1 Strike everything after the enacting clause and insert the  
2 following:

3 NEW SECTION. **Sec. 1.** Park lands and park facilities are a  
4 vital component of the future health and prosperity of the state. In  
5 order to ensure that the state continues to be able to provide high  
6 quality park, recreation, and open space for the public, it is the  
7 intent of the legislature through this act to provide funding for  
8 capital projects to help overcome the extensive backlog of  
9 maintenance needs at state parks. This new source of funding for the  
10 critical capital needs of the state's parks furthers the mission of  
11 recreation and outdoor education and is intended to enhance the  
12 ability of the state parks and recreation commission, over the next  
13 eight years, to fulfill its critical role in providing recreational  
14 access for the state's youth and public as they enjoy the natural  
15 heritage of Washington.

16 NEW SECTION. **Sec. 2.** The definitions in this section apply  
17 throughout this chapter unless the context clearly requires  
18 otherwise.

19 (1) "Bonds" means bonds, notes, commercial paper, certificates of  
20 indebtedness, or other evidences of indebtedness of the state issued  
21 under this chapter.

22 (2) "Commission" means the state parks and recreation commission  
23 defined in RCW 79A.05.010.

24 NEW SECTION. **Sec. 3.** (1) With the exception of subsection (2)  
25 of this section, for the purpose of providing needed capital  
26 improvements consisting of the predesign, design, maintenance,  
27 construction, modification, renovation, modifying existing structures  
28 to meet current and future needs, equipping, and other improvement of  
29 state buildings and facilities for the commission, the state finance  
30 committee is authorized to issue general obligation bonds of the

1 state of Washington in the sum of five hundred million dollars, or as  
2 much thereof as may be required, to finance all or a part of the cost  
3 of these projects and all costs incidental thereto.

4 (2) Proceeds from these bonds may not be used for any  
5 expenditures to any part of the cross-state trail east of the  
6 Columbia river known by the names of the Milwaukie Road corridor,  
7 John Wayne trail or iron horse trail, or for the Columbia Plateau  
8 trail south of the Turnbull national wildlife refuge where the  
9 scablands nature trail and the Columbia Plateau trail meet and north  
10 of the Snake river junction trailhead. Proceeds from these bonds may  
11 not be used for any expenditures pertaining to any part of trails  
12 acquired by the commission after the effective date of this section.

13 (3) Proceeds from these bonds may not be used to purchase or  
14 acquire any new land.

15 (4) Bonds authorized in this section shall be sold in the manner,  
16 at the time or times, in amounts, and at such prices as the state  
17 finance committee shall determine.

18 (5) No bonds authorized in this section may be offered for sale  
19 without prior legislative appropriation of the net proceeds of the  
20 sale of the bonds.

21 (6) The bonds issued under the authority of this section shall be  
22 known as Washington's state parks future bonds.

23 NEW SECTION. **Sec. 4.** It is the intent of the legislature that  
24 the proceeds of new bonds authorized in this chapter will be  
25 appropriated in phases over five biennia, beginning with the  
26 2017-2019 biennium, to provide additional funding for capital  
27 projects and facilities of the commission. This chapter is not  
28 intended to limit the legislature's ability to appropriate bond  
29 proceeds if the full amount authorized in this chapter has not been  
30 appropriated after four biennia, and the authorization to issue bonds  
31 contained in this chapter does not expire until the full  
32 authorization has been appropriated and issued.

33 NEW SECTION. **Sec. 5.** The commission shall prepare a reporting  
34 structure for use in tracking the success and progress of  
35 implementing this chapter. Reports must be submitted concurrent with  
36 the office of financial management requirements for agency biennial  
37 budget requests, including submittal to the appropriate fiscal

4 chapter, with updates provided each biennia;

6 those with completed designs and completed permit submittals;

7 (3) The accomplishments to date, with projected and actual  
8 spending on projects funded by this chapter; and

9 (4) The overall facility condition index, reflecting changes in  
10 condition as expenditures are made.

