5 NEW SECTION. **Sec. 1.** INTENT. The legislature recognizes that

19 surveillance system survey.

1 (b) The department shall gather a sufficient number of responses
2 to the two food insecurity survey questions to disaggregate

4 sample size as needed to produce county and state level data.

5 (2)(a) Beginning in 2018 and annually thereafter, the department
6 shall produce a report on ongoing United States department of
7 agriculture funded nutrition assistance programs in Washington state.

16 program;

17 (ii) The number of people in Washington who participated in the
18 program;

19 (iii) The average annual participation rate in the program;

20 (iv) Participation rates by geographic distribution;

21 (v) The annual federal funding of the program in Washington; and

22 (vi) Other criteria as required by (c) of this subsection.

23 (c) By January 1, 2018, the department, in consultation with
24 advocacy groups and experts that focus on hunger and poverty issues,
25 academic experts in poverty and nutrition issues, advocacy groups and
26 experts in race issues, community-based organizations that administer
27 federal nutrition programs, tribal governments, and families impacted
28 by poverty, shall develop additional criteria including, but not
29 limited to:

30 (i) Performance benchmarks for programs in Washington state, with
31 a focus on existing benchmarks;

32 (ii) Geography;

33 (iii) Socioeconomic characteristics of households; and

34 (iv) Degree of disaggregation of racial and ethnic groups.
