SENATE COMMITTEE ON LABOR & COMMERCE

Staff: Richard Rodger (786-7461)

Background: Initiative 502 (2012), which legalized recreational marijuana in the state, required the LCB to adopt rules determining the nature, form, and capacity of all containers used by licensees to contain marijuana, marijuana concentrates, useable marijuana, and marijuana-infused products, and their labeling requirements.

One of the LCB's rules requires all marijuana products sold at retail to include the business or trade name and UBI number of the licensees that processed and sold the marijuana, marijuana concentrates, useable marijuana, or marijuana-infused products.

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

Summary of Bill: The label on a marijuana product container sold at retail must include the business or trade name and UBI number of the marijuana producer and processor that produced and processed the marijuana product.