11 NEW SECTION. **Sec. 6.** (1) The state finance committee is  
12 authorized to prescribe the form, terms, conditions, and covenants of  
13 the bonds provided for in this chapter, the time or times of sale of  
14 all or any portion of them, and the conditions and manner of their  
15 sale and issuance.

16 (2) Bonds issued under this chapter shall state that they are a  
17 general obligation of the state of Washington, shall pledge the full  
18 faith and credit of the state to the payment of the principal thereof  
19 and the interest thereon, and shall contain an unconditional promise  
20 to pay the principal and interest as the same shall become due.

21 NEW SECTION. **Sec. 7.** (1) The proceeds from the sale of the  
22 bonds authorized in section 3 of this act shall be deposited in the  
23 state building construction account created in RCW 43.83.020.

24 (2) The treasurer shall transfer bond proceeds deposited in the  
25 state building construction account into the Daniel J. and Nancy  
26 Evans state parks preservation account created in section 13 of this  
27 act at various times and in various amounts necessary to support  
28 authorized expenditures from the account.

29 (3) The proceeds shall be used exclusively for the purposes  
30 identified in section 3 of this act and for the payment of the  
31 expenses incurred in connection with the sale and issuance of the  
32 bonds.

33 NEW SECTION. **Sec. 8.** (1) The legislature intends to use the  
34 proceeds from the sale of bonds issued under this chapter for the  
35 projects identified during the 2017-2019, 2019-2021, 2021-2023,  
36 2023-2025, and 2025-2027 biennia and for other projects that maintain  
37 access to commission property or facilities.

1 (2) The legislature intends that the proceeds from the sale of  
2 the bonds authorized in section 3 of this act will not be in addition  
3 to the proceeds from the sale of bonds authorized by the 2017-2019  
4 bond bill, chapter . . . (Substitute Senate Bill No. 5090), Laws of  
5 2017 and by bills authorizing bond issuance to support future capital  
6 budget appropriations.

7 NEW SECTION. **Sec. 9.** (1) The debt-limit general fund bond  
8 retirement account shall be used for the payment of the principal of  
9 and interest on the bonds authorized in this chapter.

10 (2) The state finance committee shall, on or before June 30th of  
11 each year, certify to the state treasurer the amount needed in the  
12 ensuing twelve months to meet the bond retirement and interest  
13 requirements on the bonds authorized in this chapter.

14 (3) On each date on which any interest or principal and interest  
15 payment is due on bonds issued under this chapter, the state  
16 treasurer shall withdraw from any general state revenues received in  
17 the state treasury and deposit in the debt-limit general fund bond  
18 retirement account an amount equal to the amount certified by the  
19 state finance committee to be due on the payment date.

20 (4) The owner and holder of each of the bonds or the trustee for  
21 the owner and holder of any of the bonds may by mandamus or other  
22 appropriate proceeding require the transfer and payment of funds as  
23 directed in this section.

24 NEW SECTION. **Sec. 10.** The bonds authorized by this chapter  
25 constitute a legal investment for all state funds or for funds under  
26 state control and all funds of municipal corporations.

27 NEW SECTION. **Sec. 11.** The legislature may provide additional  
28 means for raising moneys for the payment of the principal of and  
29 interest on the bonds authorized under this chapter, and section 10  
30 of this act shall not be deemed to provide an exclusive method for  
31 payment.

32 NEW SECTION. **Sec. 12.** This chapter provides a complete,  
33 additional, and alternative method for accomplishing the purposes of  
34 this chapter and is supplemental and additional to powers conferred  
35 by other laws. The issuance of bonds under this chapter shall not be  
36 deemed to be the only method to fund projects under this chapter.

1        NEW SECTION.    **Sec. 13.**    The Daniel J. and Nancy Evans state parks  
2 preservation account is created in the state treasury. Proceeds from  
3 the bonds issued under section 3 of this act must be deposited in the  
4 account. Moneys in the account may be spent only after appropriation.  
5 Expenditures from the account may be used only for those purposes  
6 identified in section 3 of this act.

7        NEW SECTION.    **Sec. 14.**    This act may be known and cited as the  
8 securing the future of Washington's state parks bonding act.
