

HB 1316-S.E2 - DIGEST

(AS OF HOUSE 2ND READING 2/12/18)

Requires a health carrier that offers a dental plan to maintain a documented utilization review program description and written utilization criteria based on prevention of dental disease and chronic disease implications.

Prohibits a health carrier that offers a dental plan from subjecting a provider to an additional level of oversight under the health carrier's provider agreement solely because the provider, on behalf of a patient, files an appeal or grievance.
