9 (2) If, after examination and evaluation, the children's mental
10 health specialist or substance use disorder specialist and the
11 physician, physician assistant, or psychiatric advanced registered
12 nurse practitioner determine that the initial needs of the minor, if
13 detained to an evaluation and treatment facility, would be better
14 served by placement in a substance use disorder treatment
15 (~~facility~~) program or, if detained to a secure detoxification
16 facility or approved substance use disorder treatment program, would
17 be better served in an evaluation and treatment facility, then the
18 minor shall be referred to the more appropriate placement; however a
19 minor may only be referred to a secure detoxification facility or
20 approved substance use disorder treatment program if there is a
21 secure detoxification facility or approved substance use disorder
22 treatment program available and that has adequate space for the
23 minor.

24 (3) The admitting facility shall take reasonable steps to notify
25 immediately the minor's parent of the admission.

26 (4) During the initial seventy-two hour treatment period, the
27 minor has a right to associate or receive communications from parents
28 or others unless the professional person in charge determines that
29 such communication would be seriously detrimental to the minor's
30 condition or treatment and so indicates in the minor's clinical
31 record, and notifies the minor's parents of this determination. In no
32 event may the minor be denied the opportunity to consult an attorney.

33 (5) If the evaluation and treatment facility, secure
34 detoxification facility, or approved substance use disorder treatment
35 program admits the minor, it may detain the minor for evaluation and
36 treatment for a period not to exceed seventy-two hours from the time
37 of provisional acceptance. The computation of such seventy-two hour
38 period shall exclude Saturdays, Sundays, and holidays. This initial
39 treatment period shall not exceed seventy-two hours except when an

1 application for voluntary inpatient treatment is received or a
2 petition for fourteen-day commitment is filed.

3 (6) Within twelve hours of the admission, the facility shall
4 advise the minor of his or her rights as set forth in this chapter.

5 **Sec. 19.** RCW 71.34.720 and 2016 sp.s. c 29 s 272 are each
6 amended to read as follows:

7 (1) Each minor approved by the facility for inpatient admission
8 shall be examined and evaluated by a children's mental health
9 specialist, for minors admitted as a result of a mental disorder, or
10 by a (~~chemical dependency~~) substance use disorder professional, for
11 minors admitted as a result of a substance use disorder, as to the
12 child's mental condition and by a physician, physician assistant, or
13 psychiatric advanced registered nurse practitioner as to the child's
14 physical condition within twenty-four hours of admission. Reasonable
15 measures shall be taken to ensure medical treatment is provided for
16 any condition requiring immediate medical attention.

17 (2) If, after examination and evaluation, the children's mental
18 health specialist or substance use disorder specialist and the
19 physician, physician assistant, or psychiatric advanced registered
20 nurse practitioner determine that the initial needs of the minor, if
21 detained to an evaluation and treatment facility, would be better
22 served by placement in a substance use disorder treatment
23 (~~facility~~) program or, if detained to a secure detoxification
24 facility or approved substance use disorder treatment program, would
25 be better served in an evaluation and treatment facility, then the
26 minor shall be referred to the more appropriate placement.

27 (3) The admitting facility shall take reasonable steps to notify
28 immediately the minor's parent of the admission.

29 (4) During the initial seventy-two hour treatment period, the
30 minor has a right to associate or receive communications from parents
31 or others unless the professional person in charge determines that
32 such communication would be seriously detrimental to the minor's
33 condition or treatment and so indicates in the minor's clinical
34 record, and notifies the minor's parents of this determination. In no
35 event may the minor be denied the opportunity to consult an attorney.

36 (5) If the evaluation and treatment facility, secure
37 detoxification facility, or approved substance use disorder treatment
38 program admits the minor, it may detain the minor for evaluation and
39 treatment for a period not to exceed seventy-two hours from the time

1 of provisional acceptance. The computation of such seventy-two hour
2 period shall exclude Saturdays, Sundays, and holidays. This initial
3 treatment period shall not exceed seventy-two hours except when an
4 application for voluntary inpatient treatment is received or a
5 petition for fourteen-day commitment is filed.

6 (6) Within twelve hours of the admission, the facility shall
7 advise the minor of his or her rights as set forth in this chapter.
