5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The following acts or parts of acts are
7 each repealed:

8 (1) RCW 49.60.400 (Discrimination, preferential treatment
9 prohibited) and 2013 c 242 s 7 & 1999 c 3 s 1; and

10 (2) RCW 49.60.401 (Short title—1999 c 3) and 1999 c 3 s 2.

11 **Sec. 2.** RCW 28B.20.744 and 2015 3rd sp.s. c 3 s 7043 are each
12 amended to read as follows:

13 (1) This section provides an alternative process for awarding
14 contracts for construction, building, renovation, remodeling,
15 alteration, repair, or improvement of university buildings and
16 facilities in which critical patient care or highly specialized
17 medical research is located. These provisions may be used, in lieu of
18 other procedures to award contracts for such work, when the estimated
19 cost of the work is equal to or less than five million dollars and
20 the project involves construction, renovation, remodeling, or

1 alteration of improvements within a building that is used directly
2 for critical patient care or highly specialized medical research.

3 (2) The university may create a single critical patient care or
4 specialized medical research facilities roster or may create multiple
5 critical patient care or specialized medical research facilities
6 rosters for different trade specialties or categories of anticipated
7 work. At least once a year, the university shall publish in a
8 newspaper of general circulation a notice of the existence of the
9 roster or rosters and solicit a statement of qualifications from
10 contractors who wish to be on the roster or rosters of prime
11 contractors. In addition, qualified contractors shall be added to the
12 roster or rosters at any time they submit a written request,
13 necessary records, and meet the qualifications established by the
14 university. The university may require eligible contractors desiring
15 to be placed on a roster to keep current records of any applicable
16 licenses, certifications, registrations, bonding, insurance, or other
17 appropriate matters on file with the university as a condition of
18 being placed on a roster or rosters. Placement on a roster shall be
19 on the basis of qualifications.

20 (3) The public solicitation of qualifications shall include but
21 not be limited to:

22 (a) A description of the types of projects to be completed and
23 where possible may include programmatic, performance, and technical
24 requirements and specifications;

25 (b) The reasons for using the critical patient care and
26 specialized medical research roster process;

27 (c) A description of the qualifications to be required of a
28 contractor, including submission of an accident prevention program;

29 (d) A description of the process the university will use to
30 evaluate qualifications, including evaluation factors and the
31 relative weight of factors;

32 (e) The form of the contract to be awarded;

33 (f) A description of the administrative process by which the
34 required qualifications, evaluation process, and project types may be
35 appealed; and

36 (g) A description of the administrative process by which
37 decisions of the university may be appealed.

38 (4) The university shall establish a committee to evaluate the
39 contractors submitting qualifications. Evaluation criteria for

1 selection of the contractor or contractors to be included on a roster
2 shall include, but not be limited to:

3 (a) Ability of a contractor's professional personnel;

4 (b) A contractor's past performance on similar projects,
5 including but not limited to medical facilities, and involving either
6 negotiated work or other public works contracts;

7 (c) The contractor's ability to meet time and budget
8 requirements;

9 (d) The contractor's ability to provide preconstruction services,
10 as appropriate;

14 (g) The contractor's approach to safety and the contractor's
15 safety history; and

16 (h) The contractor's record of performance, integrity, judgment,
17 and skills.

18 (5) Contractors meeting the evaluation committee's criteria for
19 selection must be placed on the applicable roster or rosters.

20 (6) When a project is selected for delivery through this roster
21 process, the university must establish a procedure for securing
22 written quotations from all contractors on a roster to assure that a
23 competitive price is established. Invitations for quotations shall
24 include an estimate of the scope and nature of the work to be
25 performed as well as materials and equipment to be furnished. Plans
26 and specifications must be included in the invitation but may not be
27 detailed. Award of a project must be made to the responsible bidder
28 submitting the lowest responsive bid.

29 (7) The university shall make an effort to solicit proposals from
30 certified minority or certified woman-owned contractors (~~to the~~
31 ~~extent permitted by the Washington state civil rights act, RCW~~
32 ~~49.60.400~~)).

33 (8) Beginning in September 2010 and every other September
34 thereafter, the university shall provide a report to the capital
35 projects advisory review board which must, at a minimum, include a
36 list of rosters used, contracts awarded, and a description of
37 outreach to and participation by women and minority-owned businesses.

38 (9) Beginning in September 2015 and every September thereafter,
