By Senator Braun

NOT ADOPTED 03/02/2018

1 On page 10, after line 8, insert the following:

2 "NEW SECTION. **Sec. 13.** (1) All marine net pen operators must
3 perform and complete a standardized dynamic mooring analysis based on
4 current meter data and analysis, for all current marine finfish net
5 pen facilities by December 1, 2018.

6 (2) The mooring analysis must use acknowledged best practices and
7 must be done consistent with third-party certifications or accepted
8 standards used by other jurisdictions where net pen aquaculture is
9 practiced. Upon completion, marine net pen operators must immediately
10 transmit and deliver the results of the analysis to the legislature,
11 the department of ecology, the department of natural resources, and
12 the department of fish and wildlife."

EFFECT: All net pen operators must complete a mooring analysis of
all their current facilities by the end of 2018 based on current
meter data and best practices.
