14 review grant proposals and establish a prioritized list of projects
15 to be considered for funding by January 1st of each even-numbered
16 year, beginning in 2002. The evaluation of proposals and development

34 account and fees generated under RCW 36.18.010 and 43.07.128 are
35 insufficient to meet debt service payments on the certificate of
36 participation.

37 (b) To the extent the facilities are used for the storage and
38 retrieval of state agency records and digital data, that portion of
39 the construction of such facilities used for state government records
40 and data shall be supported by other charges and fees paid by state

1 agencies and shall not be supported by the surcharge authorized in
2 this subsection, except that to the extent there is an excess fund
3 balance in the account and fees generated under RCW 36.18.010 and

5 Washington state heritage center, the local government archives
6 account under RCW 40.14.024 may be used for the Washington state
7 heritage center.

8 (c) At such time that all debt service from construction of the
9 specialized regional archive facility located in eastern Washington
10 has been paid, fifty percent of the surcharge authorized by this
11 subsection shall be reverted to the centennial document preservation
12 and modernization account as prescribed in RCW 36.22.170 and fifty
13 percent of the surcharge authorized by this section shall be reverted
14 to the state treasurer for deposit in the public records efficiency,
15 preservation, and access account to serve the archives, records
16 management, and digital data management needs of local government,
17 except that the state treasurer shall not revert funds to the
18 centennial document preservation and modernization account and to the
19 public records efficiency, preservation, and access account if fees
20 generated under RCW 36.18.010 and 43.07.128 are insufficient to meet
21 debt service payments on the Washington state heritage center.

22 (4) In addition to any other surcharge authorized by law, the
23 county auditor shall charge a surcharge of one dollar per instrument
24 for every document recorded. Revenue generated through this surcharge
25 shall be transmitted to the state treasurer monthly for deposit in
26 the local government archives account under RCW 40.14.024 to be used
27 exclusively for the competitive grant program for local agencies to
28 improve technology information systems for public record retention,

4 portal, and provide a timeline where each request is being responded
5 to in the process;

6 (l) The feasibility of whether an open records portal created in
7 Washington would be able to directly respond to answering a user's

9 tracking when a local or state agency responds to such a request and
10 providing a timeline where each request is being responded to in the
11 process;

12 (m) The feasibility of creating an open records portal in
13 Washington that notifies a requestor that the request has been
14 received and either immediately provides the requestor with a copy of
15 the requested record, notifies the requestor that the record is not
16 available, or notifies the requestor that because of the
17 extraordinary request the record will be available on a date certain;
18 and

19 (n) The allocation of liability between the agency operating an
20 open records portal and any agency that provides records through the
