

SHB 2458 - S AMD 758

By Senator Becker

1        On page 2, after line 7, insert "(c) All paper and online forms  
2 for requesting the release of an abbreviated death certificate must  
3 include a notice stating that the certificate might not contain  
4 sufficient information for all purposes."

EFFECT: Requires notice to consumers indicating that abbreviated death certificates might not be accepted by all entities due to insufficient information contained on the certificate.
