

E2SSB 6362 - H AMD TO H AMD (H-5190.1/18) **1474**

By Representatives Taylor, Harris, Santos

ADOPTED 03/08/2018

1 On page 43 of the striking amendment, after line 24, insert the
2 following:

3
4 NEW SECTION. Sec. 410. A new section is added to chapter 28A.320
5 RCW to read as follows:

6 (1) Public schools may develop curricula that:

7 (a) Links student learning with engagement in seasonal or
8 nonseasonal outdoor-based activities, including activities related to
9 academic requirements in science, health and fitness, and career and
10 technical education;

11 (b) Aligns with the essential academic learning requirements under
12 RCW 28A.655.070 that are a component of the state's instructional
13 program of basic education; and

14 (c) Includes locally administered competency based assessments
15 that align with the Washington state learning standards.

16 (2) Public schools that develop curricula under this section may
17 request authorization from the superintendent of public instruction as
18 provided in section 411 of this act to consider student participation
19 in seasonal or nonseasonal outdoor-based activities as instructional
20 days for the purposes of basic education requirements established in
21 RCW 28A.120.220(5).

22
23 NEW SECTION. Sec. 411. A new section is added to chapter 28A.300
24 RCW to read as follows:

25 (1) The superintendent of public instruction, subject to
26 conformity with application or other requirements adopted by rule,
27 shall approve requests by public schools as provided in section 410 of

1 this act to consider student participation in seasonal or nonseasonal
2 outdoor-based activities as instructional days for the purposes of
3 basic education requirements established in RCW 28A.120.220(5).

4 (2) The superintendent of public instruction shall adopt rules to
5 implement this section."

6
7 Renumber the remaining sections consecutively and correct any
8 internal references accordingly.

o

EFFECT: (1) Authorizes public schools to develop curricula that links student learning with engagement in seasonal or nonseasonal outdoor-based activities, is aligned with the essential academic learning requirements, and includes locally administered competency based assessments that align with the Washington State Learning Standards.

(2) Authorizes public schools that develop the curricula to request authorization from the Superintendent of Public Instruction (SPI) to consider student participation in the activities as instructional days for the purposes of specified basic education requirements.

(3) Directs the SPI to adopt related rules and, subject to conformity with application or other requirements adopted by rule, to approve requests by public schools to consider student participation in seasonal or nonseasonal outdoor-based activities as instructional days for the purposes specified basic education requirements.
