4 RCW to read as follows:

5 (1) A health plan issued or renewed on or after January 1, 2019,

18 orientation, gender expression or identity, marital status, age,  
19 citizenship, immigration status, or disability.

20 NEW SECTION. **Sec. 2.** A new section is added to chapter 48.43  
21 RCW to read as follows:

**NOT ADOPTED 01/31/2018**

13 On page 1, line 1 of the title, after "health;" strike the  
14 remainder of the title and insert "adding new sections to chapter  
15 48.43 RCW; and creating a new section."

EFFECT: Removes the intent section. Makes the coverage of all  
contraceptive drugs, devices, and other products permissive, and  
removes the prohibition on copayments, deductibles and other forms of  
cost sharing for contraceptives. Makes the coverage of abortion  
services permissive and removes the prohibition on limiting a  
person's access to abortion services. Removes language that made the  
section inapplicable to a plan to the minimum extent necessary if the  
application of the section to a health plan would result in  
noncompliance with any federal requirements for receipt of federal  
funds.
