HB 2371

Title: An act relating to implementing child support pass-through payments.

Brief Description: Implementing child support pass-through payments.

Sponsors: Representatives Sawyer, Kilduff, Kagi, Ortiz-Self, Tarleton, Ormsby, Stonier and Gregerson.

Brief Summary of Bill

- Requires the Department of Social and Health Services to pass through a portion of child support collections for families receiving assistance under the Temporary Assistance for Needy Families program.

Hearing Date: 1/16/18

Staff: Edie Adams (786-7180).

Background:

Federal law requires states to have a child support enforcement program that complies with federal requirements as a condition of receiving federal funds for child support enforcement and Temporary Assistance for Needy Families (TANF) programs. As a condition of receiving TANF cash benefits, a family must assign its rights to child support to the state during the months the family receives the benefits. Assigned child support collections are retained by states and the federal government as partial reimbursement for TANF assistance.

The federal Deficit Reduction Act of 2005 allows states to pass through up to \$100 a month of collected child support to TANF families with one child and up to \$200 a month of collected child support to TANF families with two or more children without having to reimburse the federal government for its share of the child support collected. This is known as the child support pass through. States that opt to implement the child support pass through must disregard the child support collection paid to the family in determining the family's cash TANF benefit.

Washington implemented child support pass-through payments in October 2008, but suspended the child support pass-through payments effective May 1, 2011.

Summary of Bill:

Effective October 1, 2018, the Department of Social and Health Services is required to pass through to families receiving assistance under the Temporary Assistance for Needy Families program up to \$100 per month in collected child support for a family with one child and up to \$200 per month in child support for a family with two or more children. The pass-through payments must be implemented in accordance with the Deficit Reduction Act of 2005.

Appropriation: None.

Fiscal Note: Requested on 1/12/18.

Effective Date: The bill takes effect 90 days after adjournment of the session in which the bill is passed.
