1 AN ACT Relating to expanding the property tax exemption for new
2 and rehabilitated multiple-unit dwellings in urban centers; amending
3 RCW 84.14.010; and creating a new section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** This section is the tax preference
6 performance statement for the tax preference contained in section 2,
7 chapter . . . , Laws of 2018 (section 2 of this act). This performance
8 statement is only intended to be used for subsequent evaluation of
9 the tax preference. It is not intended to create a private right of
10 action by any party or be used to determine eligibility for
11 preferential tax treatment.

12 (1) The legislature categorizes this tax preference as one
13 intended to induce certain designated behavior by taxpayers, as
14 indicated in RCW 82.32.808(2)(a).

15 (2) It is the legislature's specific public policy objective to
16 incentivize developers to construct new multifamily housing thereby
17 increasing the number of affordable housing units for low to
18 moderate-income residents in certain urban growth areas.

19 (3) The legislature intends to extend the expiration date of the
20 tax preference in this act, if a review finds that at least twenty

1 percent of the new housing is developed and occupied by households
2 earning:

3 (a) At or below eighty percent of the area median income, at the
4 time of occupancy, adjusted for family size for the county in which
5 the project is located; or

6 (b) When the housing is intended exclusively for owner occupancy,
7 up to one hundred fifteen percent of the area median income, at the
8 time of sale, adjusted for family size for the county in which the
9 project is located.

10 (4) In order to obtain the data necessary to perform the review
11 in subsection (3) of this section, the joint legislative audit and
12 review committee may refer to data provided by cities or towns in
13 which persons are utilizing this tax preference, the office of
14 financial management, the department of commerce, the United States
15 department of housing and urban development, and any other data
16 sources, as needed by the joint legislative audit and review
17 committee.
