NOT ADOPTED 03/07/2018

1 On page 1, line 18, after "(b)" insert "Industry has taken
2 substantial steps to provide safe transport of oil in Washington state
3 including the implementation of international, federal, local, and
4 industry standards, which have had a significant effect in reducing
5 the risk of oil spills. Since the use of double hulls, there has not
6 been a spill in Washington waters since 1984 caused by the structural
7 failure of a tank vessel.

8 (c)"
