
SENATE BILL 5644

State of Washington

65th Legislature

2017 Regular Session

By Senator Honeyford

Read first time 02/01/17. Referred to Committee on Ways & Means.

1 AN ACT Relating to skill center facility maintenance; and adding
2 a new section to chapter 28A.245 RCW.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** A new section is added to chapter 28A.245
5 RCW to read as follows:

6 For skill center cooperatives receiving any state capital funding
7 after July 1, 2017, the host district of the skill center must
8 maintain a separate capital account, into which the participating
9 school districts shall make annual deposits, to pay for all future
10 minor repair and renovation costs for the skill center. The annual
11 deposits may be a per pupil facility fee charged by the host district
12 to the participating district. For purposes of this section, a future
13 minor repair and renovation cost is a capital project costing less
14 than forty percent of the value of the building and consistent with
15 the office of the superintendent of public instruction rules to
16 implement an asset preservation plan.
