program shall examine streamlining
37 provider enrollment and compliance within the current affordable care
38 act screening requirements and include a post-enrollment review of
39 those currently enrolled in medicaid to determine if there have been

1 changes in demographics, including but not limited to becoming
2 deceased, incarcerated, or residing out of state. The pilot program
3 shall be conducted by the authority in partnership with a third-party
4 vendor that uses national public records data as well as provider-
5 specific data. The authority shall prepare a report to the governor
6 and legislative fiscal committees by December 15, 2015.

7 ~~((kk))~~ (ii) Within amounts appropriated in this section, the
8 health care authority shall conduct a review of its federally
9 qualified health center encounter rates and rural health center
10 encounter rates in comparison to current uniform medical plan rates
11 for the same or similar services. The authority shall consult with
12 the centers for medicare and medicaid services to determine whether
13 federally qualified encounter rates may be adjusted to uniform
14 medical plan rates as a reasonable proxy to cost. The authority must
15 submit a report to the governor and the appropriate committees of the
16 legislature that includes which encounter rates exceed uniform
17 medical rates, the amount by which the rates are exceeded, and the
18 annual cost of paying above uniform medical rates. The report shall
19 also include the steps the authority has taken with the centers for
20 medicare and medicaid services to ensure that rates bear a reasonable
21 relationship to costs incurred by efficiently and economically
22 operated facilities, including whether uniform medical plan or
23 commercial rates may be considered a reasonable proxy to cost. The
24 report must be submitted by January 1, 2016. By September 15, 2016,
25 the authority is directed to directly consult with the centers for
26 medicaid and medicare services to determine whether federally
27 qualified encounter rates may be adjusted to uniform medical plan
28 rates as a reasonable proxy to cost and resubmit the report to
29 include the results of this consultation.

30 ~~((ll))~~ (jj) \$1,035,000 of the general fund—state appropriation

38 appropriation for fiscal year 2017, and \$2,018,000 of the general
39 fund—federal appropriation are provided solely for additional staff

1 to support timely resolution of eligibility-related issues for

7 the general fund—federal appropriation are provided solely to
8 establish the bleeding disorder collaborative for care.

9 (ii) The collaborative must consist of three representatives from
10 the authority, three representatives from the largest organization in
11 Washington representing patients with bleeding disorders, two
12 representatives from state designated bleeding disorder centers of
13 excellence, and two representatives of federally funded hemophilia
14 treatment centers based in Washington. The collaborative may invite
15 the participation of other persons with expertise that may assist the
16 collaborative in its responsibilities. The collaborative shall adopt
17 a transparent process that allows for public comment prior to the
18 final adoption of any evidence-based practice.

19 (iii) The collaborative shall:

20 (A) Identify and develop evidence-based practices to improve care
21 to patients with bleeding disorders with specific attention to health
22 care cost reduction. To the extent that evidence-based practices are
23 unavailable, the collaborative shall research and create the
24 practices or compile the necessary information. In the event that
25 research on evidence is incomplete, the collaborative may consider
26 research-based practices or emerging best practices;

28 evidence-based practices to relevant health care professionals and
29 support service providers and propose options for incorporating
30 evidence-based practices into their treatment regimens; and

31 (C) Assist the authority in the development of a cost-benefit
32 analysis regarding the use of evidence-based practices for specific
33 populations in state-purchased health care programs.

34 (iv) The authority shall report to the governor and the
35 legislature by September 1, 2016, regarding the evidence-based
36 practices that have been developed, the clinical and fiscal
37 implications of their implementation, and a strategy for
38 disseminating the practices and incorporating their use among health
39 care professionals in various state-financed health care programs.

1 (~~(oo)~~) (mm) The authority shall use revenue appropriated from
2 the dedicated marijuana fund for contracts with community health
3 centers under RCW 69.50.540 in lieu of general fund—state payments to
4 community health centers for services provided to medical assistance
5 clients, and it is the intent of the legislature that this policy
6 will be continued in subsequent fiscal biennia.

7 (~~(pp)~~) (nn) In collaboration with the state hospital
8 association, the authority shall develop and implement a process to
9 review hospital cost report information for new, in-state hospital
10 psychiatric inpatient services that have not had provider specific
11 costs and determine the hospital-specific per diem rate as currently
12 defined for existing providers of psychiatric inpatient services. As
13 a result of this action, the authority shall not incur expenditures
14 in the current biennium. The authority shall report to the office of
15 financial management and appropriate committees of the legislature
16 the following information no later than October 1, 2017:

17 (i) The number of potential new psychiatric beds;

18 (ii) The number of potential new psychiatric beds that were
19 previously designated as acute beds;

20 (iii) The total estimated costs for all new potential psychiatric
21 beds;

22 (iv) The potential savings or expenditures derived from change in
23 bed type usage; and

24 (v) The state fiscal years in which potential costs and savings
25 are likely to incur.

26 (~~(qq)~~) (oo) To further the goals of better care, better health
27 outcomes, and reduced per capita costs of health care, the authority
28 shall review its reimbursement methods and rates for births performed
29 at birth centers. The authority shall report to the governor and
30 appropriate committees of the legislature by October 15, 2016, with
31 recommendations for adjusting reimbursement methods and levels,
32 improving access to care, improving the cesarean section rate, and
33 savings options for utilizing birth centers as an alternative to
34 hospitals.

35 (~~(rr)~~) (pp) The authority shall submit reports to the governor
36 and the legislature by September 15, 2016, and by September 15, 2017,
37 that delineate the number of individuals in medicaid managed care, by
38 carrier, age, gender, and eligibility category, receiving
39 preventative services and vaccinations. The reports should include
40 baseline and benchmark information from the previous two fiscal years

1 and should be inclusive of, but not limited to, services recommended
2 under the United States preventative services task force, advisory
3 committee on immunization practices, early and periodic screening,
4 diagnostic, and treatment (EPSDT) guidelines, and other relevant
5 preventative and vaccination medicaid guidelines and requirements.

6 ~~((ss))~~ (qq) Within amounts appropriated in this section, the
7 authority shall implement Substitute Senate Bill No. 6430 (continuity
8 of care) to update the ProviderOne and HealthPlanFinder systems to
9 allow suspension rather than termination of medical assistance
10 benefits for persons who are incarcerated or committed to a state
11 hospital subject to the same conditions, limitations, and review

27 local jail facilities. If extraordinary medical conditions develop
28 for an inmate while at a jail facility, the jail may transfer the
29 offender back to the department, subject to terms of the negotiated
30 agreement. Health care costs incurred prior to transfer are the
