SENATE COMMITTEE ON NATURAL RESOURCES & PARKS

Staff: Curt Gavigan (786-7437)

Background: Discover Pass Program in General. During the 2011 regular session, the Legislature established the requirement for an annual Discover Pass or day-use permit for motor vehicle access to recreation lands managed by the State Parks & Recreation Commission (State Parks), the Department of Natural Resources (DNR), and the Department of Fish & Wildlife (DFW).

Discover Pass Exemptions. A Discover Pass or day-use permit is not required in certain circumstances. Examples include the following:

- parking at designated short-term parking areas;
- entry onto state lands consistent with a written authorization such as a lease or contract;
- accessing DFW lands with a Vehicle Access Pass, which is issued along with certain hunting and fishing licenses; and
- operating on an ungated road managed by DNR or DFW.

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

Partial Discover Pass Exemption Through the State Parks Pass Program. The statutorily created State Parks pass program provides a series of partial Discover Pass exemptions. Those who qualify for a senior citizen limited income pass, a disability pass, a disabled veteran lifetime pass, or a foster home pass receive free or discounted camping and free access to state parks. More specifically, any Washington resident who is a veteran and has a service-connected disability of at least 30 percent can receive a disabled veteran lifetime pass, entitling the veteran to free use of any campsite and free admission to any state park.

Summary of Bill: A Discover Pass is not required where a disabled veteran lifetime pass issued by State Parks is displayed, as long as the person to whom the pass is issued is a driver or passenger in the motor vehicle.

A penalty for failure to display a Discover Pass must be waived if a person provides the court with evidence that the person has obtained or is eligible for a disabled veteran lifetime pass.
