### SENATE COMMITTEE ON LOCAL GOVERNMENT

**Majority Report:** Do pass.

**Background:** Tax Lien Foreclosure Sales. The county treasurer may begin foreclosure proceedings to recover past due property taxes three years after the date of a property tax delinquency. The first step in the process is issuance of a certificate of delinquency, for the total amount of unpaid taxes, interest, and assessments, which is then filed with the clerk of the court.

Notice and summons are served or given to the owners and any person having a recorded interest in, or recorded lien upon, the property, notifying them to appear within 30 days of service to defend the action or pay the amount due. Following court proceedings, the court

gives judgment for such taxes, interest, and costs as appear to be due and issues an order for the sale of the property against which judgment is made. This order provides authority for the sale of the property.

The county treasurer must sell the property to the highest and best bidder. The minimum bid is the total amount of taxes, interest, and costs. Property may be redeemed at any time before the close of business the day before the sale by payment of the amount for which the certificate of delinquency was issued, together with interest, and any taxes, interest and costs accruing after issuance of the certificate of delinquency. If the sale is for more than the minimum bid, the excess must be refunded to the record owner of the property if a refund application is made. If the county does not receive the required minimum bid, the county acquires title.

**Summary of Bill:** Any property sold by a county treasurer in a tax lien foreclosure sale must be sold "as is." There is no guarantee or warranty of any kind, express or implied, relative to: title; eligibility to build upon or subdivide the property; zoning classification; size; location; fitness for any use or purpose; or any other feature or condition of a foreclosed property.

**Appropriation:** None.

**Fiscal Note:** Not requested.

**Creates Committee/Commission/Task Force that includes Legislative members:** No.

**Effective Date:** Ninety days after adjournment of session in which bill is passed.

**Staff Summary of Public Testimony:** PRO: For at least 75 years, county treasurers have auctioned off property on an "as is" basis; this practice has been upheld by Washington courts. It would be beneficial to codify this long-standing practice because it would encourage buyers to do their own due diligence.

**Persons Testifying:** PRO: Doug Lasher, Clark County Treasurer.
