

SB 5919 - S AMD TO S AMD (S-4964.3/18) 636  
By Senator Fortunato

1       On page 2, after line 29 of the amendment, insert the following:  
2       "(6) A BIAS provider may not convey any content via a  
3 videoconferencing service without opt-in approval for each specific  
4 use of videoconferencing service from the customer."

EFFECT: Requires opt-in approval of the customer for each specific use of videoconferencing service in order to convey any content via a videoconferencing service.
