1       AN ACT Relating to creating a local pathway for local  
2 governments, school districts, institutions of higher education, and  
3 nonprofit organizations to provide more high quality early learning  
4 opportunities by reducing barriers and increasing efficiency;  
5 amending RCW 43.215.099, 43.215.410, and 43.215.195; adding a new  
6 section to chapter 43.215 RCW; and creating a new section.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

8       NEW SECTION.   **Sec. 1.**   The legislature recognizes that local  
9 governments, school districts, institutions of higher education as  
10 defined in RCW 28B.10.016, and nonprofit organizations play an  
11 important role in strengthening the early care and education systems  
12 in the state. The legislature acknowledges that these entities may  
13 face barriers to investing in early care and education programs. The  
14 legislature intends to create a local pathway to high quality early  
15 learning to help these entities understand how they can use  
16 additional local and private funds with existing funds to expand  
17 access for existing programs. The legislature intends for this local  
18 pathway to reduce barriers and increase efficiency to provide more  
19 high quality early learning opportunities.

1       **Sec. 2.** RCW 43.215.099 and 2015 3rd sp.s. c 7 s 15 are each  
2 amended to read as follows:

3       (1) The foundation of quality in the early care and education  
4 system in Washington is the quality rating and improvement system  
5 entitled the early achievers program. In an effort to build on the  
6 existing quality framework, enhance access to quality care for  
7 children, and strengthen the entire early care and education systems  
8 in the state, it is important to integrate the efforts of state and  
9 local governments, school districts, institutions of higher education  
10 as defined in RCW 28B.10.016, and nonprofit organizations.

11       (2) Local governments, school districts, institutions of higher  
12 education as defined in RCW 28B.10.016, and nonprofit organizations  
13 are encouraged to collaborate with the department when establishing  
14 and strengthening early learning programs for residents.

15       (3) Local governments, school districts, institutions of higher  
16 education as defined in RCW 28B.10.016, and nonprofit organizations

26 early start account established in RCW 43.215.195.

27       (5) Children enrolled in the early childhood education and  
28 assistance program with funds contributed in accordance with  
29 subsection (3)(c) of this section are not considered to be eligible  
30 children as defined in RCW 43.215.405 and are not considered to be  
31 part of the state-funded entitlement required in RCW 43.215.456.

32       NEW SECTION.   **Sec. 3.** A new section is added to chapter 43.215  
33 RCW to read as follows:

35 barriers and increase efficiency for using local or private funds, or  
36 both, to provide more high quality early learning opportunities.

37       **Sec. 4.** RCW 43.215.410 and 2006 c 265 s 211 are each amended to  
38 read as follows:

2 education and assistance program to assist eligible children with  
3 educational, social, health, nutritional, and cultural development to  
4 enhance their opportunity for success in the common school system.  
5 Eligible children shall be admitted to approved early childhood  
6 programs to the extent that the legislature provides funds, and
